

THE KIMBERLEY KUBE

2025 ACCESSORIES GUIDE

V - 130825

KIMBERLEY KAMPERS

KING OF THE OFF ROAD™

CANVAS

KWIK AWNING

Kube with Kwik Awning

2.2 x 4.1m Kwik Awning

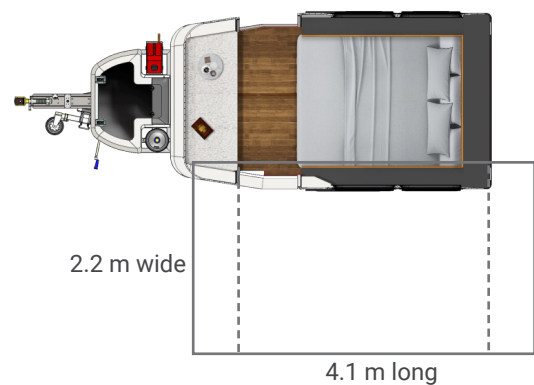

Sets up in less than 3 minutes, allowing for rapid shelter from sun or rain.

Creates your outdoor living area with shade and protection for cooking and relaxing.

Easily accessible kitchen and dining setup under the awning for alfresco meals.

Built to withstand harsh conditions, ensuring your comfort in various environments.

Makes your camping experience more enjoyable and versatile, whether you're stopping briefly or setting up for a longer stay.

2.2 x 4.1m Kwik Awning

KAG

- 2.2 x 4.1m
- Super quick to set up
- Rolls up and travels on side

Kube with Kwik Awning rolled up for travel.

CANVAS

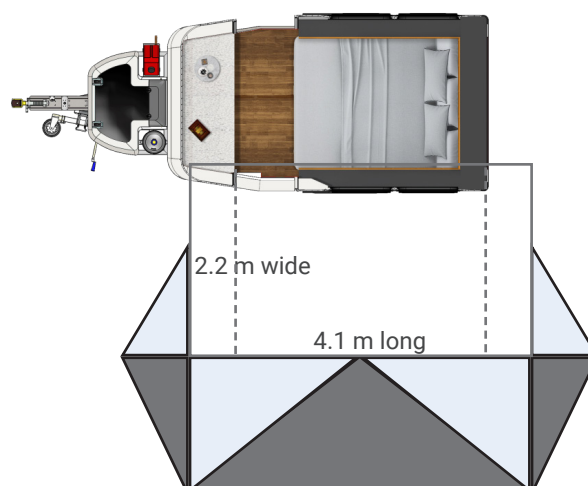

BEDOUIN AWNING EXTENSION

Bedouin Awning Extension on Kwik Awning

Bedouin Awning Extension

Add this to a Kwik Awning for more shade and privacy. Set up is easy - just attach with zip along edge and peg out corners.

BEDOUIN AWNING EXTENSION

KAG

- Super quick to set up - zip-on and peg out.
- Add privacy and shade

CANVAS

AWNING WALLS

Kwik Awning Full Walls Kit

Everything you need to create a comfortable and private outdoor 'alfresco' living space. Perfect for hosting happy hour or just to cook outside with improved protection from nasty weather. Three roll-up windows with insect screening allow for great airflow and easy access. 3-piece modular design allows for flexible wall set ups to suit the season.

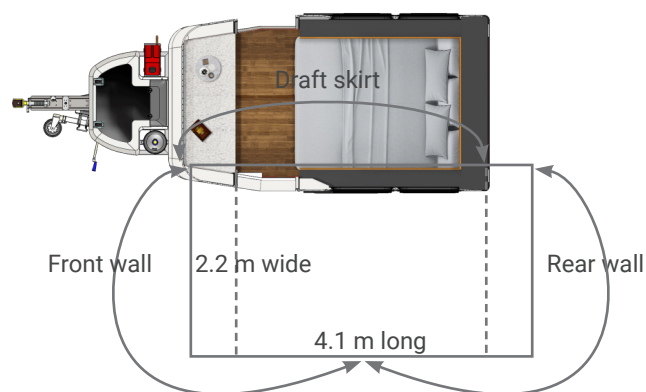

Note:

Shown on a Kimberley Kampers Karavan off road caravan.

KWIK AWNING FULL WALLS KIT

KAG

- Front Wall
- Rear Wall
- Draft Skirt

CANVAS

ENSUITE CUBICLE

Ensuite Change room and Shower/Toilet Cubicle

Creates a convenient private space for a toilet, shower and change space. Slide-on, add poles/ropes and you are good to go.

Features separate PVC floor for easy shower draining, roll-up door and window with insect screening to allow for great airflow and easy access.

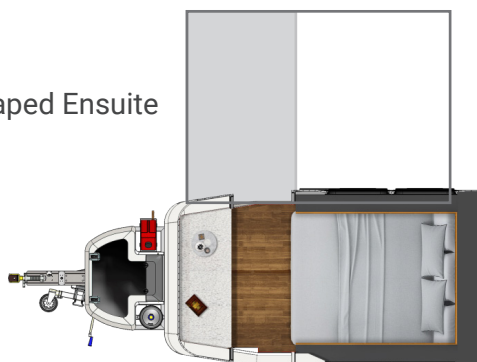

KUBE ENSUITE CUBICLE

KAG

- Right side awning with integrated ensuite cubicle
- Cubicle wall wraps around for total privacy.
- PVC floor

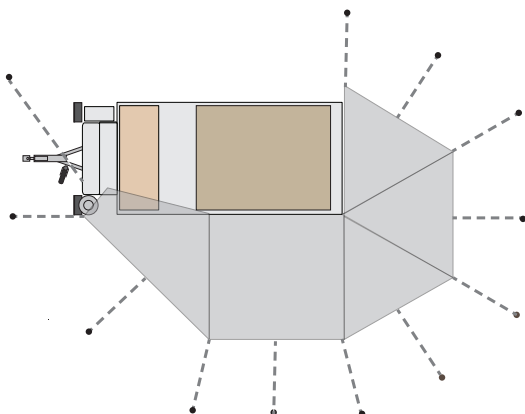

U-Shaped Ensuite

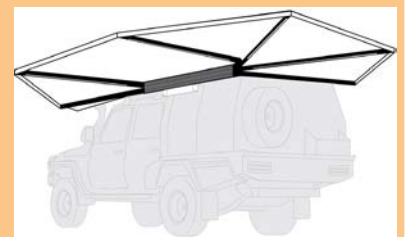

CANVAS

Darche 270° Awning

DARCHE 270° AWNING

- 11.5m² of cover and the most useable shape on the market
- Fully-enclosed transit cover and two-piece backing plate design maximises weather resistance while still retaining the ability to easily move the awning from one vehicle to another
- X-tube aluminium alloy rafter arms, backing plate & hinges designed using state-of-the-art techniques & simulation for incredible strength & durability
- Integrated dual-colour (white and amber) dimmable LED lights on four rafter arms.
- Additional height for headroom and water run off
- Heavy-duty 320gsm ripstop polycotton canvas with 3000mm waterhead rating
- All parts are designed to be replaceable for easy and low cost repair
- Wall kits available

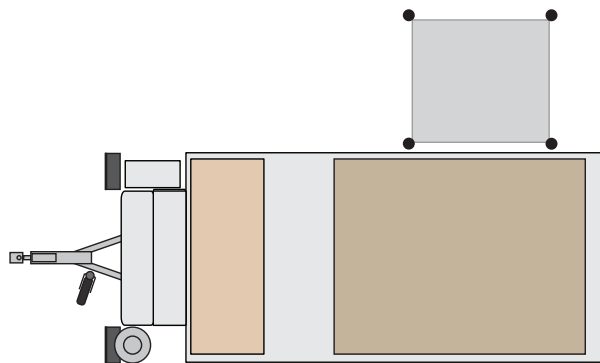

CANVAS

Darche Drop Down Ensuite Shower Cubicle

DARCHÉ DROP DOWN SHOWER

- Quick and easy privacy setup
- Detachable / roll back roof for great ventilation
- Wall weights sewn into the bottom hem ensure walls stay in place
- Zippered access via the corners
- Built-in dual-colour LED strips
- Includes 2 internal storage pockets plus hanging cord for a towel or toilet paper
- Includes Shower Awning Floor

CANVAS

Draft skirt (as shown on a Karavan)

DRAFT SKIRT

KAG

- Add a vinyl draft skirt to fully enclose your outdoor living space.
- Blocks wind and helps keep out the bugs.
- Fits to the contours of vehicle for snug fit.

Note: Shown on a Kimberley Karavan offroad caravan.

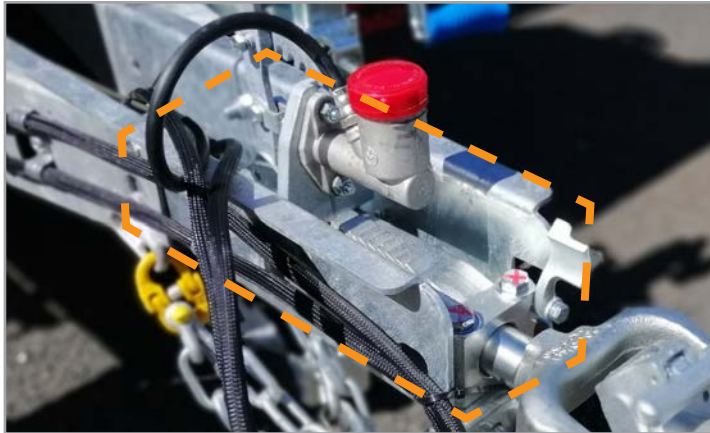

RHS Sail Track to Canopy

KAG

Add sail track to the right side:

- Allows for the attachment of additional awning, providing customisable shade and weather protection.
- Extends your outdoor area, creating more room for relaxation without being confined to the left side awning space.
- The sail track system enables quick and easy setup and removal of awnings or annexes, enhancing your camping experience with minimal effort.
- Offers additional shelter from sun, wind, or rain, making your campsite more comfortable in diverse weather conditions.

SUSPENSION & BRAKING

DRAWBAR EXTENSION

KAG

Benefits:

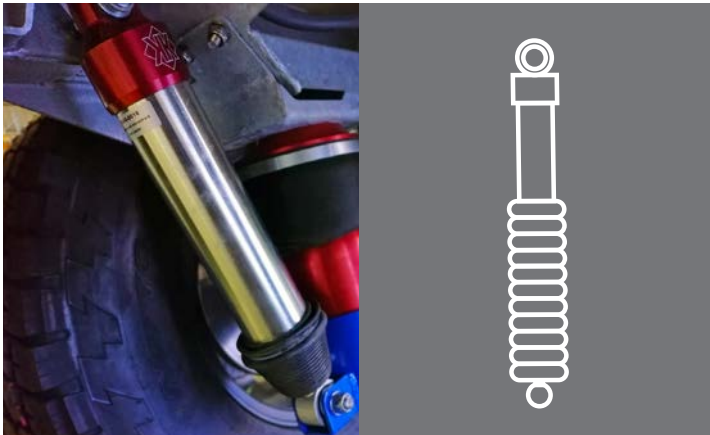

- Increases the turning radius, making it easier to navigate tight spaces or tricky terrain.
- Reduces the angle between the tow vehicle and camper, enhancing towing stability especially at higher speeds or on rough roads.
- Helps prevent the drawbar from dragging on steep inclines or rough exits, protecting both the camper and tow vehicle.

AIR HOSE KIT

KAG

- Heavy duty coiled compressor hose
- 3-in-1 digital tire inflator gauge
- adjustable air blow gun
- easily accessible air chuck on Kube
- comes with KK carry bag

REPLACEMENT MONO-TUBE SHOCK ABSORBER KIT

KAG

Big 2.5" mono-tube off-road racing shock gives a softer ride and superior corrugation protection.

Includes:

- 1x mono-tube shock absorber
- bushings
- shock boot and boot clamps

REMOTE RESERVOIR SHOCK ABSORBERS

KAG

- KK Shocks by Profender Racing
- Valved & made to our specifications
- Run cooler for longer on corrugations
- Improved consistency for offroad needs

SUSPENSION & BRAKING

SWINGARM REMOTE GREASING KIT SINGLE AXLE

KAG919S

The standard suspension greasing ports are accessed from underneath. The remote kit allows you to easily lube the swing arm pivots with simple and convenient grease ports on each side of the chassis. Just connect grease gun, inject and you are done.

Kit includes grease lines, fixings, fittings, brackets and greasing ports for 2 ports per side.

REPLACEMENT AIRBAG KIT

KAG

Air glide over corrugations. Adjust travel height for best towing stability. Raise/lower controls to level your campsite.

Includes:

- Airbag
- Fittings

AL-KO Over-ride offroad hitch

KAG

- Allows greater movement for tackling rough terrains, ensuring the tow vehicle and camper maintain connection.
- The override mechanism activates the trailer brakes if the tow vehicle brakes suddenly, enhancing control and safety.
- Built for tough conditions with materials that resist wear and corrosion, ideal for long-term off-road use.
- Simplifies hitching and unhitching with its user-friendly design, making your adventures more enjoyable.

Cruisemaster D035 offroad hitch

KAG

- Provides great stability when towing, especially on rough or uneven terrain, reducing sway and improving handling.
- Built with heavy-duty materials, this hitch is designed to withstand the rigors of off-road travel, ensuring longevity and reliability.
- The patented off-road coupling system make connecting and disconnecting the trailer simpler, even in challenging environments.
- Offers significant articulation for better ground clearance during off-road maneuvers.

SUSPENSION & BRAKING

McHitch offroad hitch

KAG

- The McHitch allows for high articulation in all directions, providing excellent ground clearance and reducing stress on the trailer and tow vehicle during off-road travel.
- Its unique design separates the point of attachment from the point of movement, minimizing wear and tear on both the hitch and the towing components.
- The use of a universal joint ensures smooth, rattle-free towing, enhancing the driving experience over rough terrain.

STONE DEFLECTOR

KAG

- Protect from stones and gibbers
- Custom-designed to suit the Kube
- Made from high quality truck mesh
- All fittings marine grade stainless steel

WHEEL STUDS AND NUTS

KAG

Wheel studs and nuts to suit your hub pattern and sizing.

WHEEL STUDS AND NUTS

KAG

Wheel bearing and seal kits are available to suit both Ø50mm & Ø60mm stub axles.

Includes:

- Bearings
- Washer
- Split Pin
- Cap
- Seal

COMFORT

DIESEL HOT WATER SYSTEM

KAG

- Uses diesel from the onboard fuel tank, which is often more economical than gas and widely available.
- Can simultaneously heat both water and cabin air, offering comfort during camping.
- Ideal for remote camping without reliance on electrical hookups, providing hot water consistently.
- Space-efficient, fitting well in a teardrop camper's limited space.
- Diesel systems produce less moisture inside, reducing the risk of condensation-related issues.

OUTSIDE HOT & COLD SHOWER

KAG

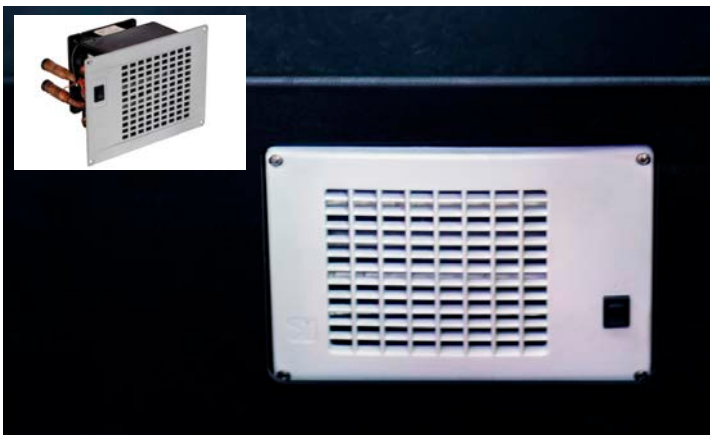

- Ability to use both hot and cold water for comfort tailored to weather conditions.
- Eliminates the need for an internal shower, maximizing living space inside the camper.
- Perfect for cleaning off after beach visits, hikes, or dusty trails, maintaining personal hygiene on-the-go.

DIESEL SPACE HEATER

KAG

Powerful 2kW diesel-powered air heater. Consumes minimal power & fuel. Remote display with stepless modulation control. Performs at high altitudes & with quiet operation.

2kW DIESEL-POWERED DUCTED AIR HEATER

KAG

This heater operates by circulating the heating fluid from the hot water system through its tubed heat exchanger. There is a choice of 2 "super quiet" fan speeds that have as much noise as a computer fan. This unit will operate as long as the hot water circuit is functioning which can be programmed to come on at any time.

COMFORT

ROOFTOP AIRCONDITIONER

KAG840

Ultimate efficiency: can run on batteries from inverter. Replenish power with solar.

- 2000W cooling capacity, it provides robust cooling for the camper's interior, ensuring comfort in hot climates.
- The RTX2000 can run on battery, making it suitable for off-grid camping with the Kube's power setup.
- Features an Eco mode for energy-efficient operation, extending battery life when off the grid.

POWERED FAN HATCH

KAG857

Provides excellent cooling of the vehicle by removing hot air.

- Ventilation: Efficiently removes moisture, heat, and odours.
- Cooling: Enhances air circulation, reducing the need for air conditioning.
- Light: Provides natural light, making the interior brighter.
- Convenience: Easy control with minimal effort for opening/closing.
- Safety: Reduces condensation, preventing mould growth.

12V FAN WITH TIMER

KAG0461_KR

The perfect choice for sleeping in comfort.

- Low Power Consumption: Efficient with minimal battery drain.
- Silent Operation: Quiet enough for use while sleeping.
- 360° Airflow: Gimbal design allows air direction in any angle.
- Timer Settings: Auto-shutoff options conserve power and comfort.
- Compact Design: Folds flat when not in use, saving space.

FLY SCREENS TO CABIN DOOR - MAGNETIC

KAG234S

- Removable midge screen doors.
- Easy to install with press studs across top and velcro sides and bottom
- Magnetic border on opening for easy entry.
- Allows fresh air to circulate while keeping bugs out, enhancing comfort & reduces the need for air conditioning
- Shield yourself from insects
- Provides an extra layer of privacy when doors are open.
- Easy access in and out without worrying about unwanted pests.

COMFORT

MESH STORAGE BAGS BESIDE DOORS

KAG

- Utilize vertical space for storage, maximizing the compact interior.
- Items are easily reachable near the entry points, reducing clutter inside.
- Mesh allows air circulation, keeping stored items dry and reducing odours.
- Keeps small items like hats, gloves, or charging cables organized and visible.
- Adds storage without significant weight, ideal for off-road travel.

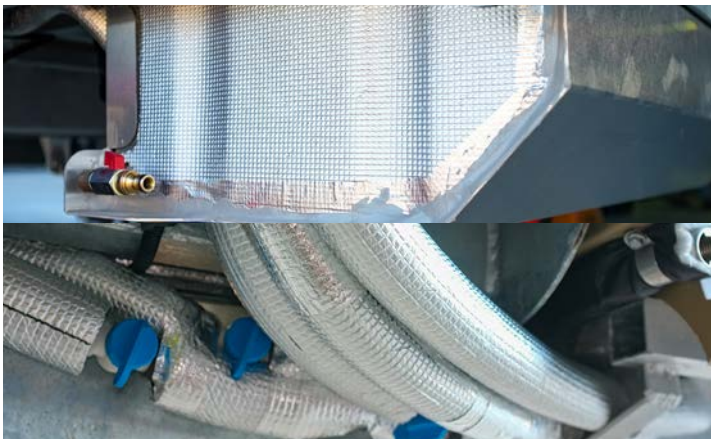

PANORAMIC WINDOWS

KAG

Large panoramic windows with insect mesh screens and privacy blinds. 2x are opening for great cross-breeze airflow.

- Ventilation: Promotes air flow, reducing need for AC.
- Privacy: Tinted glass and screens block outside views.
- Bug Protection: Screens keep insects out while windows are open.
- Light Control: Reduces harsh sunlight and glare inside.

WINTERIZE PLUMBING & WATER TANKS

KAG9712

- All plumbing pipes & water tanks insulated.
- Heating elements added to prevent water from freezing and damaging tanks and plumbing.
- Reduces heat loss, which can lower the energy needed to heat water.

COMFORT

BLUETOOTH SOUNDBAR

KAG0392

- Versatile Connectivity: Works with smartphones, USB, and MP3 players.
- Wireless Freedom: Stream audio without cables, perfect for limited space.
- Remote Control: Adjust settings from anywhere in the vehicle.
- Energy Efficiency: Low power use, ideal for off-grid living.
- Enhanced Audio: Improves sound experience in a confined space.

24" SMART LED TV + MOUNTING BRACKETS

KAG

- 24" LED TV fits a small space without overwhelming the area.
- LED technology conserves power, vital for off-grid.
- Light and easy to mount or move.
- Offers a range of viewing options.
- Includes mounting brackets for using TV outside & padded bag for travel.

STARLINK SYNCHRO-KIT

KAG

Upgraded 12V Wifi Modem, modified Dishy cable, internal and external wall sockets installed - Modem is POE, 2.8Dbi internal boost aerial for increased super fast range (only need dish).

MISSION CRITICAL COMMS PACK-CEL-FI GO FOR Telstra

KAG

The Telstra CEL-FI GO offers:

- Signal Boosting: Increases weak signal strength for better connectivity.
- Voice and Data: Enhances both call quality and internet speed.
- Coverage: Provides coverage where there's minimal or no service

COMFORT

Starlink Portable Internet System

Kimberley Kampers are now offering a custom bag to suit the Starlink RV Portable Satellite Internet kit. The Starlink RV Kit is supplied in a cardboard box which is protected by the Kimberley Starlink Storage Bag.

The supplied box does a good job of accommodating the kit, but is prone to water damage and is awkward to handle. Our water resistant canvas bag will keep it dry when you are setting up on a damp surface.

Generous webbing handles are stitched into the side and make it easy to handle and store this kit as you use it at home and off the road.

The discrete nature of the bag also disguises the valuable item inside (the box features bold Starlink branding which may attract unwanted attention from would-be thieves).

(This Option is for the Storage Bag only - Starlink RV System is to be supplied by customer).

STARLINK PORTABLE INTERNET BAG

KAG4002

- water-resistant canvas bag
- heavy duty YKK zippered top flap for easy opening
- webbing handle - fully stitched to sides

COMFORT

ROOF LINING

KAG

- Marine grade, water proof carpet.
- Prevents water damage, ideal for humid or rainy conditions.
- Resistant to mould, and mildew, ensuring longevity.
- Provides sound insulation, enhancing the interior quietness.
- Adds a cozy, finished look to the camper's interior.
- Simple to clean, maintaining a fresh environment.

SIDE WALL LINING

KAG

- Side wall lining in hard wearing automotive grade vinyl.
- Protects against moisture, reducing the risk of mould and mildew.
- Offers acoustic and thermal insulation, improving comfort.
- Spills and dirt can be easily wiped away, maintaining cleanliness.
- Enhances the camper's interior look with a soft, home-like feel.

OVERHEAD CUPBOARDS

KAG

- Huge storage in Overhead bed cupboards x3 sides in x6 cupboards.
- Utilizes vertical space efficiently in a compact environment.
- Items are within easy reach, especially from the bed or main living area.
- Keeps clothes and essentials neatly stored and out of sight.
- Reduces clutter on the floor or surfaces, making the interior feel more spacious.

PREMIUM VINYL PLANK FLOORING

KAG

Features:

- Water Resistance: Ideal for wet conditions or spills.
- Durability: Withstands heavy use and movement.
- Easy Maintenance: Easy to clean, no need for special treatments.
- Comfort: Offers warmth underfoot, insulation against cold.

COMFORT

INTERIOR FINISH - 'NATURAL'

KAG

- Fawn Roof Finish: Offers a light, airy feel, enhancing the perception of space.
- Black or White Bench Tops: Adds a modern, clean look, providing contrast and a practical, easy-to-clean surface.
- Sand Bed Walls: Creates a warm, inviting sleeping area with a natural, earthy tone.
- Brown Timber Floor: Brings warmth and a rustic charm, complementing the overall 'NATURAL' theme while being durable.

INTERIOR FINISH - 'CONTEMPORARY'

KAG

- Light Grey Roof Finish: Creates a modern, open atmosphere in the cabin.
- Black or White Bench Tops: Provides a sleek, clean, and versatile look for a minimalist aesthetic.
- Grey Bed Walls: Offers a cool, calming backdrop to the sleeping area, aligning with modern design trends.
- Slate Timber Floor: Adds a touch of sophistication with its dark, elegant finish, enhancing the contemporary vibe while remaining practical.

STORAGE & CARRIERS

UNIPOD - 450L FRONT STORAGE BOX

KAG

Fibreglass composite front storage box, large open storage space, holders for 1 x 20L jerry can, 1x 4kg LPG bottle. Angled polyurethane-coated aluminium stone guards and heavy duty off-road mudflaps.

MULTIBOX - 320L FRONT STORAGE BOX

KAG

Powder-coated aluminium front storage box, lid opens for easy access for lifting out a generator etc. Holders for 1 x 20L jerry can, 1x 4kg LPG bottle. Polyurethane-coated for stone protection.

LARGE UNDERBED STORAGE DRAWER

KAG

- Utilizes the often-wasted area under the bed for storage.
- Easy access to stored items without disturbing the bed setup.
- Keeps gear and supplies neatly organized and out of sight.
- Accommodates larger items like camping equipment, clothing, or provisions.
- Allows for quick packing and unpacking, enhancing camping efficiency.

KARGO KARRIER (LUGGAGE RACK)

KAG815

Add this to your multibox for a convenient way to carry firewood or other items you'd rather keep outside your Kube. Features gas-strut assistance so multibox lid can be easily opened.

STORAGE & CARRIERS

UNDERBED STORAGE BAG KIT

KAG4008

Canvas bags with zippered clear tops and integrated handles. Make it easy to pack, handle, organize clothes and other softgoods in your underbed drawer.

Kit includes:

2x Underbed Storage Bag Small (available as KAG4006)

2x Underbed Storage Bag Large (available as KAG4007)

RHINO AERO VORTEX BARS (Fitted)

KAG

The SX roof rack system is designed specifically for use with roofs that feature rails. Easy to install and remove, it comes with security hardware to protect your racks against theft.

An added benefit of using Vortex bars is that you'll have access to a wide selection of compatible Rhino-Rack accessories.

So whether you're a traveller, cyclist, surfer or tradesperson - the SX roof rack system has you covered.

EXPEDITION KRUZ ROOF RACK WITH PLATFORM

KAG

The Kube Kruz Expedition Roof Rack with platform, work lights, and flyover solar boosts your off-grid adventures.

The rack adds storage for gear, work lights aid nighttime setup, and 400W solar powers essentials, extending trips.

Durable and lightweight, it suits rugged terrains, integrates with the Kube's lithium battery, and supports sustainable energy.

Expedition Kruz Roof Rack - camping work light

Fly over solar panels for 400W capacity

Rear platform for bulky light storage items

STORAGE & CARRIERS

BICYCLE CARRIER - By iSi Bike Carriers

The most advanced off-road teardrop camper trailer demands the very best in aftermarket equipment.

The iSi Advanced Bicycle Carrier System is designed specifically for the Kimberley Kube and allows the adventure seeking traveller to tour remote regions with bicycles on board. There's nothing better than camping in those special spots - in comfort and safety with the Kube - with the ever ready option to explore further by bicycle.

Based upon a special combination of our Extreme Duty modular bicycle carrier components, the iSi Advanced Bicycle Carrier System for the Kimberley Kube delivers the maximum convenience with bicycle loading and unloading in seconds and complete load security over the harshest terrain on the planet - and no straps or cords to fail along the way.

ISI TWIN BICYCLE CARRIER

KAG814

Includes:

- iSi Kimberley Kube Extreme Duty Bicycle Carrier
 - Custom mounting beam designed to suit Kimberley Kube
- ADD KAG814V Extra Towhitch Mount and use on vehicle.

POWER

12V OUTLETS / 240V OUTLETS

KAG

- Charge phones, power lights, or run small appliances directly.
- Use gadgets for entertainment or work.
- No need for additional power sources or extension cords.

12V USB-C OUTLETS - INSIDE / OUTSIDE

KAG

- Power phones, tablets, or small devices directly with USB-C outlets.
- Stay entertained or productive using your gadgets.
- No extra chargers or cords required.

ANDERSON PLUG CONNECTION

KAG

An Anderson plug charging cable connection offers benefits for powering electrical systems in rugged, remote environments:

- High Power: Handles up to 50A, perfect for charging batteries
- Durable: Built to endure dust, moisture, and rough off-road conditions.
- Easy to Use: Quick, secure, genderless connection for fast setup.
- Safe & Reliable: Stable power delivery with minimal risk of shorts or disconnections.

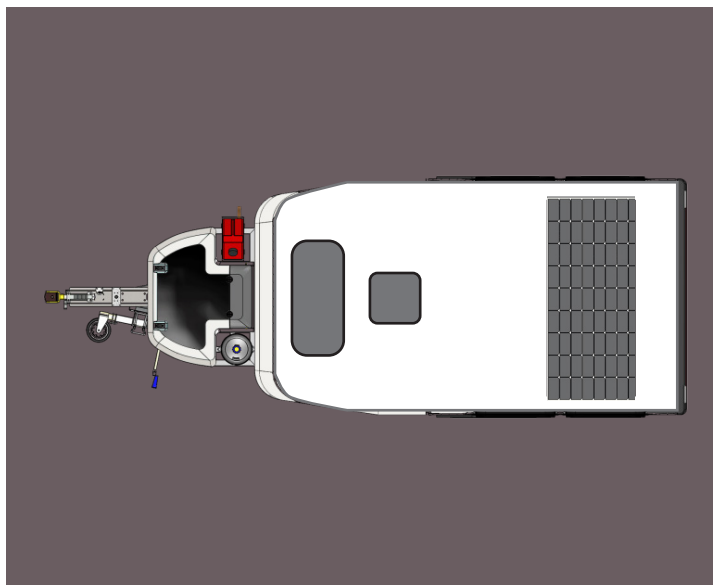

12V DC-DC BOOSTER

KAG

A DC-DC booster converts and regulates voltage to efficiently charge your battery. It ensures optimal charging and maintains power stability, making it ideal for off-grid setups like campers. Charges battery from vehicle alternator or solar (MPPT built-in).

- Auto-switches power sources
- Multistage charging extends battery life
- Compact, rugged for off-road use
- 40A output, supports Lithium batteries

POWER

200W ROOF SOLAR PANEL

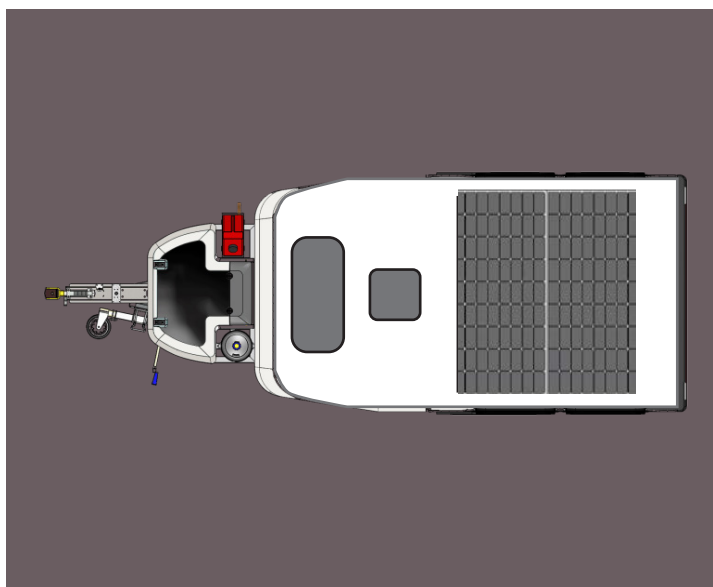

KAG

200W roof mounted solar with 20A MPPT regulator.

- Utilize unused roof space for power generation.
- More solar capacity leads to greater energy independence.
- Less reliance on generators or shore power.

NOTE:

Solar capacity is on roof rack option - check with your dealer.

400W ROOF SOLAR PANEL

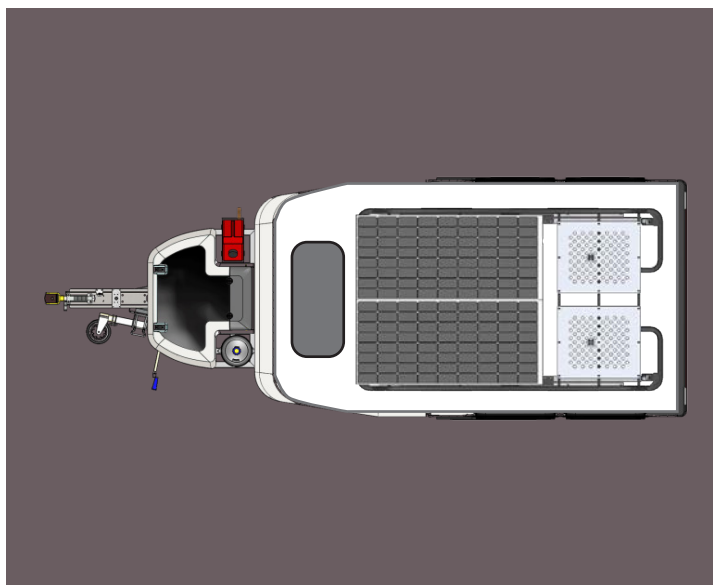

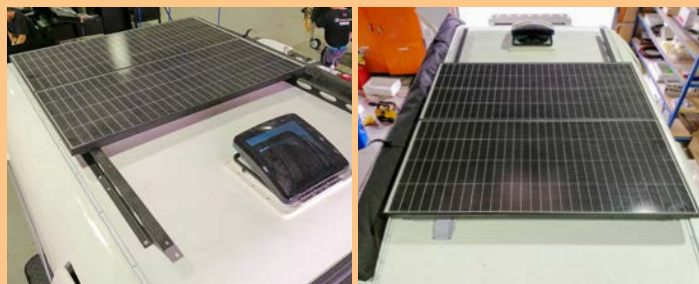

KAG

400W roof mounted solar with 40A MPPT regulator.

- Utilize unused roof space for power generation.
- More solar capacity leads to greater energy independence.
- Less reliance on generators or shore power.

NOTE:

An airconditioner cannot be fitted with this 400W solar option.

400W ROOF SOLAR PANELS

KAG

400W roof mounted solar with 40A MPPT regulator.

Panels are mounted on the KK Kruz Rack 'flyover' brackets.

- Utilize unused roof space for power generation.
- More solar capacity leads to greater energy independence.
- Less reliance on generators or shore power.

NOTE:

An airconditioner can be fitted with this 400W solar option.

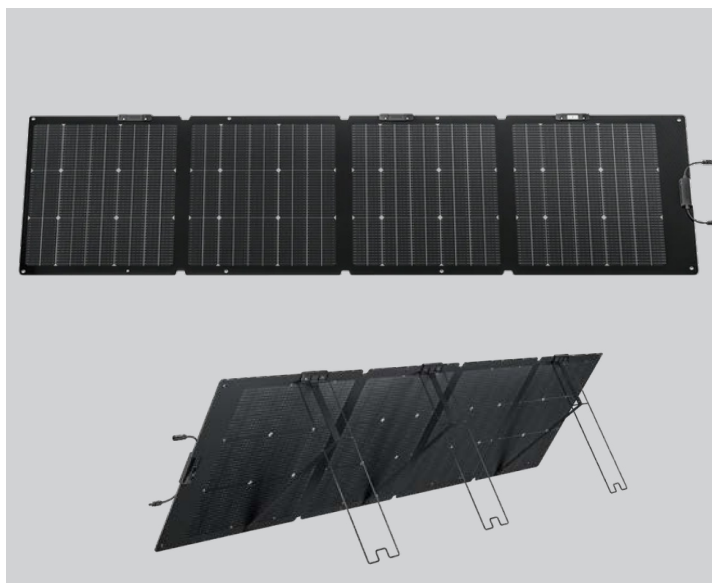

SOLAR POWER

PORTABLE SOLAR KIT

EcoFlow NextGen 220W Bifacial Portable Solar Panel

- Collect up to 25% more energy with a two-in-one bifacial design
- Up to 25% conversion efficiency rate
- 30-60° adjustable angle bracket and integrated solar angle guide
- Durable tempered glass & ETFE coating; built to last
- Lightweight and compact; ultra portable
- IP68 rating protects against water and dust

220W PORTABLE SOLAR KIT

KAG3986

The EcoFlow NextGen 220W Bifacial Portable Solar Panel Kit provides:

- Increased Energy Capture: Bifacial design absorbs light from both sides, up to 25% more energy.
- Portability: Lightweight and foldable for easy storage and transport.
- Durability: IP68 rating ensures resistance to water and dust.
- Efficiency: Up to 25% conversion rate for faster charging.

COOKING & KITCHEN

LARGE SLIDE-OUT OUTDOOR KITCHEN

KAG

- Slide-out kitchen has room for utensils, crockery & food.
- Cooker draw suits 2 burner or WOK cooker.
- Provides ample room for meal preparation outdoors.
- Enjoy cooking in nature.
- Gas cooking is quick to heat up and offers precise control over cooking temperatures
- Includes compartments for utensils and supplies, keeping everything organized and accessible.

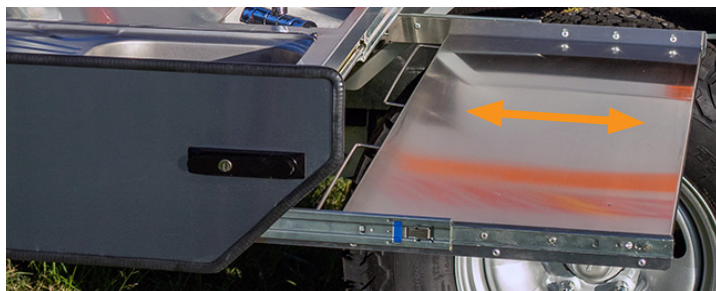

130L UPRIGHT FRIDGE

KAG

This 12V fridge offers:

- Energy Efficiency: Runs on the trailer's 12V battery.
- Space Saving: Compact design fits well in small spaces.
- Freshness: Keeps food and drinks cold, preserving perishables longer.

SLIDE OUT BREAKFAST TABLE

KAG020

- A convenient spot for meals or relaxation outside.
- Retracts when not in use, maintaining a compact footprint.
- Enhances the outdoor kitchen for both cooking & dining.
- Can be used for various activities like eating, prepping, or even as a workbench.

2X BURNER GAS COOKTOP

KAG

- Fits neatly into the slide-out kitchen, saving space.
- Allows for outdoor cooking, keeping the camper's interior clean.
- Offers the flexibility to cook multiple dishes simultaneously.
- Built to withstand outdoor conditions.

WOK BURNER

KAG605

- High-output low pressure WOK burner - 14.5Mj
- Full Stainless steel body construction
- Heavy duty cast iron WOK supports
- Quick-connect gas fitting included
