Orthopaedic Conference & Expedition to Antarctica

Orthopaedics and Sports Medicine: "Breaking the Ice"

Innovation And Collaboration At The Edge Of The World

December 7 - 18, 2019

Keynote Speaker: Dr. Bernard F. Morrey

Conference Convenors: Dr Desmond Bokor (AUS), Dr Chris Dodd (UK), and Dr Derek Papp (USA)

120 Attendees Only

REGISTER NOW

> *" Life is not measured by the number of breaths we take,*
> *but by the moments that take our breath away. "*

Dear Colleagues,

You are invited to join an extraordinary Conference & Expedition going to one of the most remote locations on earth, Antarctica!

Join us on this engaging and adventurous alternative to traditional land based conferencing where all your accommodation, conference activities and social events will be experienced on a luxury ship, sailing through some of the most spectacular natural scenery to be found on earth.

Your conference conveners - Dr. Desmond Bokor (AUS) Dr. Chris Dodd (UK) and Dr. Derek Papp (US) are putting together a truly unique and fascinating conference program, highlighted by our internationally renowned Keynote Speaker, Dr. Bernard Morrey.
Facilitated through Quark Expeditions the conference will take place on the brand new World Explorer - inaugural voyage in March, 2019.

Our conference convenors are eminent experts in their fields and come from three major continents. They will be assembling a program which will offer an outstanding diversity of knowledge, topics and discussion reflecting the heterogeneity of clinical practice throughout the European, American and Australian-Pacific regions.

Conference Theme: "Orthopaedics and Sports Medicine in Antarctica: Breaking the Ice": Innovation And Collaboration At The Edge Of The World. **CPD/CME Credit Hours:** 36.

Our journey to the bottom of the world would not be complete without exploring the history of polar exploration, polar ecology, and the health impacts of global warming.

Specially selected international speakers will be joining us for the duration of the conference and expedition who can be found in this Invitation.

Des, Chris and Derek are seeking genuine expressions of interest from potential attendees who want to come on this 12 day/11 night Conference & Expedition, December 7th - December 18th, 2019.

We would love you to join us on this unique and unforgettable voyage.

The purpose of this page is to offer you the opportunity to register your interest in attending this conference and expedition to Antarctica. This will let us know that you are highly motivated to secure your place to sail with us, in what we anticipate will be a sell-out event.

You will be under no financial obligation until the time that payment of deposits are required (details on conference costs, cabin selection, bookings/deposit payments are outlined below).

Space is limited. We have 60 double occupancy cabins for this conference (120 guests total*). One partner/travel companion per Delegate is encouraged.

The order in which Delegates register their interest is integral to securing a place.
Once you register your interest - and once we receive enough registrations - we will be able to finalise and confirm that this Antarctica Expedition Conference will proceed.

Important: Once we receive your interest notification, you will then be added to an exclusive list, and only those on this list will be sent a Conference & Expedition Invitation. This will be sent to you via email within 3 - 5 working days (after registrations close), with a link so that you can make your booking and pay your deposit.

You will need to follow the instructions in that invitation in order to confirm and secure your place for the Conference & Expedition. *A 20% deposit (approx. US$3,000pp) will need to be paid upfront at the time of making your booking. Full payment comes later (2019) - details below.

Once invitations are sent, places will be booked on a 'first come, first served' basis. So be sure to keep an eye on your inbox for your invitation which will have all the necessary details, outlining exactly what you need to do to secure your booking.

Right now, doors are open for registrations.

This registration page will only remain open while spaces on the venture are available.
The estimated cost per person is USD$15,500 - USD$18,395 based on double occupancy/per person sharing, and depends on cabin selection.

Scroll down to find more detailed information about the Conference & Expedition and the costs involved to attend.

Please Note: Cost does not include international air, or the internal charter flight (which must be booked through Quark Expeditions. There will also be a Conference Fee - find details below.

With so many fantastic inclusions and so much to look forward to during your Conference & Expedition experience, we have included a lot of exciting details on this registration page (please see below).

Scroll down to learn more about our Conference Speakers, the conference schedule & ship itinerary, the shore excursions and expedition activities, the ship itself - including all on-board amenities, plus all the other special extras you'll get to experience and enjoy whilst on a Quark Expeditions voyage to Antarctica.
Conference details and details of our invited speakers will be made available over the next few weeks.

When you are ready to commit, hit the "Register Now" button, and add your name and email to let us know that you are interested in attending.

Warm regards,

Your equally excited Conference Conveners:
Dr. Desmond Bokor, Dr. Chris Dodd and Dr. Derek Papp.

SPEAKERS

Dr. Bernard F Morrey M.D

Bernard F. Morrey, M.D., worked at NASA as an aerospace engineer for two years before receiving an MD degree from the University of Texas Medical Branch.

He is a Fulbright Scholar and is the former chair of the Department of Orthopedics at Mayo Clinic and a member of the Board of Governors of the Mayo Clinic.

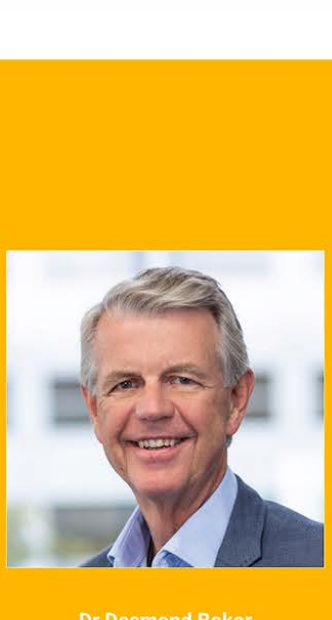
He served as a member and consultant to the FDA Orthopedic Device Panel for 15 years.

He is past president of the American Academy of Orthopaedic Surgeons (AAOS), of the American Orthopaedic Association (AOA) and of the American Shoulder and Elbow Surgeons (ASES).

He is the past chair of the Board of Trustees of the J BJS and of the of Shoulder and Elbow Surgeons.

He holds 10 patents for orthopedic devices, and he has authored 12 major textbooks under four different titles, translated into six languages.

He has authored over 435 peer-reviewed publications.



Dr Desmond Bokor

Dr Des Bokor is an Orthopaedic Surgeon with a subspeciality interest in shoulder and elbow surgery. His research interests are in the areas of instability, biomechanics including WiFi monitoring of joint replacement and arthroplasty design.

He has numerous publications in journals, book chapters and seminars. He graduated from Monash University in Melbourne with Honours and completed his Orthopaedic Training in Sydney on the Australian Orthopaedic Association Training Programme. Following this he completed fellowships in Sports Medicine/Knee Surgery in Sydney with Drs Mervyn Cross and Leo Pinczewski and then spent time at the University of Western Ontario, Canada, as a Fellow training in Shoulder Surgery with Dr Richard Hawkins.

He has a Masters of Higher Education (Medical) from Macquarie University. He is a founding member of the Shoulder and Elbow Society of Australia and has held the positions of both Secretary and President. He is also a corresponding member of the American Shoulder and Elbow Surgeons Society, the Australian Orthopaedic Association and the Australian Medical Association. Des Bokor is an Examiner in Orthopaedic Surgery on the Royal Australasian College of Surgeons, Court of Examiners. He is also a Sub-Editor for the Journal of Shoulder and Elbow Surgery and a reviewer for the Malaysian Orthopaedic Journal.

He is currently the Associate Professor in Orthopaedic Surgery in the Faculty of Medicine & Health Sciences at Macquarie University, Sydney, NSW Australia. He works at both the Macquarie University Hospital and the Sydney Adventist Hospital. Des Bokor is a consultant to a number of orthopaedic companies including: Mathys Orthopaedics, Zimmer-Biomet, Wright Medical, Smith & Nephew.

Dr Derek Papp

Dr. Derek Papp is an orthopedic sports medicine physician with the Miami Orthopedics and Sports Medicine Institute, Assistant Professor of Orthopaedic Surgery at Florida International University, and a team physician for the Baltimore Orioles.

He attended the Johns Hopkins School of Medicine and stayed there for his internship and residency training in orthopedic surgery.

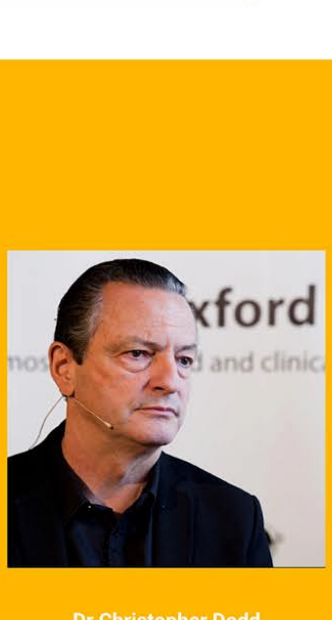
After doing a sports medicine fellowship at Doctors Hospital in Coral Gables, he returned to Baltimore and served as part-time orthopaedic surgery faculty at the Johns Hopkins Hospital.

His clinical interests include sports medicine, the throwing shoulder, and elbow.

On a fun note, he served as MLB's venue physician in Seoul, Korea during the 2017 World Baseball Classic as well as in Mexicali, Mexico during the 2016 qualifier.

He has been a member of the Major League Baseball Team Physicians Association since 2014.

He currently appears regularly South Florida PBS' The Health Channel" as both a host and expert guest.



Dr Christopher Dodd

Mr Chris Dodd is a specialist in adult knee surgery and an expert in unicompartmental knee replacement which makes up 80% of his practice.

He trained at Sheffield University and after undertaking a Clinical Fellowship at Johns Hopkins University, USA, and a Clinical Readership in the Nuffield Department of Orthopaedic Surgery, University of Oxford, was appointed as a Consultant Surgeon at the Nuffield Orthopaedic Centre in 1992.

Mr Dodd is a Designer Surgeon of the Oxford Knee.

Mr Dodd maintains a high profile on the national and international circuit lecturing on knee surgery and is a past President of BASK and the EKS.

He was the educational secretary of BASK and maintains a high profile in International Orthopaedics.

Why Quark?

"Since 1991, and our first-ever tourism transit of the Northeast Passage, Quark has been blazing trails in Polar adventure travel. This is just one reason we're a uniquely qualified company to ensure a trip of a lifetime."

Conference Schedule & Expedition Itinerary

Orthopaedics and Sports Medicine: "Breaking the Ice" promises to be a very comprehensive educational program including lectures, workshops and problem based learning discussions.

Day 1: Arrive & overnight Ushuaia, Argentina - the world's most southern town.

With a population of more than 63,000, Ushuaia is the southernmost city in the world.

Although the city has grown during the past few years, it retains an easygoing and accessible feel. Surrounded by the sea to the south and the mountains to the north, Ushuaia is a spectacular departure point for your Antarctic cruise.

If you arrive early, you can spend time in nearby Tierra del Fuego National Park, enjoy Argentine wines and barbecues in the city, or visit the many boutiques and cafés before you leave for your expedition to Antarctica.

Day 2: Embark Quark World Explorer

Embarkation will occur in the late afternoon, after which your vessel will sail through the historic Beagle Channel.

This famous channel transects the Tierra del Fuego archipelago in the extreme south of South America.

Expect an air of anticipation as you depart—the next time you'll see land, you'll be in the world's most southern continent!

Day 3 & 4: Crossing the Drake Passage / Conference Schedule

SOUTH PACIFIC
SOUTH ATLANTIC
DRAKE PASSAGE
SOUTHERN OCEAN
Antarctic Peninsula
Weddell Sea

Your days at sea are filled with presentations led by your Expedition Team who will prepare you for the wildlife, geology and history that will greet you upon your arrival. In between presentations spend time on deck looking for wildlife or chatting with your shipmates over a drink at the bar.

Conference schedule to be announced.

Day 5 - 9: South Shetland Islands and Antarctic Peninsula

Once the Antarctic Convergence is left in our wake, you will truly begin your Antarctic adventure. It is perhaps the first sight of land itself that is embraced as the true beginning of any Antarctic expedition. You will begin to appreciate why this region has long captivated the attention of explorers and travelers alike.

Every time we visit Antarctica, we witness something new or unexpected, which means that your expedition will be unlike any other—creating a unique, personal experience.

Each day, you will take Zodiac excursions from the ship to explore local bays, channels and landing sites. With wildlife always at the forefront of our minds, you will visit penguin rookeries, scout for humpback and minke whales, and search for a number of southern seal species, including the cunning leopard seal.

The majesty of the Antarctic Peninsula's mountains will enchant as you scramble up snowy pathways to vantage points offering you 360° views of your surroundings. One of these in particular, in Danco Island, affords us the opportunity to visit a penguin colony high up on a ridge. Here, you'll have the choice between hiking to the island's summit or spending time sitting quietly on a pebbled beach, enjoying the antics of curious penguins. If you're feeling extra adventurous, participating in the Polar Plunge swim is about as crazy as it gets!

Amid the serene silence of Antarctica, noisy interludes become indelible memories, such as penguins squabbling over prized pebbles, or the boom and crack of a calving glacier in Neko Harbour.
Each day will be different, having been carefully crafted by your Expedition Team to entertain and educate you about this wonderful part of the world.

Conference schedule to be announced.

Day 10 & 11: Crossing the Drake Passage / Conference Schedule

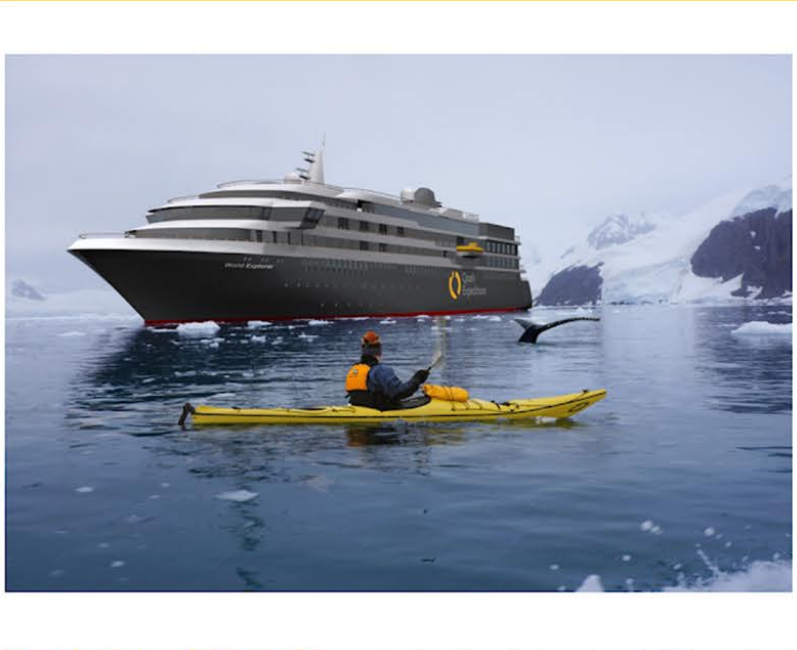
The journey back across the Drake Passage provides final opportunities to enjoy the crisp Antarctic air. Spend time on the deck, watching for seabirds and scouting for whales, enjoy presentations by your Expedition Team, or simply relax and reminisce about your experiences.

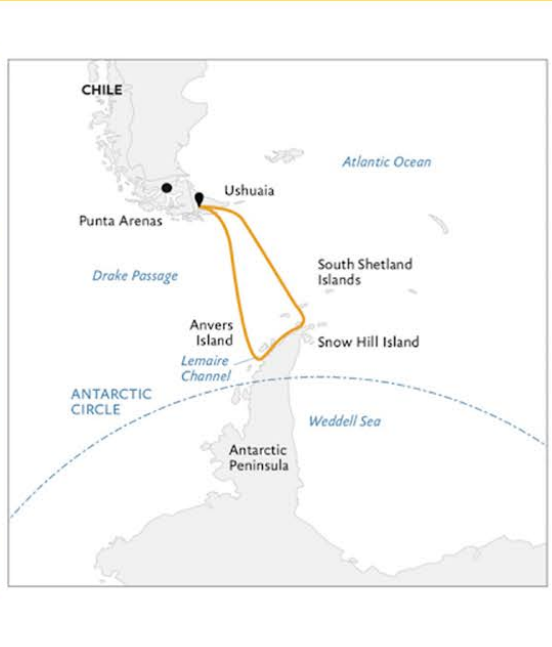
Conference schedule to be announced.

Day 12-13: Disembark in Ushuaia

You will arrive in Ushuaia in the morning, which allows for you to continue your adventure on land or catch your flights home.

REGISTER ME NOW - I'M IN!





Quark Expeditions® reveals the latest addition to its Antarctic fleet – World Explorer, its fastest and finest expedition ship to date.

Inaugural Voyage: March, 2019 **Capacity:** 176 guests **Year Built:** 2019 **Crew:** 125 **Length:** 413 feet

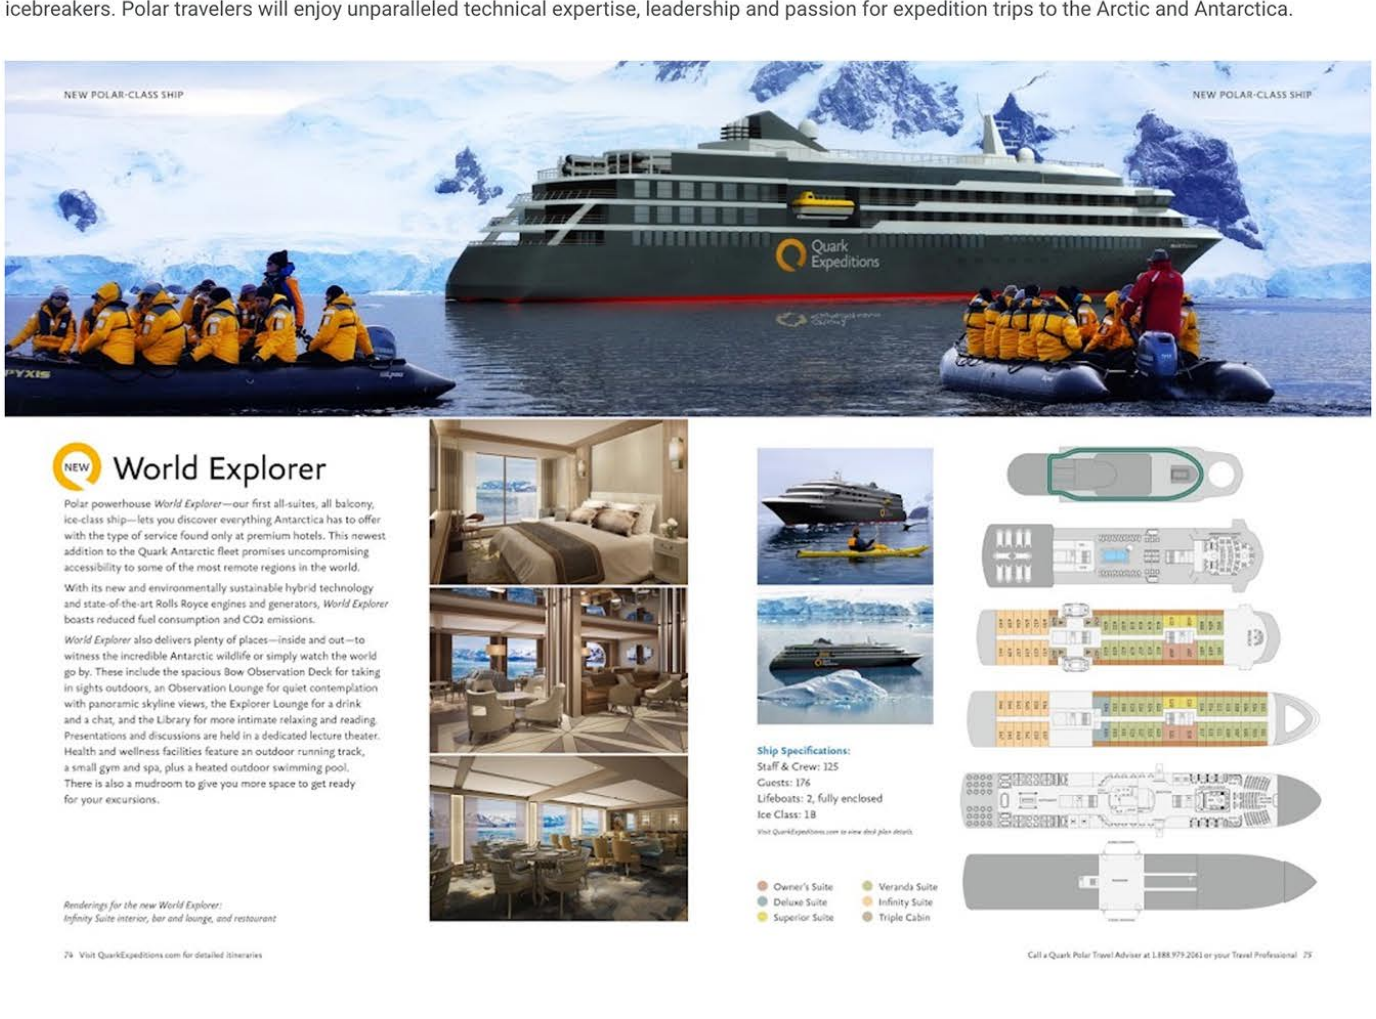
As a hybrid polar-capable ice class 1B expedition vessel it is able to run on electric motors that minimise noise, meaning travelers can fully immerse themselves in the pristine, natural wonders of Antarctica with only the sound of cracking ice. The environmentally friendly hybrid propulsion system of the ship allows for lower CO2 emissions by incorporating state-of-the-art Rolls Royce diesel/electric engine technology.

"As the world leader in remarkable polar adventures, we constantly explore new ways to enhance the traveler experience," says Quark Expeditions® President Andrew White. "With two powerful Rolls Royce engines and six tiers of deluxe accommodations featuring balconies across all suites, World Explorer is Quark's fastest and finest ship to date.

From an outdoor running track and heated pool to an exclusive spa and sauna, passengers will enjoy touches of luxury throughout their authentic polar expedition."

Polar Experts Since 1991-

Since 1991, Quark Expeditions has specialized in expedition cruising to the Arctic and Antarctica, in ships with ice-strengthened hulls or in icebreakers. Polar travelers will enjoy unparalleled technical expertise, leadership and passion for expedition trips to the Arctic and Antarctica.



Conference & Expedition Costs

What will it cost for Delegates and their partners/travel companions to join the Conference & Expedition?

Please note: None of these amounts are due at this time. You will receive further details about how to pay this at a later date.

1. Conference & Expedition Co-ordinator Fee: US$250 per person

What is this for?
All Conference attendees, plus those individuals coming along as partners/traveling companions are required to pay this $250 fee. This is part of your conference registration cost.

Partners and traveling companions will be able to attend any conference lectures which they might find of interest.

When & how do I pay for this?
This will be due to pay at the time of booking.

Once you proceed to book (by clicking on one of the 'Book Now' buttons on this page), you will be asked to add your name and email. You'll then be re-directed to a Thank you page which will take you through the 3 simple steps you need to take to secure your booking (paying this US$250 per person, Conference & Expedition Co-ordinator Fee is Step 1).

---

2. Orthopaedics: *'Breaking The Ice'* Conference Fee: US$1,750 per Delegate

** This includes your US$250 Co-ordinator fee*

What is this for?
* Only Delegates participating/attending the content scheduled for the Orthopaedics *'Breaking the Ice'* Conference - the talks, lectures & breakout sessions - are required to pay this US$1,750 fee.

Partners/traveling companions of Delegates are NOT required to pay this fee.

When & how do I pay for this?
The US$1,500 balance of the Conference Fee will be billed separately and payable AFTER your initial co-ordinator fee and voyage deposit (see below) has been processed and confirmed.

You will receive further details about how to pay this at a later date.

---

3. Voyage Cost 12 nights / 11 days — USD$15,500 - USD$18,395 per person sharing / double occupancy

What is this for?
This covers your 12 day, 11 night ship & hotel accommodations (per Quark Expeditions itinerary), plus amazing additional inclusions - please see a more detailed inclusions list below.

All Conference attendees, plus those individuals coming along as partners/traveling companions, who are joining us for the duration of the Expedition & Conference, are required to make a booking.

Pricing varies depending on factors such as cabin selection. See below for cabin categories and rates.

When & how do I pay for this?
A 20% voyage deposit (approx. US$3,000pp) is due at the time of booking to secure your cabin.

Once you proceed to book (by clicking on one of the 'Book Now' buttons on this page), and after you complete Step 1 - paying your US$250 per person, Conference & Expedition Co-ordinator Fee - you will be given further instructions on how to pay your voyage deposit to secure your accomodation booking on-board (step 2).

The remaining balance will only need to be paid on August 9, 2019. Payments will be made directly with Quark Expeditions at this time.

Inclusions:

Rates include all accommodations aboard ship and pre expedition hotel as outlined below.

What is included in the price of our 12 day/11 night Antarctic Expedition aboard the Quark World Explorer.

- ✓ **An additional "Star" Quark Speaker will kindly been organised for our Conference, compliments of Quark Expeditions.**
- ✓ Arrival group transfer from Airport to Hotel or Ship (Day 1).
- ✓ Departure transfer from pier to airport for early flights on disembarkation day. Passengers leaving on later flights have access to supervised luggage storage until late afternoon.
- ✓ Pre-night hotel stay in Ushuaia, Argentina.
- ✓ Accommodation aboard the *World Explorer.*
- ✓ Group transfers in Ushuaia from the airport to the hotel.
- ✓ All meals while aboard the *World Explorer (Please inform us of any dietary requirements as far in advance as possible).*
- ✓ Emergency Evacuation Insurance to a maximum benefit of $500,000 USD per person is included complimentary.
- ✓ Welcome and farewell cocktails aboard.
- ✓ Shore landings included in daily program.
- ✓ Walking poles are also provided at each landing for your convenience. Snowshoes may also be provided when conditions are favorable.
- ✓ The loan of a pair of waterproof boots for the duration of the voyage per passenger.
- ✓ Alcoholic beverages at meal times.
- ✓ One complimentary 3-in-1 Quark Expeditions® parka to keep. (you'll order your size beforehand, and your parka will be in your cabin upon arrival)
- ✓ Professional Expedition Leadership.
- ✓ All Zodiac excursions and transfers included in the daily program.
- ✓ Formal and informal educational presentations by the Quark Expeditions® Team.
- ✓ Online Photographic Journal.
- ✓ Domestic beer and wine with dinner.
- ✓ Coffee, tea, cocoa, soft drinks and juices available around the clock.
- ✓ All shore excursions and sightseeing; entrance fees, special access permits.
- ✓ Comprehensive pre-departure package including the Quark Expeditions® Polar Reader and Map.
- ✓ An on-board Photographer.
- ✓ All taxes, service charges and port charges.
- ✓ Services of the ship's physician.

Not Included:

- ✓ Air transportation from country of origin (return). We are currently working on group pricing with travel groups for flight costs. (TBA).

- ✓ Alcoholic beverages outside of domestic beer and wine at dinner or Polar Boutique store charges.
- ✓ Voyage-end gratuities for Crew, Hospitality and Expedition Team members. (approx. US$150pp is recommended)
- ✓ Baggage, cancellation and medical travel insurance.
- ✓ Meals ashore, other than the breakfasts included with the hotel accommodation.
- ✓ Excess baggage charges.
- ✓ Extensions; passport, visa, security or immigration fees; travel insurance/travel protection plan; items of a personal nature such as use of on-board internet, laundry etc.

Unique extras & experiences on your expedition voyage...

Highly Experienced Captains, Ice Masters & Expedition Leaders

Open Bridge Policy

- ✓ The bridge is your expedition ship's command centre; this is where the magic happens! From the bridge, your Captain and his crew can see the way forward both visually and through advanced nautical navigation equipment. They can control the wheel and throttle, guiding your group safely over open water, through narrow fjords, and into pristine polar bays for further exploration by Zodiac or on foot.
- ✓ Your Captain and Expedition Leader exercise an 'Open Bridge' policy. This means you're allowed to actually go into the command centre of ship for a look at the inner workings of your expedition. On larger ships, as with the cockpits of commercial airlines, these areas are typically restricted and inaccessible to passengers.

Adventure Options...

Polar Sea Kayaking

- ✓ Kayaking in Anytarctica s one of the most intimate and inspiring ways to explore this incredible region. Glide through the quiet waters and take in the beauty of the surrounding scenery. Paddle around a icebergs, and watch penguins, seals and possibly whales swim around your kayak. Kayaking in the polar regions is highly weather dependant, but your kayake guides will always attempt to take you out as many times as possible throughout the voyage. We recommend that you have some prior kayaking experience, including the capability to do a wet exit.
- ✓ **Cost:** US$995pp (multiple sessions throughout the voyage - approx. 3 hrs per session)

We advise that sea kayaking in polar waters is not an activity for first-time paddlers. Beginners interested in kayaking should take an introductory kayaking course prior to their voyage. In addition, regardless of your experience, we recommend kayaking lessons for a minimum of three hours in preparation for your expedition. To maximize your enjoyment and your overall experience, it is of the utmost importance that you be comfortable while kayaking.

Ice Camping

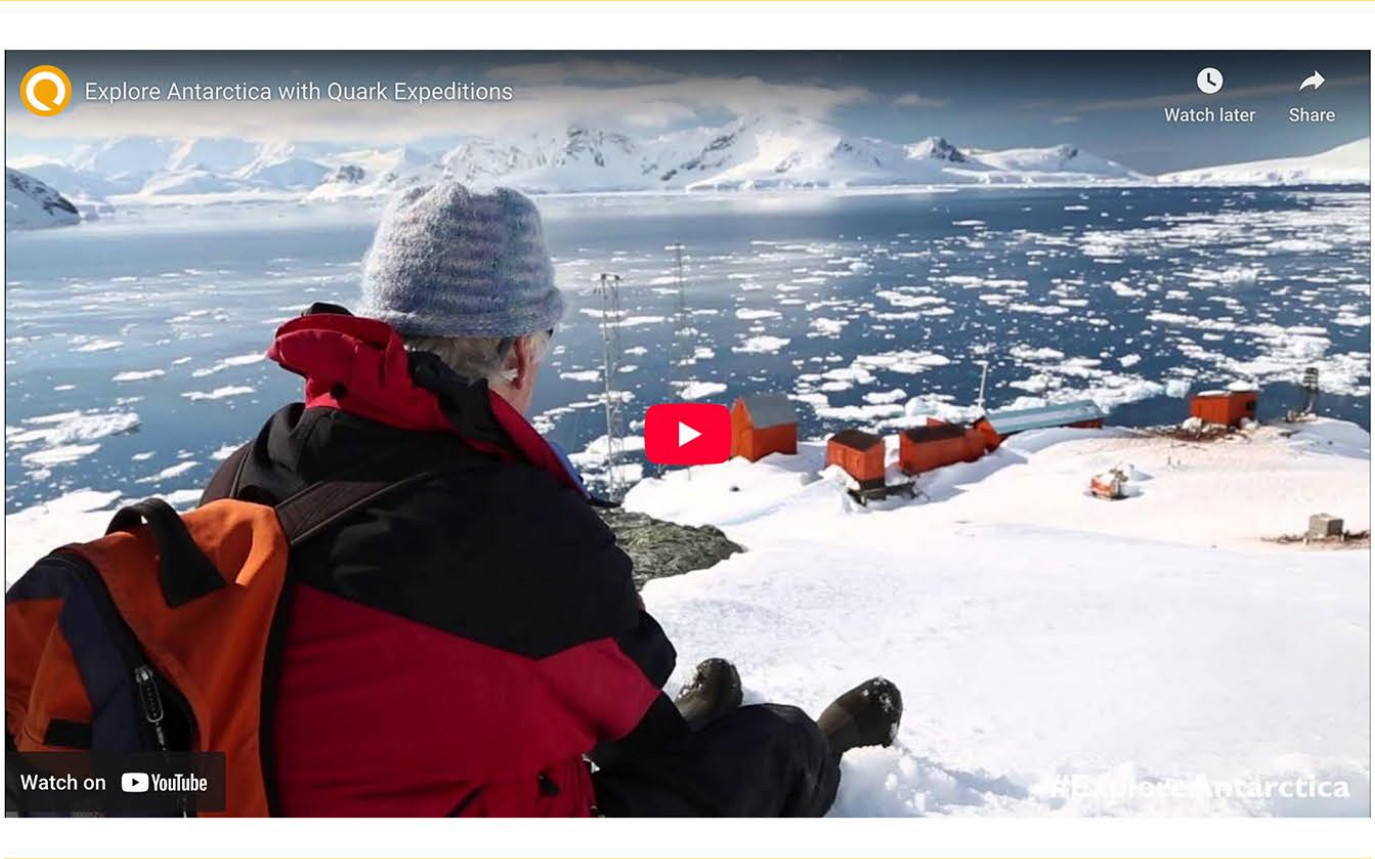
- ✓ Treat yourself to an overnight camping adventure in Antarctica! This is one of the best ways to experience Antarctica in an intimate manner, and take your expedition to the next level. Camping is available on most early season Antarctic voyages. A camping safety briefing onboard gets you fully prepped and ready for a night sleeping under the stars. All equipment and instruction is provided, no tent required. Our popular camping options have limited availability, varying by ship. You will need to complete a waiver form before being considered for this Adventure Option.
- ✓ **Cost:** US$295pp
- ✓ **Please note:** Only 22 spaces available

Stand Up Paddle Boarding

- ✓ Combining surfing with kayaking or canoeing, stand-up paddleboarding will give you a very personal and unique perspective on Antarctica. Taken in small groups—on calm bays and harbors in good weather conditions—and accompanied by a Zodiac, our paddleboarding adventures can be booked in advance (limited availability), and after the first successful outing, will be offered via sign-up onboard ship on a first-come, first-served basis for any subsequent outings.
- ✓ **Cost:** US$295pp

Snowshoeing

- ✓ Experience the 7th Continent the way explorers of yesteryear did — by snowshoe. Walk atop fresh snow and visit places that are inaccessible by foot. Snowshoeing is offered on select Antarctic voyages at the beginning of the season. Spaces are limited and all equipment, guides and instructions are provided by Quark.
- ✓ **Cost:** INCLUDED (numbers limited) Please advise at the time of booking if you would like to reserve a place.



TAKE ME TO THE REGISTRATION PAGE

3 Steps to remember:

How will Cabin/Stateroom selection, bookings and confirming my place on the Conference & Expedition work exactly?

Step 1. Register your interest
Once we receive enough registrations - we will then be able to finalise and confirm the going ahead of the Conference & Expedition.

You will then be added to an exclusive list, and only those on this list will be sent an Official Conference & Expedition Invitation which will outline exactly how to make booking and pay your deposit.

Step 2. Keep an eye on your inbox for your Official Conference & Expedition Invitation
Your invitation will be sent out to you via email within 3 - 5 working days (after registrations close), outlining exactly what you need to do to make a booking and confirm our place.

Step 3. Follow the instructions on your Invitation to secure your place!

Please note: deposits are not required at this time.

You will need to follow the instructions in your official invitation in order to make your booking and pay your deposits which is necessary to secure your accomodation and confirm your place on the Conference & Expedition.

You will only need to pay the following upfront, as outlined in the 'Conference & Expedition Costs' section, above.

1. Conference & Expedition Co-ordinator Fee: USS$250 per person
2. Expedition & Accomodation deposit: A 20% deposit (approx. US$3,000pp) is due at the time of booking to secure your cabin and is payable to Quark Expeditions.

*All Delegates plus any partners/traveling companions are required to pay these at the time of booking.

The remaining amounts owing for your place onboard the Conference & Expedition will only need to be paid at a later date - also detailed in the 'Conference & Expedition Costs' section, above.

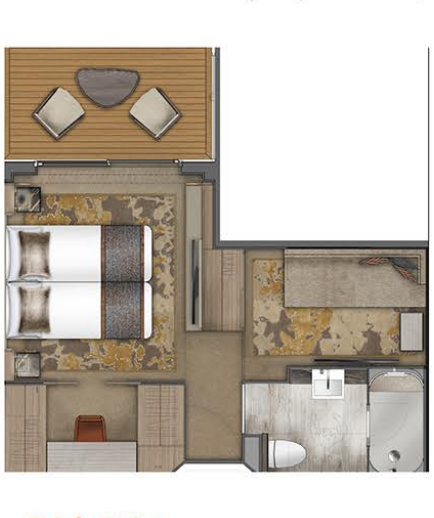
Cabins/Stateroom selection:
Below you will find a detailed display of the cabin/stateroom selection that will be available to you when it comes time to book. You will find double and single occupancy pricing for each choice of cabin/stateroom.

Twin Share Cabins:
For those delegates that wish to share a cabin, twin beding optios are available upon request.

Bookings will be on a 'first come, first served' basis.

Cabin Selection and Pricing

Please Note: Some of the images below are graphic representations of each of the stateroom cabins ue to the fact that the ship is still under construction (completion date/inaugural voyage will be March, 2019).

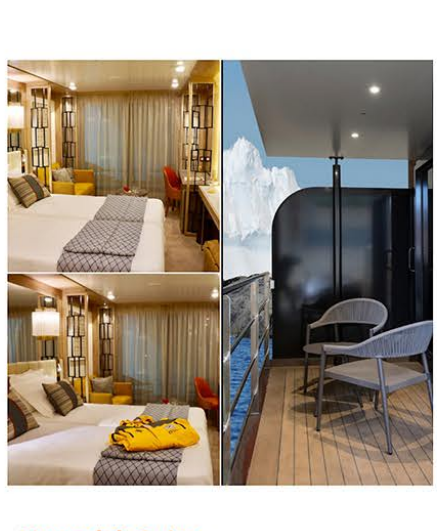


Triple Suite: walk-out balcony. A separate combo sitting area/bedroom with a sofa bed and additional closet, refrigerator, TV, state of the art "infotainment" system, and private bathroom with shower is also featured in each cabin.

USD$9,995 per person Twin Share

Infinity Suite: floor-to-ceiling glass Juliet balcony. A sitting area with sofa, refrigerator, TV, state of the art "infotainment" system, and private bathroom with shower is also featured in each cabin.

USD$15,195 per person Twin Share
USD$25,832 Single Occupancy



Verandah Suite: walk-out balcony. A sitting area with sofa, refrigerator, TV, state of the art "infotainment" system, and private bathroom with shower is also featured in each cabin.

USD$15,195 per person Twin Share

Owners Suite: walk-out balcony with access from sitting room and bedroom. A separate sitting area with sofa, refrigerator, TV, state of the art "infotainment" system, and private bathroom with shower, his & hers sinks, and bathtub is also featured in each cabin.

USD$18,395 per person Twin Share
USD$36,790 Single Occupancy

I'M READY TO REGISTER MY INTEREST

Payment Schedule & Cancellation Policy:

Deposits: To confirm reservations on all Quark products a deposit of 20% of the gross per person rate (approx. US$3000, AU$3900, £2300) is required at time of booking. The deposit must be paid by major credit card.

Final Payments: Balances are due by August 9, 2019. Final payment can be made by calling Quark Expeditions (final payment cannot be made online) and may be paid by major credit card, bank wire or check. Deposits and payments for pre-expedition and post-expedition services are specific to each item and are explained and communicated at time of purchase.

Late payments: All late payments are subject to a penalty of 1.5% interest per month, or 18% per annum. Quark reserves the right to cancel any booking that is not paid within 120 days of departure or deny boarding on any unpaid balances.

Days and date prior to Expedition start, per person Cancellation Fees:

Please Note:

Should delegates need to transfer their Expedition ticket to a different person due to unforeseen circumstances, we have arranged for you to be able to do. A US$1250 fee will apply.

Cancellations received 180 days or more prior to departure, are refundable less an administrative fee of minimum US$1250, AU$1600, £830, €1100 per person. If cancellation is received between 179 days and 120 days, the deposit is forfeited.

If cancellation occurs less than 120 days prior to departure, all payments are forfeited. If full payment has not yet been received, the full penalty will still apply and any unpaid balance is due immediately. To protect your investment, Quark Expeditions highly recommends that you obtain adequate trip cancellation insurance.

All requests for cancellation must be received in writing.
