ALIVIEW GROUP

Dry Creek, SA

INDUSTRIAL

$7.5 MILLION

4,355M² GLA

11 MONTHS

THE BRIEF

New headquarters for Aliview Group with warehouse, office, amenenties and carparking.

DESCRIPTION

Delivered in 11 months, the Aliview Group office and warehouse facility at Dry Creek was developed to accommodate their ongoing growth and expanding manufacturing requirements.

The two-storey facility combines contemporary office space, showroom areas and a purpose-built manufacturing warehouse for the production of custom-made windows, doors, shower screens, built-in robes and splashbacks. The project incorporates 460m² of polished concrete flooring, 3,100m² of burnished concrete slabs, 12 warehouse evaporative cooling units, perforated roller shutters for improved ventilation and natural light, and 7,625m² of external pavement works.

The result is a highly functional industrial facility designed to support productivity, operational efficiency and future growth.facilities, a boardroom and training space.
