6. Given the circumstances, Defendant is unable to complete his response by the extended deadline and is in need of an extension of time to comply with Plaintiff's Discovery Request.

7. Defendant is seeking an additional fourteen (14) days, i.e., from obtaining new counsel which must necessarily occur within thirty days of filing of the Motion, to provide his response to Plaintiff's Discovery Request.

8. Defendant is not seeking an extension of time for the purpose of undue delay and Plaintiff will not be prejudiced by the Court granting this Motion.

WHEREFORE, Defendant respectfully requests this Honorable Court grant him a fourteen (14) day extension of time from obtaining new counsel to provide his response to Plaintiff's Discovery Request, and to grant such other relief as the Court deems just and appropriate.
