An initiative to help educate and engage the community to protect the city's waterways. We have dubbed the week of July 6 as Clean Drains Week to get neighborhoods out and cleaning storm drains within their neighborhood. This week will also serve as an educational week to the public for understanding why keeping drains clear is important to not only our rivers, but for the overall health of the community.

Shout-Out Art Scavenger Hunt!

The challenge -- if you choose to accept it -- is to find FIVE art pieces located throughout the neighborhood. Don't worry -- we've provided you clues for your adventure. If you are one of the first five people to complete the challenge, you will be awarded a print for your hard work and detective skills!

Now that you've read what FTBNA does for you,
let's talk about what you can do!

Meetings:

6:30pm at the Shawnee branch of the library on Calhoun:
Sep 21 and Nov 16

Dues:

Dues pay for block parties, signage, neighborhood clean-ups, and increase our ability to help our neighbors. At only \$25/year per house they're a great deal! We are hoping to increase our membership so we can offer more opportunities and options for the neighborhood. Whether you're an owner, renter, landlord, or business, you are gaining the benefits of the FTBNA, and things are only going to get better the more people who are involved.

Online, by phone, or by mail/in person:
c/o Shirley Glover, 5118 Buell Dr., Fort Wayne, IN 46807

Volunteer:

We are always looking for folks who want to get involved. This doesn't have to be a big commitment, come help hand out raffle tickets at the Block Party. Walk around with a trash bag during a Neighborhood Clean-up, or even just come to the General Meetings and let us know what you'd like out of your neighborhood.

Ideas:

Right now all the ideas for projects are coming from about 5 people, and we may not be prioritizing what you would like. Reach out in person, by phone, by email, or through the website. Even if you only have the start of an idea, we'd like to hear it!

Tell your neighbors!
