

FOR ARKANSAS BOARDS OF EDUCATION

What your AI policy and the law ask of your district.

This page puts the main requirements in one place so your board and superintendent can mark where the district stands. Please ask your district's attorney to confirm the details for your district.

What it asks of your district	Where it comes from	Where we stand
ARKANSAS ACT 848 OF 2025		
Your district has a written policy on how it uses artificial intelligence.	Act 848 of 2025 Ark. Code § 25-1-128	☐ In place ☐ In progress ☐ Not started
The policy names the uses and tools the district has authorized.	Act 848 of 2025	☐ In place ☐ In progress ☐ Not started
An authorized employee makes every final decision, and AI never does.	Act 848 of 2025	☐ In place ☐ In progress ☐ Not started
Employees receive training on the appropriate use of AI.	Act 848 of 2025	☐ In place ☐ In progress ☐ Not started
The policy works together with the district's data security and privacy practices.	Act 848 of 2025	☐ In place ☐ In progress ☐ Not started
STUDENT PRIVACY		
Student education records stay protected, and staff share them only as the law allows.	FERPA (federal)	☐ In place ☐ In progress ☐ Not started
Online services cannot sell student information or use it for targeted advertising.	Arkansas Student Online Personal Information Protection Act	☐ In place ☐ In progress ☐ Not started
Online services used by children under 13 follow federal children's privacy rules.	COPPA (federal)	☐ In place ☐ In progress ☐ Not started
STUDENT SAFETY		
Your discipline and safety procedures address harmful AI-generated images of students and staff.	Arkansas laws passed in 2025 on fake intimate images	☐ In place ☐ In progress ☐ Not started
YOUR BOARD'S OWN POLICY		
Every duty your adopted AI policy assigns to staff has a named owner and a date.	Your district's adopted AI policy	☐ In place ☐ In progress ☐ Not started
The board knows when it will hear a progress report on AI.	Your district's adopted AI policy	☐ In place ☐ In progress ☐ Not started

Every box marked "In progress" or "Not started" is a place where your superintendent can use support. **Growth Right Solutions trains every employee on your adopted policy** and helps your team close each gap, one building at a time.
