Sleeve Length	21"	25"	29"	32"	33½"

How to Measure

CHEST SIZE

- Stand up straight with arms relaxed at your sides.
- Measure under your arms around your chest at the fullest point.
- Tape measure should be held straight around the back of your body, parallel to the floor.

CENTER BACK

- Measure from the base of your neck down to where you want the jacket to stop at your waist.
- This measurement includes the jacket's knit waist band.

SLEEVE LENGTH

- Bend your elbow 90 degrees.
- Place your hand on your hip.
- Hold the tape at the center back of your neck.
- Measure across your shoulder to your elbow and down to your wrist.
- The total length in inches is your sleeve length.
- This measurement includes the knit trim at the end of the sleeve.

GET THE PERFECT FIT

- Jackets are unisex sized.
- Remember, if you're a freshman or sophomore you'll probably grow. You may want to get a size larger.
- Think about what you'll wear with your jacket—like a hoodie or thick sweater.
- **Tip:** A good way to find your exact fit is to try the sizers your Jostens rep will have at the jacket fitting scheduled for your school.

ALTERATIONS

- Sleeve and jacket lengths can be altered to add or decrease length.
- 2-inch increments up to an addition or reduction of 6 inches in length.
- Upcharges apply.
