Want to learn piano as an adult, with a real teacher correcting your playing?

Piano Skool combines a clear day-by-day roadmap with personal video feedback from Stacey, a classically trained pianist who has taught adults for 15+ years.

Hi, I'm Stacey.
Master of Music, Manhattan School of Music
15+ years teaching adults · 20M+ Spotify streams

You don't just watch lessons. You send Stacey your playing, and she tells you exactly what to fix.

1 **Watch a short lesson**

2 **Play along and practice**

3 **Send Stacey a video**

4 **Get personal video feedback**

Made to fit your life. Watch, practice, and send your video on your own schedule, at your own pace.

What students have to say

"You never just say, just practice more. Those small little targeted adjustments have helped me break through these stuck areas."
Heather S.

"It made me feel good to be able to master a piece that previously I would have thought impossible to do."
Jean

"It doesn't matter what age you are, you can pick up the piano and you can be good at it."
Jake

"For my anniversary, I wanted to surprise my husband by learning one of his favorite love songs. It was a perfect gift."
Heather

Is Piano Skool right for you?

- Are an adult (18+), brand new or returning
- Can practice 20 minutes, 3+ days a week
- Want to read music and build real skills
- Are happy to film yourself playing, so Stacey can correct you
