KETTLER PARK

5715 Buell Drive - Located at the intersection of West Paulding Road and Buell Drive

KETTLER PARK

Since 1947

Size: 6.3 Acres

History: The land for Kettler Park was donated to the city in two parts; the first in 1947 and the second in 1957 by Mr. and Mrs. Alfred W. Kettler. Mr. Kettler was the president of The Indiana Construction Company and was inspirational in the acquisition of land and the development of the Indiana-Purdue Fort Wayne Campus. He served as incorporator and director of the Indiana-Purdue Foundation and member of the IPFW Board of Advisors. The university honored him by naming the first campus building, Kettler Hall after him.

KETTLER PARK TODAY

Visitors to the park will find a beautiful historic log-cabin style rental pavilion, a playground, basketball court, a tennis court, four pickleball courts, and ample picnic areas.
