Belmont Street Reconstruction and Storm Improvements (Fairfield to Calhoun)

- Currently under construction through fall 2026. The project involves removing the chip and seal street and replacing it with asphalt and concrete curbs, and city utilities stormwater improvements.

Paulding Road Improvements

- Reconstructing Paulding Rd from Noll Ave (by Bishop Luers) to Fairfield Ave. This will end in Winter 2026.
- Construction continues on Fairfield Ave. Work should be complete in November 2026.
