Global Privacy & Data Integrity Policy

---

1. Data Sovereignty

- We respect the architecture of your attention and the privacy of your data.
- We collect only the essential information—typically name and professional email—required to deliver requested insights and protocols.
- We never sell, lease, or share your personal data with third parties.

2. Communication Integrity

- All dispatches are designed to be high-value and sensory-minimal.
- We do not engage in high-stimulation marketing or frequent "hype-based" sequences.
- You maintain full agency over your subscription and may cancel or opt out at any time via the link provided in every email.

3. Security

- We utilize industry-standard encryption to protect your internal data from unauthorized access.
