

Dedication Dance Co. Weather Cancellation Policy

Updated 9/15/26

At Dedication Dance Co., the safety of our dancers, families, and staff is our highest priority. When determining whether classes should be canceled due to severe weather, we carefully consider several factors, including current and anticipated road conditions, weather forecasts, and overall community safety.

We understand that conditions can vary depending on where families are traveling from, so we always encourage parents to use their best judgment and personal comfort level when deciding whether it is safe for their dancer to attend class.

- **We do not make the decision to cancel classes lightly.** We carefully evaluate each situation and will cancel only when we believe conditions warrant it.

Cancellation Timing:

DDC does not follow a specific school district's policies when making closure decisions. On severe weather days, **cancellation decisions will be made by 2:00 PM Monday through Friday and by 7:30 AM on Saturdays.** Announcements will be communicated via email and text message.

- *Due to the unpredictable nature of severe weather, DDC reserves the right to cancel classes later in the day if weather conditions develop or change quickly. The safety of our dancers, families, and staff will always be our priority.*

Tuition and Makeup Procedures

Please note that we **do not issue tuition credits or refunds** for weather-related cancellations. However, dancers are welcome to make up the missed class within **one month** by attending a similar class in the same style and level group. If a class does not perfectly match the missed session, we will gladly help you find a suitable alternative to supplement your training. To help with class selections or to book your make-up class, please email us at info@dedicationdanceco.com.

- Additionally, certain classes or rehearsals, such as an upcoming performance, may be rescheduled depending on the circumstances. If a reschedule is necessary, we will communicate the details as soon as possible.

Thank you for your understanding and flexibility!
