COMFORT

Starlink Portable Internet System

A custom bag to suit the Starlink RV Portable Satellite Internet kit. The Starlink RV Kit is supplied in a cardboard box which is protected by the Kimberley Starlink Storage Bag.

The supplied box does a good job of accommodating the kit, but is prone to water damage and is awkward to handle. Our water resistant canvas bag will keep it dry when you are setting up on a damp surface.

Generous webbing handles are stitched into the side and make it easy to handle and store this kit as you use it at home and off the road.

The discrete nature of the bag also disguises the valuable item inside (the box features bold Starlink branding which may attract unwanted attention from would-be thieves).

(This Option is for the Storage Bag only - Starlink RV System is to be supplied by customer).

STARLINK PORTABLE INTERNET BAG

KAG4002

- water-resistant canvas bag
