25%
SOLD

A limited collection of **24 residences**, where architecture and nature exist in perfect balance. **Six residences have already found their owners**, drawn by the allure of effortless elegance and the rhythm of the sea.

At **Mahari**, our exclusive **pre-sale opportunities** and **privileged location** offer a foundation for a secure and promising future. Paired with our **personalized financial and legal advisory services**, you gain the confidence and peace of mind to invest with absolute certainty.

Current market data in the area indicates the potential to achieve **daily rental rates of approximately \$170 USD**, reinforcing Mahari as a strong investment opportunity.

To further elevate your experience, the project will be professionally managed by **LUMINA STAYS**, ensuring comfort, security, and a level of service that surpasses the current market offering — handling both the administration and rental of your property seamlessly.
