Resilience Rising International Leadership Summit

South Florida
June 26th, 2026
Deerfield Beech, FL

Supporting the Launch of
The Entrepreneurial Women's Foundation

More Than an Event

This is not just an event. **Resilience Rising** is a leadership platform designed to bring together business leaders, entrepreneurs, philanthropists, and influential voices for connection, visibility, and expansion.

Connection

Relationships formed between the most influential voices in business and leadership.

Opportunity

Doors opened and deals made within a curated, high-level environment.

Expansion

Influence that extends far beyond the room globally and strategically.

Why Partner With Us

This is an opportunity to position your brand within a curated, high-level leadership environment. This is not exposure. This is **access, alignment, and expansion.**

Direct Access

Reach a cross-industry audience of decision-makers, investors, and innovators actively building and leading.

Multi-Experience Visibility

Your brand is present across multiple high-impact experiences not just a single moment

Strategic Positioning

Align your brand within a growing global platform that commands attention and respect.

Impact Alignment

Connect your brand to both business excellence and meaningful philanthropic initiatives.

Who Is in the Room

This room is **intentionally curated**. Every seat is occupied by someone actively building, leading, investing, and expanding

Entrepreneurs & Business Owners

Founders and operators scaling ventures across industries.

Executives & Industry Professionals

Senior leaders driving strategy and innovation within their organizations.

Investors & Philanthropists

Capital-aligned individuals seeking meaningful partnerships and impact.

Leaders Across Wellness & Innovation

Visionaries shaping the future of business, health, and human potential.

A Multi-Experience Leadership Platform

Resilience Rising is not a single event. It is an entire ecosystem of leadership experiences and your partnership extends across all of it.
