## *Business Growth Specialist*

*CEO, Inspired Choices Network | Founder, Podcast To Bookshelf™ | Author, CEO Without Apology*

Christine McIver is a master at turning potential into performance through the power of **intentional choice**.

A seasoned strategist and CEO of Inspired Choices Network, she brings decades of corporate & entrepreneur leadership into conversations that cut through noise, self-doubt, and confusion — replacing them with clarity, confidence, and decisive action.

Her style is direct, engaging, & unapologetically real. Christine challenges audiences to stop spinning, start leading, and make choices that create measurable growth and lasting success.

***“Business growth isn’t about doing more, it’s about optimizing what truly moves you forward.”***

# MEET CHRISTINE

**Guiding you to become the Unapologetic CEO of your Life & Business.**

Equal parts strategist and liberator, Christine McIver fuses bold truth with practical strategy to ignite growth that's both aligned and abundant.

After years in corporate & entrepreneur leadership, Christine decided it was time to choose differently and began leaning into being unapologetically herself and becoming the CEO of both her life and business.

**Christine asks the tough questions that inspire you to make a different choice.**

Now, celebrating 18+ years as CEO of Inspired Choices Network, Christine continues to lead by example, teaching entrepreneurs how to amplify their vision, their voice and their authority.

**Instigating conversations that transform into powerful, practical change.**
