

MARKITA WOODS

FOUNDER OF PIVOT TO POWER PLAYBOOK
FORMER WNBA PLAYER
DETROIT BASKETBALL HALL OF FAME

“

Testimonial: Markita brought the energy! We were inspired by her story of overcoming challenges and achieving goals in basketball and life. Her dedication and hard work have motivated us. We encourage everyone to apply the lessons learned. I'm about to suit up and go to the gym and put in some work because that's just what the energy did for me.

Testimonial: Ms. Markita Woods came to speak with our Future Leaders Squad at Potomac Shores Middle School, which focuses on becoming future-ready. Her message aligned perfectly with the points we aim to cover daily with this group. She did an amazing job with them. The students were very engaged and focused. She made them feel empowered and confident in themselves. I would 100% recommend Ms. Woods as a speaker to bring forth and accomplish the mission at hand.
