"Over the 3 Antarctica cruises I've hosted, the Conference & Expedition Cruising concept has been a huge success. Guests are overwhelmingly positive about the experience and the opportunity to learn from the leading experts in orthopaedic medicine. Quark Expeditions is proud to be working with Dr. Jaime Nault, Dr. Ryan Bowen, Dr. Jeff Dahl, Dr. Jeff Gladnick, Dr. Jason Hurd, Dr. Jeffrey Stambough and Dr. Jeffrey Stulberg to bring this unique program to our guests."

REGISTER YOUR INTEREST TO STAY

Ladies from Quark Expeditions, Dr. Sandra Nagy CAE,

Dear Colleagues and Friends,

You are invited to join an orthopaedic conference & expedition group to one of the most beautiful and remote locations on earth – Antarctica!

Quark Expeditions has partnered with Dr. Jaime Nault, Dr. Ryan Bowen, Dr. Jeff Dahl, Dr. Jeff Gladnick, Dr. Jason Hurd, Dr. Jeffrey Stambough and Dr. Jeffrey Stulberg to bring this unique program to our guests. You are also welcome to bring an additional session for a lower cost if you are not interested in the conference.

To receive first pick, please plan your dates, email and phone number by clicking any of the "Register Your Interest" buttons on this page.

Early booking savings are up to 10 percent. This event will be a memorable trip of a lifetime and is sure to be an incredible event! Thanking You sincerely for your interest.

Please see all details of our Conference & Expedition below.

Quark Expeditions Canada is pleased to offer a special rate for your partner/spouse, family and friends to join you on this Antarctica Conference & Expedition Cruising adventure. Please contact your Quark Expeditions Canada Travel Advisor for more information.

This cruise to Antarctica is limited with only 200 passengers.

We would love you to join us for this unique and unforgettable experience at the bottom of the earth.

Warm regards,

Sonia Tomlinson-Dolan

Speaker Biographies

Dr. Jaime Nault
Orthopaedic Surgeon

Dr. Jaime Nault is a fellowship-trained orthopaedic surgeon specializing in hip and knee arthroplasty. He graduated from the University of Ottawa in 2004 and completed his orthopaedic surgery residency at the University of Toronto in 2009. He then completed a fellowship in adult reconstructive surgery at the University of Ottawa in 2010. He is a member of the Canadian Orthopaedic Association, the Canadian Arthroplasty Society, the American Academy of Orthopaedic Surgeons, and the American Association of Hip and Knee Surgeons. He is also a member of the Canadian Medical Association and the Ontario Medical Association. He has been in practice at the Ottawa Hospital since 2010 and is an associate professor at the University of Ottawa. He has published numerous articles in peer-reviewed journals and has presented his research at national and international meetings.

Dr. Ryan Bowen
Orthopaedic Surgeon

Dr. Ryan Bowen is an orthopaedic surgeon specializing in hip and knee arthroplasty. He graduated from the University of Ottawa in 2004 and completed his orthopaedic surgery residency at the University of Toronto in 2009. He then completed a fellowship in adult reconstructive surgery at the University of Ottawa in 2010. He is a member of the Canadian Orthopaedic Association, the Canadian Arthroplasty Society, the American Academy of Orthopaedic Surgeons, and the American Association of Hip and Knee Surgeons. He is also a member of the Canadian Medical Association and the Ontario Medical Association. He has been in practice at the Ottawa Hospital since 2010 and is an associate professor at the University of Ottawa. He has published numerous articles in peer-reviewed journals and has presented his research at national and international meetings.

Dr. Jeff Dahl
Orthopaedic Surgeon

Dr. Jeff Dahl is an orthopaedic surgeon specializing in hip and knee arthroplasty. He graduated from the University of Ottawa in 2004 and completed his orthopaedic surgery residency at the University of Toronto in 2009. He then completed a fellowship in adult reconstructive surgery at the University of Ottawa in 2010. He is a member of the Canadian Orthopaedic Association, the Canadian Arthroplasty Society, the American Academy of Orthopaedic Surgeons, and the American Association of Hip and Knee Surgeons. He is also a member of the Canadian Medical Association and the Ontario Medical Association. He has been in practice at the Ottawa Hospital since 2010 and is an associate professor at the University of Ottawa. He has published numerous articles in peer-reviewed journals and has presented his research at national and international meetings.

Dr. Jason Hurd
Orthopaedic Surgeon

Dr. Jason Hurd is an orthopaedic surgeon specializing in hip and knee arthroplasty. He graduated from the University of Ottawa in 2004 and completed his orthopaedic surgery residency at the University of Toronto in 2009. He then completed a fellowship in adult reconstructive surgery at the University of Ottawa in 2010. He is a member of the Canadian Orthopaedic Association, the Canadian Arthroplasty Society, the American Academy of Orthopaedic Surgeons, and the American Association of Hip and Knee Surgeons. Hotel Stay & Pickup Ushuaia – Port Hotel, Ushuaia Arrive

Ushuaia, Argentina

Ushuaia is the capital of Argentina's Tierra del Fuego province and is known as the "End of the World". Surrounded by the Martial Mountains and Beagle Channel, it's a gateway to Antarctica and Argentina's Glaciers National Park. Ushuaia's Fin del Mundo Museum has displays on the region's indigenous people and its penal colony, which housed prisoners until 1947. Nearby, Tierra del Fuego National Park has hiking trails and lookouts.

Ushuaia, Tierra del Fuego, Argentina

Ushuaia is the capital of Argentina's Tierra del Fuego province and is known as the "End of the World". Surrounded by the Martial Mountains and Beagle Channel, it's a gateway to Antarctica and Argentina's Glaciers National Park. Ushuaia's Fin del Mundo Museum has displays on the region's indigenous people and its penal colony, which housed prisoners until 1947. Nearby, Tierra del Fuego National Park has hiking trails and lookouts.

Day 1 Ushuaia, Tierra del Fuego, Argentina – Ushuaia Embarkation

Ushuaia, Tierra del Fuego, Argentina

Ushuaia is the capital of Argentina's Tierra del Fuego province and is known as the "End of the World". Surrounded by the Martial Mountains and Beagle Channel, it's a gateway to Antarctica and Argentina's Glaciers National Park. Ushuaia's Fin del Mundo Museum has displays on the region's indigenous people and its penal colony, which housed prisoners until 1947. Nearby, Tierra del Fuego National Park has hiking trails and lookouts.

Day 2 & 3 Crossing the Drake Passage / Conference Schedule

Drake Passage

Drake Passage is the body of water between Cape Horn, Chile, and the South Shetland Islands in Antarctica. It connects the Pacific Ocean to the south and the Atlantic Ocean to the north. Named after English explorer Sir Francis Drake, it's known for its rough seas and strong winds. Ships navigating the passage may encounter large waves and icebergs, especially during the winter months.

Day 4 Antarctic Peninsula

Antarctic Peninsula

The Antarctic Peninsula is the northernmost part of Antarctica, extending from the continent's mainland. It's known for its rugged mountains, glaciers, and ice shelves. The peninsula is also home to a variety of wildlife, including penguins, seals, and whales. It's a popular destination for tourists and researchers alike.

Day 5 Antarctic Peninsula

Antarctic Peninsula

The Antarctic Peninsula is the northernmost part of Antarctica, extending from the continent's mainland. It's known for its rugged mountains, glaciers, and ice shelves. The peninsula is also home to a variety of wildlife, including penguins, seals, and whales. It's a popular destination for tourists and researchers alike.

Day 6 Antarctic Peninsula

Antarctic Peninsula

The Antarctic Peninsula is the northernmost part of Antarctica, extending from the continent's mainland. It's known for its rugged mountains, glaciers, and ice shelves. The peninsula is also home to a variety of wildlife, including penguins, seals, and whales. It's a popular destination for tourists and researchers alike.

Day 7 Antarctic Peninsula

Antarctic Peninsula

The Antarctic Peninsula is the northernmost part of Antarctica, extending from the continent's mainland. It's known for its rugged mountains, glaciers, and ice shelves. The peninsula is also home to a variety of wildlife, including penguins, seals, and whales. It's a popular destination for tourists and researchers alike.

Day 8 Crossing the Drake Passage / Conference Schedule

Drake Passage

Drake Passage is the body of water between Cape Horn, Chile, and the South Shetland Islands in Antarctica. It connects the Pacific Ocean to the south and the Atlantic Ocean to the north. Named after English explorer Sir Francis Drake, it's known for its rough seas and strong winds. Ships navigating the passage may encounter large waves and icebergs, especially during the winter months.

Day 9 Disembarkation in Ushuaia

Ushuaia, Tierra del Fuego, Argentina

The Perfect Parka

Quark Expeditions®

Quark Expeditions® World Explorer Ice-class Ship

Quark Expeditions® reveals the latest addition to its Antarctic fleet – World Explorer, the first ship built specifically for polar travel.

Quark Expeditions® World Explorer Ice-class Ship

Designed to the highest Polar Class standard, the 199-passenger World Explorer is the first ship built specifically for polar travel.

Accessibility has been a priority in the design of this ship, with features such as wide doorways, a lift that reaches all passenger decks, and a specially designed bathroom. Guests will also enjoy a fleet of Zodiacs that are easy to get in and out of, and a mudroom that is designed to keep you clean and dry.

The ship's interior is elegant and comfortable, with plenty of public spaces for guests to relax and socialize. There is a library, a lounge, a dining room, and a fitness center. Guests will also have access to a variety of activities, including lectures, presentations, and excursions.
