2024 NORTH CAROLINA
UNITED INDEPENDENT COALITION VOTER GUIDE

Our coalition, comprised of leaders from North Carolina's third parties—including We The People, Forward, Libertarian, Constitution, Justice For All, and Veterans—is the first of its kind in the nation. It aims to demonstrate that political collaboration is possible, even among those with differing viewpoints. We are not officially endorsing these candidates, and no coalition member is obligated to vote for any specific candidate. This guide is simply a resource for North Carolina Independent voters, offering consensus-based suggestions for offices where it may be helpful.
