DESSERT OASIS

A NOTE FROM OUR FAMILY

In August 2025, the Berinde family made a big decision. We bought a plane ticket, moved to Dubai, and set out with a simple goal: to open Dessert Oasis and create the kind of pastry shop we always dreamed of.

From the beginning, we wanted it to feel personal. A place where guests are welcomed with a smile, where the atmosphere is cozy, and where the people behind the desserts are the same people greeting you at the counter. Our team shares that same spirit, and together we try to make Dessert Oasis feel like a neighborhood café where everyone feels comfortable coming back.

Quality is at the heart of everything we make. We use ingredients we truly believe in: Belgian chocolate, pure pistachio, Madagascar vanilla, French butter, and premium cream from Elle & Vire. For us, great desserts start with great ingredients, and we choose them carefully so every pastry tastes as good as it looks.

Our hope is simple. That Dessert Oasis becomes a place where people in Arjan come for a great coffee, a beautiful dessert, and a warm moment in their day.

We are grateful to share this journey with you and honored to welcome you into our story.

With love,
The Dessert Oasis Family
