Legion Riders stop in NH

CELEBRATING AMERICA'S 250TH BIRTHDAY! • 1776-2026

That was not thunder last Saturday morning in New Holstein—it was the American Legion Riders rolling through New Holstein as part of their three-day motorcycle ride throughout Wisconsin. They stopped at American Legion Hall on Wisconsin Avenue where the local Legion unit treated them to snacks and refreshments before they continued on their way to Two Rivers. The purpose of the ride is to raise money for the American Legion Veterans &

Children Foundation, the American Legion Auxiliary Badger Girls State program and the Sons of the American Legion Operation A.L.F. The Legion Riders is a

program of the American Legion comprised of members who ride motorcycles and support veteran causes.
