Empowering Turkish–Korean Partnerships for Global Impact

About Us

The Turkish Chamber of Commerce in Korea (TurkCham Korea) is a non-profit organization established in 2023 to support and strengthen commercial relations between Türkiye and the Republic of Korea.

Supported by the Turkish Embassy in Korea and officially registered under Korea's Ministry of Trade, Industry and Energy (MOTIE), TurkCham serves as a trusted platform for businesses, professionals, and institutions seeking meaningful cross-border collaboration.

We bridge Turkish and Korean business communities through shared knowledge, mutual respect, and collective growth.

Membership value

- ✓ **Connect** with verified Turkish–Korean business leaders and trusted partners.
- ✓ **Grow** your business through referrals, visibility, and collaboration opportunities.
- ✓ **Engage** at the level that matches your goals from participation to strategic partnership.
