Flags of Glory

Revamped historical site flies flags in time for 4th

Just a few short weeks ago, it seemed hard for the St. Nazianz American Legion Post 477 to imagine the new secondary flagpole and in-ground lighting at the Meeme Liberty Pole would be fully installed more than three weeks before the Celebration of Freedom on July 4.

With great support of the community and the hard work of Post and Legion members, their vision has become a reality, ensuring Old Glory will continue to fly at the Meeme Liberty Pole site for generations to come.

A 12-by-18-foot American flag flies from the new pole, while the America 250 flag will fly atop the Meeme Liberty Pole through 2026.

The site is at the corner of County Highway M and XX in the Town of Meeme. There will be a celebration on July 4 at 10 a.m., followed by a social gathering at Shadows bar.
