PARTNERSHIP BRIEF

From Global Commitment to Country Impact

Connecting the knowledge, relationships, innovation and resources of International Geneva with practical solutions that strengthen health, systems and communities around the world.

INTERNATIONAL GENEVA	COUNTRY ACTION

A two-way bridge to action

Geneva is where many global commitments are shaped. BrightPath helps connect that global knowledge and convening environment with country priorities and implementation - while bringing country realities, experience and learning back into global dialogue.

✓ **Global expertise:** Connect International Geneva knowledge and networks to practical country priorities.

✓ **Partnerships:** Convene aligned institutions and people around shared challenges and opportunities.

✓ **Capability:** Strengthen leaders, teams and institutions so implementation capability remains locally anchored.

✓ **Implementation:** Translate strategy and partnership intent into disciplined delivery.

✓ **Impact & learning:** Measure outcomes, learn and adapt, and bring country experience back into global dialogue.

BrightPath Ventures Sàrl is a Swiss Impact Venture Studio based in Geneva. We turn consequential ideas into durable platforms that empower leaders, strengthen systems and connect communities.

Building Platforms for Lasting Impact

Better Health. Better Systems. Better Communities.

BRIGHTPATH IN INTERNATIONAL GENEVA

One Vision. Three Platforms.

BrightPath works through three complementary platforms, each focused on a distinct dimension of lasting impact.

BETTER HEALTH

ActioNCD International

Accelerating national action on noncommunicable diseases.

NCD Nexus • ActioNCD Academy • Capacity Empowerment • Country Acceleration

BETTER SYSTEMS

Transform Health Global

Empowering leaders. Transforming systems.

Executive Leadership • Systems Transformation • AI for Health & Development • Organisational Capability • Innovation Labs • Executive Coaching

BETTER COMMUNITIES

Together Global

Connecting communities. Inspiring action.

Geneva Together • Together Cities • Unity Sports • Community Wellbeing

From ideas to transformation

Across its platforms, BrightPath uses a common pathway to move from consequential ideas to lasting impact.

01 IDEAS	02 PLATFORMS	03 PARTNERSHIPS	04 CAPABILITY	05 IMPLEMENTATION	06 IMPACT	07 TRANSFORMATION
Identify consequential ideas, unmet needs and opportunities.	Build durable architecture around those ideas.	Bring together aligned institutions, expertise and resources.	Strengthen people, teams and institutions.	Translate strategy into disciplined delivery.	Measure results, learn and adapt.	Scale and sustain change that endures.

Partnership in practice

Geneva Dialogue | Guatemala Fiji Malawi

Engagement with the Permanent Missions in Geneva provides an example of the bridge in practice - creating space to explore national priorities, potential partnerships and practical pathways through which Geneva-based expertise and networks can support country action.

EXPLORE PARTNERSHIP

Governments, international organisations, technical partners, innovators and aligned institutions can engage BrightPath around country priorities, platform development, capability and implementation.
