Shaklee® Live Age Free

# Live Age Free™

By 30: Muscle Loss Begins  
By 50: Nutrient Absorption Declines  
By 80: Health Challenges Rise

Yet, genetics only account for 20–30% of your health—the rest is yours to influence. **Age is just a number, not a mandate.**

Feeling your age? You have more control than you think.

Shaklee targets aging at the cellular level, optimizing key biomarkers to help you look, feel, and live younger—regardless of your age.

Our science-backed approach works from the inside out, outside in, and all around, so **you can add more life to every year.** Longevity isn't just about living longer—it's about living better, for decades to come.

# Immediate Impact. Lasting Results. Clinically Proven.

Studied for both instant and long-term impact—Life Shake™ works after one serving and has long-term benefits for building lean muscle.

†Based on a randomized, single-blind, crossover pilot trial to assess the effects of proprietary beverages on acute appetite hormone response in healthy adults.

‡The Westcott study consisted of six months of weight loss, including replacing two meals a day with Life Shake, following a 40-minute exercise program twice a week, and calorie targets, plus six months of maintenance, including one Life Shake per day, 40 minutes of exercise twice a week, and no calorie targets. See full details of Westcott clinical studies at [healthresource.shaklee.com](http://healthresource.shaklee.com).

#### WESTCOTT STUDY 1

## Long-Term Benefits

In this 6-month study, participants replaced two meals a day with Life Shake and followed a 40-minute, twice-weekly exercise program.

Clinically proven to help build and retain lean muscle, lose weight, and keep it off.<sup>†1,2</sup>

+ 3.7 lbs of lean muscle

- 14 lbs of body fat

- 10.4 lbs overall

#### WESTCOTT STUDY 2

Over 6 months, participants replacing 1 meal with Life Shake and exercising twice weekly:

Maintained weight loss

Continued to gain lean muscle

Reduced fat mass

#### BIOFORTIS CLINICAL STUDY

## Instant Impact

In a clinical study conducted by Biofortis, just one serving of Life Shake led to:<sup>†</sup>

A rapid increase in BCAAs (branched-chain amino acids), showing **the protein was quickly absorbed and available to support muscle repair and rebuilding**

Levels stayed elevated for hours after consumption.

**A quick and sustained rise in natural GLP-1**, a hormone that helps regulate appetite and promote feelings of fullness

# Boost Your Shake

# VIVIX®

## Anti-aging at the Cellular Level\*

**Vivix® is formulated to Slow Aging at the Cellular Level® by targeting the key factors that cause it.\* Derived from the world's most potent source of polyphenols, the key ingredients in Vivix are scientifically proven to keep your cells young so you can live younger longer.\***

### Vivix Keeps Your Cells Young\*

It's staggering, but true: your cells are attacked over 500 trillion times every minute, not only by a modern diet and toxins in the environment but also by the unavoidable cellular wear and tear of simply being alive. The accumulated damage from these attacks causes your cells to age, and when your cells age, you age.

### Key ingredients in Vivix are shown to:

Protect DNA from Damage\*

Neutralize Free Radicals\*

Protect Against Oxidative Stress\*

Blunt Inflammatory Response\*\*

Reduce Formation of Damaging AGE Proteins\*

Power Cellular Energy Production\*
