Initial total: 3 serious violations, $35,219 in proposed penalties. After formal settlement: 1 serious violation, $14,502.

CONTEXT

This citation arose from a Fatality and Catastrophe inspection opened after the January 7, 2022 death of a 27 year old employee who died of a presumed asthma attack while packaging cannabis at the facility. OSHA and Trulieve reached a formal settlement that closed the case on July 20, 2023.
