A NOTE FROM OUR FAMILY

A Note From Our Family

Dessert Oasis was born from a shared dream, a deep love for pastry, and the courage to start something meaningful far from home.

In the summer of 2025, after years of planning and countless moments spent around recipes, flavors, and ideas, our family made a life-changing decision. We moved to Dubai to bring our passion to life and to create a place where craftsmanship, warmth, and quality come together naturally.

At the heart of Dessert Oasis are two generations working side by side. As a mother-in-law and daughter-in-law team, we share not only a strong family bond, but also a genuine love for desserts, attention to detail, and the belief that food should always be made with care and intention. Every creation you see here is the result of that shared passion.

Dessert Oasis is a family-owned concept designed to feel elegant yet welcoming, refined yet relaxed. A space where time slows down, flavors are pure, and every detail is thoughtfully considered. From our signature pastries and delicate desserts to our brunch selections, specialty coffee, and refreshing drinks, everything is crafted to offer a moment of comfort, beauty, and joy.

We are grateful to share this journey with you and honored to welcome you into our story.

With love,
The Dessert Oasis Family
