BEHAVIOUR-LED PE — PPA COVER — AND ENRICHMENT

WE ARE JCSPORTS

BROCHURE 2026

Trusted by **40+ primary** schools across Hampshire and West Sussex

WHY JCSPORTS?

Is your PPA provision undermining behaviour, routines and staff wellbeing?

We place high importance on consistency with school behaviour policies. Classrooms remain calm and settled, so teachers return to them just as they left them and can use PPA time as intended.

Is PPA cover creating additional admin or follow-up work for teachers?

We manage registers and communication using your internal systems, maintaining continuity for pupils and ensuring teachers return to classrooms without issues to address.

Does behaviour change when an external provider takes the class?

Embedded as part of your staff team, we uphold the same routines and expectations every session to ensure consistency for pupils and staff.

WHY JCSPORTS?

Are pupils with SEND fully supported during cover sessions?

Guided by your SENCo and reinforced through ongoing SEN training, our sessions are designed to engage every pupil, ensuring no learner is left behind.

Would your PPA provision stand up to Ofsted scrutiny?

Previous Ofsted feedback highlights: “Clear routines and high expectations are embedded throughout sessions, supported by calm and consistent behaviour management.”

Does rotating external provision undermine consistency and trust?

We provide continuity through the same coaches for every session, upholding reliable standards and expectations.

WHAT MAKES JC SPORTS DIFFERENT?

WE ACT AS STAFF, NOT VISITORS

We operate as part of your staff team:

- Coaches are introduced as Mr or Miss
- Your behaviour policy is followed consistently
- The same expectations apply in PE as in the classroom
- Behaviour is managed calmly and consistently

BEHAVIOUR-FIRST, SPORT SECOND

- Every session starts and ends with clear routines.
- High expectations of conduct are maintained throughout.
- Behaviour is managed calmly and consistently.
- Pupils know exactly what is expected every lesson.

5 KEY AREAS COVERED

KEY INDICATOR 1:

INCREASED CONFIDENCE, KNOWLEDGE AND SKILLS OF ALL STAFF IN TEACHING PE AND SPORT

Through structured teacher mentoring and team-teaching, we work alongside staff to model high-quality PE practice from Years R–6. This builds subject knowledge, confidence, and long-term capacity within the school beyond our delivery.

KEY INDICATOR 2

ENGAGEMENT OF ALL PUPILS IN REGULAR PHYSICAL ACTIVITY

Our curriculum PE lessons, before- and after-school clubs, and inclusive enrichment programmes such as fencing and archery broaden participation and motivate pupils of all abilities to engage in regular physical activity. We create pathways that encourage sustained involvement beyond core lesson time.

KEY INDICATOR 3

THE PROFILE OF PE AND SPORT BEING RAISED ACROSS THE SCHOOL AS A TOOL FOR WHOLE-SCHOOL IMPROVEMENT

By delivering high-quality PE provision, supporting school sports days, and preparing pupils for local tournaments, we help raise the visibility and value of sport within the school community. Our provision consistently links to whole-school values, encouraging positive behaviours, resilience, teamwork, and aspiration.

KEY INDICATOR 4

BROADER EXPERIENCE OF A RANGE OF SPORTS AND ACTIVITIES OFFERED TO ALL PUPILS

Our enrichment programmes introduce pupils to sports beyond the traditional curriculum, including handball, fencing and archery, expanding their experiences and interests. This ensures a diverse and engaging sporting offer that appeals to a wide range of pupils.

KEY INDICATOR 5

INCREASED PARTICIPATION IN COMPETITIVE SPORT

We support schools in preparing for and participating in local tournaments and inter-school competitions, providing structured coaching and event organisation where required. This increases pupils' confidence, competitive experience, and representation at a local level.

WHY THIS MATTERS

- Improved staff confidence and subject knowledge
- Sustainable PE provision that builds internal capacity
- Increased participation in curriculum and extra-curricular physical activity
- Development of resilience, teamwork, leadership, and sportsmanship
- Clear, measurable impact aligned to Sports Premium priorities
- Greater engagement from less confident and previously inactive pupils
- Broader sporting experiences beyond the traditional curriculum
- Enhanced pupil wellbeing, focus, and behaviour through regular activity
- Increased representation in local competitions and tournaments
- Stronger school sporting culture and raised profile of PE

PPA AT JC SPORTS

At JC Sports, we deliver high-quality physical education to primary children, fostering physical, social, and mental growth through an engaging approach to PE.

Staff plan their sports sessions well. They understand the benefits of reinforcing basic skills with the children before progressing into a full game. Staff are able to adapt these practice sessions, providing greater challenge for older and most able children.
-Ofsted

PPA THAT ACTUALLY WORKS

BEFORE THE SESSION

- Behavioural expectations are set clearly at the start of the session
- Pupils follow school routines and transitions
- Coaches reinforce the same standards used during the school day
- The handover is calm, reliable and consistent

DURING THE SESSION

- Behaviour is managed in line with school behaviour policies
- Clear routines structure the session from start to finish
- Engaging sessions that allow success for every learner
- Time is maximised for learning and physical activity

AFTER THE SESSION

- Calm transitions mean classes return settled
- No behaviour fallout for teachers to manage
- No disruption to the next lesson
- No follow-up admin or conversations required

WHAT THIS MEANS FOR TEACHERS

Teachers can leave the room **confidently**

PPA time is **protected**, not compromised

No fear around ‘PE day’

Teachers return to pupils who are **ready to learn.**

WRAPAROUND

WRAPAROUND AT JC SPORTS

JC Sports Wraparound Clubs give schools a reliable, high-quality solution to before and after-school care that meets government expectations without adding pressure to leaders or staff.

"Staff plan their sports sessions well... Able to adapt practice sessions to provide greater challenge for older and most-able children."
- Ofsted

WHAT PROPER WRAP AROUND LOOKS LIKE

At the start and end of the school day

- Clear routines are in place from arrival to departure
- Expectations are consistent with the rest of the school day
- Children know what is expected and what comes next
- Transitions are calm, structured and predictable

During wraparound sessions

- Behaviour is managed calmly and consistently
- Activities are structured without overstimulation
- Staff maintain clear boundaries and expectations
- Children feel settled, safe and supported

WHAT PROPER WRAP AROUND LOOKS LIKE

Handover and communication

- Attendance is recorded in line with school systems
- Relevant information is shared with the school where appropriate
- Concerns are communicated clearly and promptly
- Parents and school staff receive consistent messages

What this means for families and staff

- Children arrive to lessons settled and ready to learn
- The school day starts and ends calmly
- No behaviour escalation before first lesson or after dismissal
- Wraparound supports learning, rather than undoing it

WHAT HEADTEACHERS SAY ABOUT JC SPORTS

JC Sports has been an outstanding PPA provider, delivering high-quality PE and games lessons with well-trained coaches who bring expertise and enthusiasm to every session. Their commitment to excellence is evident not only in the engaging lessons they provide but also in their professionalism—supplying all necessary equipment and ensuring that every session is well-structured. The presence of two coaches per lesson enhances the experience, allowing for excellent support and differentiation for the children.

Their dedication to quality assurance sets them apart. Regular observations, feedback for coaches, and termly check-ins with the school ensure that the provision remains of the highest standard. Additionally, their willingness to support with sports days and inter-school fixtures wherever possible further enriches the sporting opportunities for our children.

As a parent, I have also experienced JC Sports' exceptional wraparound care. My daughter attends their breakfast club daily and thoroughly enjoys the activities and friendly atmosphere created by their staff. She has also taken part in their well-organised after-school clubs, which are competitively priced and provide a fantastic experience.

JC Sports consistently goes above and beyond, making a significant impact on both PE provision in school and wraparound care. I highly recommend them.

Charles Beckerson
Headteacher of Graffham Infant & Duncton Junior School, West Sussex

We have been working with JC sports for 3 years and have been impressed with the quality of the physical education PPA cover. The JC Sports educators have always been high quality coaches with good behaviour management strategies. All the coaches have been good role models and formed very good relationships with the children. The coaches differentiate their approach to suit the needs for the children very well.

Since JC Sports have been leading our wrap-around care, I have been pleased with the improved offer we can give our children/parents. There is always plenty of foods for the children and hot options are always popular. I feel the staff have all got to know the children and provide a very good level of care. We have always worked closely with their wrap-around staff and JC Sports have been flexible around the school's needs to use the hall occasionally. JC Staff feel that they are part of our school and not just and addition has been important to me. I would recommend the company to others.

Headteacher of St Bartholomews Primary School, Haslemere

OFSTED COMMENDATION

A Welcoming, Child-Centred Environment

Ofsted found that children “have an enjoyable time at this welcoming setting” and “happily greet staff and visitors and show high levels of confidence.”

Children are actively involved in shaping their day, as they “follow their interests and eagerly work with staff to decide which activities to plan.”

Children “feel valued and listened to,” which supports the development of their “social and emotional skills.”

Ofsted
raising standards
improving lives

Positive Behaviour, Teamwork and Friendships

Children demonstrate strong behaviour and social values, following the camp ethos of “have fun, be safe, make lots of new friends!”

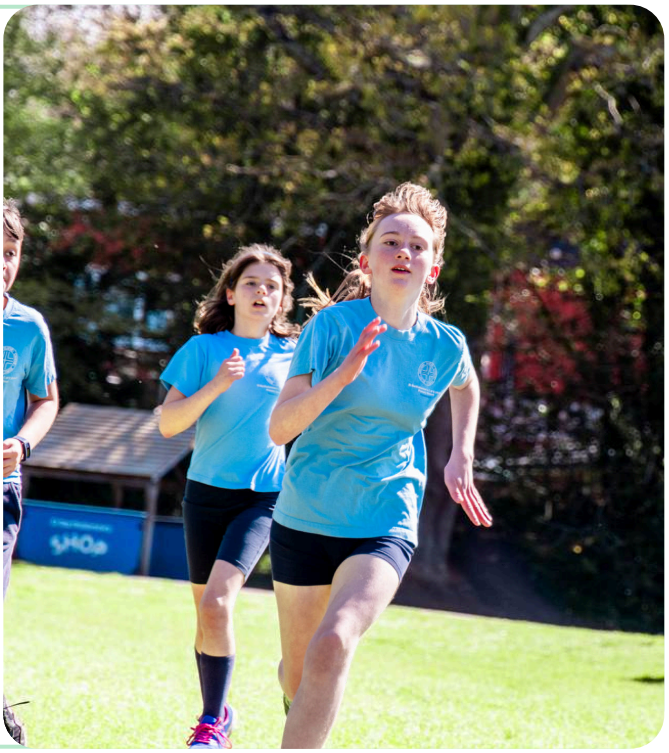
Ofsted noted that children “have good manners,” “wait their turn,” and “understand the need to work together.”

They “encourage and support their friends, showing a strong sense of teamwork” and display “good friendships” throughout their play.

HOW DO WE SUPPORT OFSTED EXPECTATIONS?

Behaviour
Clear routines are established at the start and end of each lesson, helping pupils feel secure, focused, and ready to learn. Expectations are fully aligned with each school's behaviour policy, ensuring consistency with the wider school environment. Coaches respond calmly and consistently, creating a respectful atmosphere where children feel supported and understood.

Consistency
The same high standards are upheld across every lesson, every school, and every coach. Our coaches are introduced as part of the school staff, allowing pupils to quickly build trust and familiarity. Clear, familiar expectations help children settle quickly into sessions and remain confident in what is expected of them.



HOW DO WE SUPPORT OFSTED EXPECTATIONS?

Professional Practice
JC Sports delivers every session with a safeguarding-first approach. Lessons are carefully structured and planned to ensure high-quality delivery, progression, and engagement. Coaches create inclusive environments where every child is involved, challenged, and encouraged, resulting in high levels of participation and enjoyment for all.

"Staff know children very well and adapt activities and team games to reflect the varying ages and stages of children present. Staff provide children with a wide range of opportunities that help them stay active and develop their physical skills."
