These Terms of Service ("Terms") govern your access to and use of the website located at purepeptidesusa.biz, including any beta or successor domain (the "Site"), and any purchase made through the Site (collectively, the "Services"), operated by Pure Peptides USA ("Company," "we," "us," or "our"). By accessing the Site, creating an account, or placing an order, you agree to be bound by these Terms and by our Privacy Policy, which is incorporated by reference. If you do not agree, you must not use the Services.

1. Research Use Only — Critical Disclaimer

ALL PRODUCTS SOLD ON THIS SITE ARE SOLD STRICTLY FOR LABORATORY AND RESEARCH PURPOSES ONLY. THEY ARE NOT DRUGS, DIETARY SUPPLEMENTS, COSMETICS, OR FOOD PRODUCTS UNDER THE U.S. FEDERAL FOOD, DRUG, AND COSMETIC ACT, AND HAVE NOT BEEN EVALUATED OR APPROVED BY THE U.S. FOOD AND DRUG ADMINISTRATION (FDA) FOR HUMAN OR VETERINARY USE, DIAGNOSIS, TREATMENT, CURE, OR PREVENTION OF ANY DISEASE.

Products are not intended for human or animal consumption, injection, ingestion, inhalation, or topical application of any kind. All products are sold for in-vitro research, laboratory experimentation, and forensic or analytical purposes by qualified individuals and institutions only.

By purchasing from this Site, you represent and warrant that:

- You are purchasing the products solely for lawful research, laboratory, or analytical purposes;
- You will not use, or allow any other person to use, the products for human or animal consumption or clinical application of any kind;
- You have the appropriate training, licensure, or institutional affiliation (where applicable) to safely handle research chemicals; and
- You understand and accept full responsibility for compliance with all applicable federal, state, and local laws governing the purchase, possession, and use of the products in your jurisdiction.

We reserve the right to refuse, cancel, or limit any order at our sole discretion, including where we suspect a product will be used for a purpose inconsistent with these Terms.

2. Eligibility

You must be at least 18 years old and legally capable of entering into a binding contract to use the Services. By using the Site, you represent that you meet these requirements and that all registration information you submit is accurate and truthful.

3. No Medical Advice

Nothing on the Site — including product descriptions, blog content, or any communication with our staff — constitutes medical advice, a medical recommendation, or a substitute for consultation with a licensed physician or healthcare provider. We do not make, and expressly disclaim, any claims regarding the diagnostic, therapeutic, or health benefits of any product.

4. Product Information

We attempt to describe and display products and their specifications accurately, but we do not warrant that product descriptions, images, pricing, or other content on the Site are complete, current, or error-free. We reserve the right to correct any errors, inaccuracies, or omissions, and to change or update information at any time without prior notice.

5. Orders, Pricing & Payment

All orders are subject to acceptance and availability. We reserve the right to refuse or cancel any order for any reason, including suspected fraud, pricing errors, or concerns about intended use. Prices are subject to change without notice. Payment is processed through a third-party payment processor; by placing an order you authorize the applicable charge to your selected payment method. You are responsible for any taxes, duties, or fees associated with your order.

6. Shipping & Delivery

Shipping timeframes provided on the Site are estimates only and are not guaranteed. Title and risk of loss for products pass to you upon our delivery to the carrier. You are solely responsible for ensuring that the receipt of research chemicals is lawful in your delivery jurisdiction.

7. Returns, Refunds & Cancellations

Because our products are specialty research chemicals, all sales are final except where a product arrives damaged, defective, or materially different from what was ordered. Claims must be submitted within [INSERT NUMBER] days of delivery with supporting photos or documentation. Approved refunds or replacements will be processed at our discretion. Shipping charges are non-refundable except where the return is due to our error.

8. Prohibited Uses

You agree not to:

- Use any product for human or animal consumption, injection, or clinical application;
- Represent, resell, relabel, or market any product as a drug, supplement, or item intended for human use;
- Use the Site for any unlawful purpose or in violation of any applicable regulation;
- Misrepresent your identity, age, or purpose in placing an order;
- Attempt to interfere with, disrupt, or gain unauthorized access to the Site or its underlying systems.

Violation of this section may result in immediate termination of your account and cancellation of pending orders, in addition to any other remedies available to us at law.
