From the Team

We are so excited that you have joined us for your biblical training and academic needs. As an online student, you will have access to the premier training and equipping available today!

This handbook has been prepared to help you fulfill your God-given purpose and destiny, both in and outside the church. It will also define a variety of training programs available to you. Complete faculty information is available on the “About” page.

Our goal is to provide the finest curriculum and the best support possible. We are fully dedicated to this goal and are available to assist you in reaching your educational objectives.

We are excited about the possibilities ahead! May God bless you as you seek to obey the Great Commission by discipling and teaching God’s Word.

Sincerely,

Your Online Learning Team!

Accreditation and Association

We are a Partner School of Christian Life School of Theology Global (CLSTG). We are proud to be part of a global network of independent Bible schools, faculty and students partnered with CLSTG headquartered in Columbus, Georgia, USA.

CLSTG has met the requirements for exemption from applicable Georgia law as a religious institution under the provision of the Post-Secondary Educational Authorization Act, Georgia Code 20-3-100 et seq. Thus, CLST Global in partnership with our school awards a variety of ministry certificates, diplomas and degrees ranging from an Associate of Theology through a Doctor of Theology.

Our school's partnership with CLSTG affords you the student a peace of mind and confidence in our academic integrity and reputation for providing the best possible online education with the most affordable price. Why? CLST Global is a member of the International Association of Bible Colleges and Seminaries (IABCS). The IABCS is a standards-based certification association registered as an accreditation body. The IABCS provides certification that CLST Global adheres to standardized operating requirements in keeping with, and acceptable to, other institutions of higher education. Partnership allows CLSTG and our school to maintain evangelical integrity, while operating according to the highest academic standards. You can view additional information about IABCS at http://iabcseducation.org.

CLSTG is a member of the Academic Council for Educational Accountability (formerly known as the Apostolic Council for Educational Accountability). ACEA was founded by Dr. C. Peter Wagner (a member of the CLSTG faculty) to provide academic credibility through accountability and association. ACEA is a network of Christian education and Christian training programs and schools. Information about ACEA is available at http://www.acea-schools.org/index.html.

CLSTG is a member of the Association of Christian Schools International (ACSI) and is approved by ACSI to issue Continuing Education Units (CEU) to you the student. This means that your courses are recognized by many Christian schools for meeting their teachers' continuing education requirements. ACSI is the largest provider of programs and services to Christian schools in the world and serves thousands of pre-schools, elementary, and secondary institutions. Contact your local school district for applicable guidelines. More information about ACSI can be obtained from their website: http://acsi.org.

CLSTG is also a member of the Association of Christian Distance Education (ACCESS). The mission of ACCESS is to provide leadership in the field of Christian distance education. http://accessed.org.

If you would like to know more about the CLSTG network of schools and our school's relationship to them, you can contact school administration with any questions you might have.

Transferability of Coursework

Existing and potential students often ask about our accreditation. What they often mean, however, is whether or not completion units are transferable. There is a difference with an entity that abides by a set of standards: i.e. accreditation, and the question relating to transferability of completed course work.

Students from CLSTG affiliated schools like ours have successfully transferred completion units to many schools around the country, either by means of an assessment of prior learning or a specific articulation agreement. Every transfer, however, is at the full discretion of the receiving school. They decide if and how completion units will contribute to the goal(s) of their program. It is important to remember that our completion units represent theological training and ministerial preparation. Christian universities often have a required "Bible core" for all majors. Your completion units may transfer into that "core."

If you are thinking of possibly transferring your credit units to a Christian university anytime in the future, we advise you to follow recommended degree plans. The classes were carefully selected to give you much more freedom in transferability.

Biblical Foundations Statement

We believe that the Bible is God's Word. It is accurate, authoritative and applicable to our every-day lives.

We believe in one eternal God who is the Creator of all things. He exists in three Persons: God the Father, God the Son and God the Holy Spirit. He is totally loving and completely holy.

We believe that the Lord Jesus Christ as both God and man is the only One who can reconcile us to God. He lived a sinless and exemplary life, died on the cross in our place, and rose again to prove His victory and empower us for life.

We believe that in order to receive forgiveness and the "new birth" we must repent of our sins, believe in the Lord Jesus Christ, and submit to His will for our lives.

We believe that in order to live the holy and fruitful lives that God intends for us, we need to be baptized in water and be filled with the power of the Holy Spirit. The Holy Spirit enables us to use spiritual gifts.

We believe that God has individually equipped us so that we can successfully achieve His purpose for our lives which is to worship God, fulfill our role in the Church and serve the community in which we live.

We believe that God wants to heal and transform us so that we can live healthy and prosperous lives in order to help others more effectively.

We believe that our eternal destination of either Heaven or hell is determined by our response to the Lord Jesus Christ.

We believe that the Lord Jesus Christ is coming back again as He promised.

Standards of Conduct

Our school is part of a larger network of Christian schools around the world partnered with Christian Life School of Theology Global. (CLSTG) This is a community of Christian believers who confess and follow Jesus Christ as Lord and Savior. The community is expected to uphold the Word of God and apply biblical standards of morality and integrity in life. Faculty, students and member schools are expected, therefore, to conduct themselves in a manner in keeping with Christian decorum and testimony. This involves embracing attitudes and actions the Bible identifies as virtuous and avoiding attitudes and actions the Bible identifies as sinful. They must abide by all published policies and regulations prescribed by the institution. They must also abide by applicable local, state, and federal laws.

Online College

All of your coursework is on our online learning platform. Course materials, including video lectures, a course syllabus/study guide, and an eBook where available will be included in the cost of tuition. (Please note - some courses require textbooks to be purchased from a third party by the student. Please contact school administration for more information.) Exams are also taken online.

Evaluation of Prior Learning

Active students who have completed courses in educational venues other than a CLSTG partner school and/or have previous ministerial experience may receive recognition for their work. This requires the submission of transcripts, certificates, diplomas and/or a ministerial résumé with their “request for evaluation of prior learning" form for evaluation. The completion units awarded through this procedure are used to help determine the level of placement of the student.

Evaluation of Prior Learning General Guidelines

- Individuals must be active students before requesting an evaluation of work for which they hope to receive recognition.

- Units awarded are officially applied to a student's transcript only upon completion of the residency requirement of five courses (15 units) and payment of applicable fees.

- Students are responsible to gather all transcripts, resumes, certificates, diplomas, etc., for submission.

- Students may request an additional Evaluation of Prior Learning before beginning a new degree program.

Evaluation of Accredited Non-Theological College Courses

Students having earned college credit or degrees from accredited institutions in fields other than theology may receive up to sixty (60) units for this work. This placement is determined by the evaluation of transcripts submitted by the requesting student. Courses must have a GPA of 2.0 or more (C). Grades of D or below will not be accepted. A fee/unit will be charged.

Evaluation of Accredited Theological College Courses

Students having earned college credit in theology courses from accredited institutions may receive full or partial recognition for their work. This placement is determined by the evaluation of transcripts submitted by the requesting student. Courses must have a GPA of 2.0 (C) or higher. Grades of D or below will not be accepted. A fee/unit will be charged.

Non-accredited Non-Theological Studies

Units are not awarded for this work.

Non-accredited Theological Studies

Students will attach a transcript for each school or class attended. The successful completion of courses will be counted toward Advance Standing. A fee/unit will be charged.

Evaluation of Ministerial Experience

Ministerial experience completion units may be awarded to applicants, especially licensed and ordained ministers. Ministerial experience is recognized up to a maximum award of sixty (60) units for full-time ordained ministers and licensed ministers and thirty (30) units for lay leaders. Evaluation requests must specify whether ministerial work is full-time or part-time. Copies of licenses and/or ordination certificates must be submitted. A fee/unit will be charged.

Student Placement

Units awarded as Advanced Standing help place the student in an advanced level of his/her program of study. Awarded units will not be applied until all applicable fees are paid, and the student completes 15 units of course work to establish residency. From this point, the student works forward to the next higher level of study. If a degree point has been reached or passed, the student may apply for the award of the next appropriate degree.

Student Registration

To be enrolled as a student, a person should have at least the equivalent of a high school education, or have demonstrated their ability to complete and benefit from our courses. Prospective students may register via this site.

Authorized Site and Use License
Every course includes a license defining its authorized use. Use of the course materials implies agreement with the terms of the license.

Tuition & Fees
Tuition rates are intentionally affordable to allow students to achieve a quality education to pursue their dreams. Some courses require the purchase of a textbook from a third-party. If you have questions regarding this, please contact your Student Advisor or Dean.

Student Records
An unofficial record will be kept in the student profile of the online learning platform. The CLST Global Office will maintain official records and transcripts for students.

Certificate, Diploma and Degree Application Fees
When you have completed your program of study, please complete the appropriate application form to initiate the transcript evaluation. You will find in "Student Help" of your LMS account.

Application	Amount
Certificate of Ministry	$75.00
Diploma of Theology	$75.00
Associate of Theology	$100.00
Bachelor of Theology	$125.00
Master of Theology	$150.00
Master of Sacred Studies	$175.00
Doctor of Sacred Studies	$225.00
Doctor of Theology	$225.00

Transcript Requests
If a student requires an Official Transcript or an unofficial Course Record of his/her studies from CLST Global, the student must submit a Transcript Request Form to CLST Global. Forms must be accompanied by appropriate fees for each copy of the transcript requested. Requests will usually be processed within 10-15 business days. To ensure privacy of student information, the request must be in writing and be signed by the student.

Examination Policies and Procedures

Course examinations consist of objective questions. All questions on the examination are taken from the lectures, textbook, syllabus/study guide, and referenced Scriptures. The examinations are "open-book." This means that students may refer to course materials when they take their examinations.

Taking Online Exams

When taking an exam you may move forward and back in the questions until the exam is submitted. (Different button on #50) If you need to stop the examination before it is complete, you may log out. When you sign back in the test will resume where you left off. (This is true of the full site, not the app) If you fail the exam, you may retake the exam one time.

Time Limitations

Students have 45 days from the course registration to complete the course and take the exam. Failure to complete the course on time will result in a "0" entered into the student transcript and 30 days to apply for a one-time make-up exam.

For emergency situations only, students may apply for an extension.

Make-Up Examinations

If the course expires or you fail the exam, you may retake the assessment one more time for a fee. Follow the instructions on your exam results or contact your School Administrator or Dean to request this. After the second attempt, the course must be re-taken at full tuition price.

Academic Appeal

Students have the right of academic appeal if they wish to dispute an examination grade. If a changed answer will result in a changed grade, appeals will be responded to as promptly as possible, but sometimes may require extensive research into course materials or contact with the instructor to obtain information.

Appeals must be submitted within 10 days following the date the grade report was published. The appeal must also identify the course number and title, and the name, address, and phone number of the school official to contact regarding the appeal.

The appeal must explain, with references to course materials, why the student's original answer is correct. The student must provide specific references to course materials and state why he or she believes the material supports his or her answer.

Student Grades

Online students will take examinations on the Learning Management System and will receive immediate test results, including feedback and the correct answers.

Grading Scale
Letter grades as well as numerical grades are issued to students completing course requirements and are reflected on grade reports. Only letter grades are posted to official records. Letter grades are used to compute grade point averages. Grades and grade points are based on the following official grading scale.

Numerical Grade	Letter Grade	Grade Point
90-100	A	4.0
80-89	B	3.0
70-79	C	2.0
60-69	D	1.0
0-59	F	0.0

Grade Point Average
A specific grade point average (GPA) must be maintained to earn a degree. Grade point averages are computed by adding the grade points for each grade and dividing the result by the total number of courses taken.

Continuing Education Units

A Continuing Education Unit (CEU) in higher education is awarded for 10 hours of instruction from a qualified faculty in a class that teaches specific skills. CEUs are the primary means for fulfilling “professional development” requirements. CLEN schools are already meeting those requirements in a variety of organizations.

Our school through partnership with CLST Global offers a variety of classes that qualify for a CEU Certificate (as well as counting toward a degree if taken as a graded student). These courses are indicated in the Course Catalog.

In addition, you may be awarded professional development Continuing Education Units (CEU) by the Association of Christian Schools International (ACSI) as fulfillment for the professional development requirements of faculty and staff in ACSI member schools.

CEU students will receive a Certificate after submitting an application. Graded students are eligible for a CEU Certificate at no additional charge.

The request for a CEU Certificate will include the student’s name and ID number, as well as the course number and title of the course for which the CEU is/are being requested. The CLST Global Office will verify the qualifications of the student and will provide the appropriate certificates.

Graduation/Commencement Policies and Procedures

Christian Life School of Theology Global hosts an annual graduation ceremony in which all graduating students may participate. The Commencement Exercises will be held annually. (Your school may also host its own ceremonies. Please contact your Student Advisor or Dean for more information.)

Requesting Degrees

Students requesting a degree must have received the required units at the time the graduation request is made. Examinations must be graded, grades posted, and grade reports received.

Students requesting a degree must also have achieved the required grade point average (GPA) of 2.0 or "C" to receive the certificate, diploma of theology, associate of theology, or the bachelor of theology. At the graduate level, a GPA of 3.0 or "B" is required to earn all other degrees. After all record checks are completed and all monies have been paid in full, the degree order will be placed.

Five requirements must be satisfied before a degree is issued:

1) The Degree Application Form is in order.
2) The residency requirement is fulfilled.
3) The unit completion requirement for each degree is met.
4) The grade point average (GPA) must be achieved.
5) The balancing requirement must be fulfilled. To meet this requirement, students must pass at least one course in each of the six divisions of study to earn the Bachelor of Theology degree. Outside of this balancing requirement, the student can specialize or customize their degree program as meets the needs of their calling and/or the requirements set forth by their ministry network.

The date on the degree will be the date of issue from CLST Global, or the date of the graduation at the Commencement. If the student does not participate in the graduation and later requests a diploma or degree, it will be dated on the date of issue from CLST Global.

Graduation Regalia and Class Rings

Graduates participating in a CLSTG Commencement exercise will wear appropriate graduation regalia. Graduates holding a CLSTG degree are entitled to wear the distinctive class ring that symbolizes achievement and excellence in education. Students must have earned a Bachelor of Theology degree or higher to qualify for a class ring. Graduates should order regalia or class rings through Jostens (please contact the CLST Global office for the details). Please note that no ring order will be processed by Jostens without verification of academic standing.

Programs of Study

These programs of study include various certificates, diplomas and degrees, all of which are awarded after accumulating course completion units. Successful completion of each course is worth three Completion Units. CLST Global in association with our school awards the following certificates, diploma and degrees. Bachelor of Theology and above requires at least one course from each of the six course divisions.

Program	Designation	Unit Requirement	GPA Requirement
Certificates of Ministry	Various	15 Units	2.0
Diploma of Theology	Dip.Th.	30 Units	2.0
Associate of Theology	A.Th.	60 Units	2.0
Bachelor of Theology	B.Th	126 Units	2.0
Master of Theology	M.Th.	171 Units	3.0
Master of Sacred Studies	M.S.S.	216 Units	3.0
Doctor of Sacred Studies	D.S.S.	261 Units	3.0
Doctor of Theology	D.Th.	300 Units	3.0

Certificate Programs

Our Certificate Program bundles courses into specialized areas of ministry. This enables students to focus their studies, thereby receiving specialized training and equipping for practical ministry. Certificates of Ministry are earned by successfully completing the five courses listed within each particular area of study.

1. Students may take as many certificate tracks during their course of study as desired to equip themselves with specialized training for practical ministry.

2. Courses taken toward the completion of a certificate will also apply toward earning a degree. Successful completion of a second certificate will also qualify a student to apply for the Diploma of Theology, etc.

3. For selected courses in the Certificate Program to qualify toward the appropriate certificate, each student must complete all coursework and successfully complete the examination. He or she must receive a passing grade on each course and maintain a grade point average (GPA) of 2.0 or higher.

4. Upon completion of the five courses in a certificate program, a Certificate Application Form must be submitted. Please follow the instructions provided on the form.
