NOTICE OF HEARING (VIA ZOOM VIDEO CONFERENCE)

PLEASE TAKE NOTICE that the undersigned will call up for hearing **Defendant's Motion to Dismiss for Failure to State a Cause of Action**, filed on August 27, 2025, before the Honorable Alicia Polk, Circuit Judge of the Sixth Judicial Circuit in and for Pasco County, Florida, on **Monday, July 13, 2026, at 9:00 a.m.**, or as soon thereafter as the matter may be heard. The hearing is scheduled for **60 minutes** and will be conducted via Zoom video conference.

UNOFFICIAL DOCUMENT

1. The hearing will be held via Zoom video conference. No account is necessary on Zoom to participate, and the parties may participate by going to http://www.zoom.us/ and clicking the link to "Join a Meeting" at the scheduled date/time set forth above by using the following meeting ID: **946 6941 3936** and password: **377480**. Persons participating in the Zoom hearing without a computer having audio and visual capabilities may appear telephonically for the Zoom hearing by calling **+1 (786) 635-1003 (Miami)** or **+1 (267) 831-0333 (Philadelphia)** and using the same meeting ID with the password.

2. Participants should adhere to the following guidelines for Zoom hearings:

   A. This is not a meeting. This is a court hearing. Dress and behave as if you were attending court in person. Pay attention to the time, as there are likely other hearings following yours and the hearing will need to conclude on time.

   B. At the start of the hearing all participants will be in a virtual waiting room, and the parties, counsel, and any court reporter, will be admitted in the virtual hearing by the presiding judge upon the start of the hearing.

   C. Please "rename" yourself on Zoom to show your actual name, so you can be readily identified by others for your hearing.

D. Any witnesses will be left in the waiting room until such time as they are "called" to testify, at which point they will be admitted to the virtual hearing room.

E. If at any point in a hearing an attorney needs to confer with his/her client separately, they may advise the Court and the presiding judge (if appropriate) will open a "breakout room" and assign the attorney and party to the breakout room for them to have their conversation outside of the presence of the Court and other participants. Similarly, if counsel for all parties need/want to speak together with the Judge without the parties present, they may make such a request and (if appropriate) the Court will open a "breakout room" for that conversation to occur, akin to how counsel may meet with a Judge in chambers prior to a traditional in-person hearing.

F. The same rules which apply to a hearing in person before the Court, also apply to a video hearing through Zoom.

G. No minor children are permitted to attend, or be present in the room where any participant is attending, the virtual hearing via Zoom. Persons with minor children of the action in the same building where the participant is appearing should take all reasonable steps to insure the minor children are not exposed to the proceedings. Participants may wish to use earbuds or headphones to assist in shielding the children from the litigation.

H. When speaking, remember to look directly at the webcam, not at the screen.

I. Position the camera at your eye level or slightly above eye level, and be mindful of what is behind you as everyone participating in the hearing will be able to see.

J. Check the lighting. Light from a window behind you might blind the camera, making you look dark. Light above you in the center of a room might also cast shadows. Ideally, position a lamp, or sit facing a window, where light is directly on your face.

K. Participants should speak one at a time and pause prior to speaking in case there is any audio/video lag for any other participant(s).

L. Participants are required to mute themselves when not speaking in order to avoid any potential background noise.

M. It is the responsibility of counsel, prior to the scheduled hearing, to insure not only the attorney, but the attorney's client(s) and any witness(es) for their client: (1) have access to Zoom; (2) have access to the exhibits for which they will be testifying; and (3) are familiar with the use of Zoom.
