IN THE CIRCUIT COURT OF THE SIXTH JUDICIAL CIRCUIT
IN AND FOR PASCO COUNTY, FLORIDA

TRULIEVE, INC.,	CASE NO.: 2025-CA-001071-CAAXES
Plaintiff,	DIVISION: J4
v.	JUDGE: Hon. Alicia Polk
NATHAN JUREWICZ,	
Defendant.	

DEFENDANT'S NOTICE OF CORRECTION OF SCRIVENER'S ERRORS

Defendant, NATHAN JUREWICZ, appearing pro se, respectfully files this Notice of Correction of Scrivener's Errors to correct inadvertent citation errors in his previously filed papers, and states as follows:

1. Defendant's Supplemental Memorandum in Opposition to Plaintiff's Motion to Compel and in Support of Motion for Protective Order (DIN 49), at page 9, and Defendant's Motion for Protective Order (DIN 37), at page 1, each cite "Florida Rule of Civil Procedure 1.280(c)" as the authority governing protective orders. Following the 2025 amendments to the Florida Rules of Civil Procedure, the protective-order provision is codified at Florida Rule of Civil Procedure 1.280(d). Each reference to "Rule 1.280(c)" should be read as a reference to Rule 1.280(d).

2. Defendant's Opposition to Plaintiff's Motion to Compel (DIN 36), at pages 1 and 2, cites "Capers v. Weis, 708 F.3d 1297, 1303 (11th Cir. 2013)." The correct citation is United States v. Capers, 708 F.3d 1286, 1302–03 (11th Cir. 2013). Each reference should be read as a reference to United States v. Capers at the corrected citation.

3. Defendant's Opposition to Plaintiff's Motion to Compel (DIN 36), at page 2, cites "Ashcroft v. al-Kidd, 563 U.S. 731 (2011)" for the proposition that the First Amendment protects the right to gather information. That citation is incorrect; the supporting authority is Branzburg v. Hayes, 408 U.S. 665, 681 (1972) ("without some protection for seeking out the news, freedom of the press could be eviscerated"). The citation to Ashcroft v. al-Kidd is corrected to read Branzburg v. Hayes, supra.

OFFICIAL DOCUMENT

4. Defendant's Supplemental Memorandum (DIN 49), at page 8, cites "Fla. Stat. § 90.5015(1)(c)" for the proposition that the statutory term "information" is broadly construed. Section 90.5015(1) contains only paragraph (a) ("News") and paragraph (b) ("Professional journalist") and includes no paragraph (c). Defendant corrects that citation to read: News-Journal Corp. v. Carson, 741 So. 2d 572 (Fla. 5th DCA 1999), which construes the statutory term "information" to encompass "a broad category of tangible things such as memos, notes, letters, papers, and microfiche."

5. These corrections are limited to citation form and do not alter the substance of Defendant's arguments or the relief requested in the referenced filings. Defendant respectfully requests that the Court and the parties read the referenced filings as corrected herein.

Respectfully submitted,

DATED this 3rd day of June, 2026.
