Florida Medical Marijuana Operators: Google Review Rankings by Company, All 22 Operators, Best to Worst

Every operator with open dispensaries on the Florida Office of Medical Marijuana Use licensee list (23 operators, 782 dispensing locations as listed on Oct 11, 2026). For each location, the star breakdown was read from its public Google Maps listing on Oct 11, 2026, using the same method for every operator. 775 locations and 492,995 reviews were matched. Brands under common ownership are combined: Fluent and GrowHealthy are both owned by Cansortium and are counted as one company. All 22 operators are ranked from the lowest share of one-star reviews (best) to the highest (worst). Operators marked † have fewer than 1,000 Google reviews in total; their percentages rest on far fewer reviews and can move several places with a handful of new reviews, so their positions should be read with that in mind. Each location name in the detail pages links to its Google Maps listing.

• Star ratings measure customer satisfaction, not revenue or product safety.
• † Fewer than 1,000 Google reviews in total.
• Locations were matched on Google Maps by the operator name and street address from the state list; where two state-listed addresses resolved to the same Google listing, it was counted once. "Stores matched" shows how many of the state-listed locations were found.
