# Rising Stars Program

Our Rising Stars Program is an invitation-based opportunity for dancers ages 4–7 who demonstrate strong potential, focus, and a love of performing.

This program is designed to introduce young dancers to the world of performance and competition in a fun, supportive, and age-appropriate environment. Dancers will build foundational technique, musicality, and stage presence while gaining confidence as part of a team.

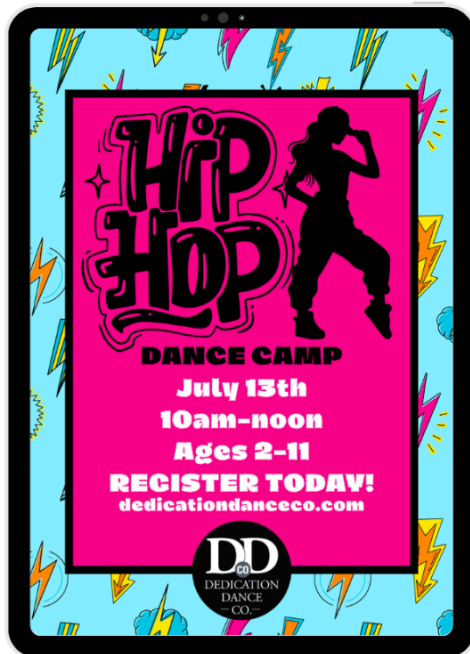

Rising Stars dancers attend a weekly class and rehearsal where they will learn choreography and begin developing the skills needed for future performance opportunities.

**Being selected for Rising Stars  
is a special recognition of a  
dancer's enthusiasm and  
readiness to grow.**
