Privacy Policy

Apple Valley Clinic of Chiropractic is committed to protecting your privacy. This policy explains how we collect, use, and safeguard your information when you visit theapplevalleyclinic.com.

Information We Collect

We may collect your name, phone number, email address, and any information submitted through our contact or appointment request forms. We also collect non-personal information such as browser type and pages visited through standard web analytics.

How We Use Your Information

We use your information to respond to inquiries, schedule appointments, send appointment reminders, and improve our services. We do not sell or share your personal information with third parties for marketing purposes.

Protected Health Information (HIPAA)

Any health-related information shared with our office is governed by the Health Insurance Portability and Accountability Act (HIPAA). Our Notice of Privacy Practices is available at our office for review upon request.

Cookies

Our website may use cookies to enhance your browsing experience and gather analytics data. You may disable cookies through your browser settings; however, doing so may limit certain features of the website.

Changes to This Policy

We reserve the right to update this policy at any time. Changes will be posted on this page with an updated revision date.

Terms & Conditions

By accessing and using this website, you agree to the following terms and conditions. If you do not agree to these terms, please discontinue your use of the website.

Use of Website

This website is intended for general informational purposes only. You agree to use this website only for lawful purposes and in a manner that does not infringe upon the rights of others or restrict any other party's use of the site.

Intellectual Property

All content on this website — including text, images, logos, graphics, and design elements — is the property of Apple Valley Clinic of Chiropractic or its licensors and is protected by applicable copyright and trademark laws. Reproduction or redistribution without written permission is prohibited.

Appointment Requests

Submitting an appointment request through this website does not constitute a confirmed appointment. A member of our team will reach out to confirm your visit. An in-person consultation and exam is required to establish a doctor-patient relationship.

Limitation of Liability

Apple Valley Clinic of Chiropractic shall not be liable for any direct, indirect, incidental, or consequential damages arising from your use of, or inability to use, this website or its content.

Governing Law

These terms are governed by and construed in accordance with the laws of the State of North Carolina, without regard to its conflict of law principles.

Disclaimer

No Medical Advice

The information provided on this website is for general informational and educational purposes only. It is not intended as, and should not be construed as, medical advice, diagnosis, or treatment. Always seek the guidance of a qualified healthcare professional with any questions you may have regarding a medical condition or treatment.

Upper Cervical Chiropractic Care

Apple Valley Clinic of Chiropractic specializes in upper cervical chiropractic care. While our patients commonly report positive outcomes, upper cervical chiropractic is not a cure or treatment for any specific disease or medical condition. Individual results vary based on each patient's unique health profile, the nature of their condition, and their commitment to a recommended care plan.

No Doctor-Patient Relationship

Use of this website or submission of a contact or appointment request form does not create a doctor-patient relationship between you and Apple Valley Clinic of Chiropractic or any of its staff. A doctor-patient relationship is only established following an in-office consultation, examination, and agreement to a treatment plan.

Results May Vary

Testimonials and patient stories shared on this website reflect individual experiences. Results are not guaranteed and may vary based on individual health conditions, commitment to care, and other factors. Past patient outcomes do not predict or guarantee future results for new patients.

External Links

This website may contain links to external websites for your convenience. Apple Valley Clinic of Chiropractic does not endorse or take responsibility for the content, accuracy, or privacy practices of any linked third-party websites.

Accuracy of Information

While we strive to keep the information on this website accurate and current, we make no representations or warranties regarding the completeness, accuracy, or reliability of any information provided. Office hours, services offered, and other practice details are subject to change without notice.

Emergency Situations

If you are experiencing a medical emergency, call 911 immediately. Do not rely on this website for emergency medical guidance. Chiropractic care is not a substitute for emergency or urgent medical attention.
