IMPORTANT

While we make efforts to ensure that our lists of doctors and hospitals are up to date and accurate, providers do leave our networks from time to time, and these listings do change. There are hospitals, doctors or other providers who are not included in every plan network. **Please make sure you are searching the right network.** Logging in as a member is the most accurate method to search for providers in your plan network. You may also enter your Prefix (the first three values of your member number on your ID card). There may be higher costs to you if you visit a provider who is not in your plan network. We recommend you contact the provider to confirm that they are in your plan network and that the desired service is covered.

If you are an HMO member, you may need a referral from your Primary Care Physician (PCP) before you receive care for non-emergency services.

Found inaccurate, incomplete, or misleading information in this directory? Members can [contact us](#) to report inaccurate, incomplete, or misleading information.

For certain non-urgent outpatient medical services and surgeries, we do site-of-service reviews. These reviews find healthcare facilities that offer the same service and quality at a lower cost to help you save money. For example, we might recommend you go to a freestanding same-day surgery center instead of a hospital-based outpatient clinic. The location change may impact whether or not your doctor will be able to do the procedure. If not, we can help you find another doctor in your plan's network.

To our knowledge, the provider information contained in this printed directory is accurate as of the date of printing but all information is subject to change and updates. There may be higher fees associated with visiting a doctor who is not in our network or for obtaining a service that is not covered by your plan. You may be responsible for those costs. To avoid higher fees we recommend that you confirm your doctor is in network and that the desired service is covered when scheduling your appointment.
