NOTICE CONVENING MEETING OF
THE UNSECURED CREDITORS OF SHISH INDUSTRIES LIMITED

To,
The Unsecured Creditors of Shish Industries Limited

1. **NOTICE** is hereby given that, in accordance with the Order dated October 31, 2026 (the '**NCLT Order**') passed by the Hon'ble National Company Law Tribunal, Ahmedabad Bench (Division Bench, Court-1) (the '**Tribunal**') in the above-mentioned Company Application, a meeting of the Unsecured Creditors of Shish Industries Limited (the '**Transferee Company**' or the '**Company**') will be held through Video Conferencing ("**VC**") or Other Audio-Visual Means ("**OAVM**") on **Tuesday, December 15, 2026 at 12:30 P.M. (IST)**, for the purpose of considering and, if thought fit, approving, with or without modification(s), the proposed Composite Scheme of Amalgamation of Shish Polylam Private Limited (Transferor Company 1) and Shish Global Solutions Private Limited (Transferor Company 2) with Shish Industries Limited (Transferee Company) and their respective Shareholders and Creditors (the '**Scheme**') under Sections 230 to 232 and other applicable provisions of the Companies Act, 2013 (the '**Act**').

2. Pursuant to the said Order, and as directed therein, the Meeting of the Unsecured Creditors of the Company (the 'Meeting') will be held through VC/OAVM in compliance with the applicable provisions of the Act and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the 'SEBI Listing Regulations') read with the circulars issued by the Securities and Exchange Board of India ('SEBI'), and following the procedure prescribed in the General Circular Nos. (i) 20/2020 dated 5th May, 2020 (AGM Circular), (ii) 14/2020 dated 8th April, 2020 (EGM Circular-I), (iii) 17/2020 dated 13th April, 2020 (EGM Circular-II) (iv) 09/2024 dated 19th September, 2024 and (v) 03/2025 dated 22nd September, 2025, each as amended from time to time (collectively, the 'MCA Circulars', issued by the Ministry of Corporate Affairs ('MCA')), and in compliance with Secretarial Standard-2 on General Meetings. The Unsecured Creditors of the Company are requested to attend and to consider and, if thought fit, to pass, with or without modification(s), the following resolution for approval of the Scheme by the requisite majority prescribed under Section 230(6) of the Act, namely a majority in number representing three-fourths in value of the Unsecured Creditors present and voting (paragraph 18(iii) of the NCLT Order):

*"**RESOLVED THAT** pursuant to the provisions of Sections 230 to 232 and other applicable provisions, if any, of the Companies Act, 2013, the rules, circulars and notifications made thereunder (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force), the Companies (Compromises, Arrangements and Amalgamations) Rules, 2016, the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("**Listing Regulations**"), the circulars issued by the Securities and Exchange Board of India applicable to schemes of arrangement, and all other applicable laws, and subject to the provisions of the Memorandum and Articles of Association of the Company, and subject to the approval of the Hon'ble National Company Law Tribunal, Ahmedabad Bench ("**Tribunal**") and to such other approvals, permissions and sanctions of regulatory and other authorities as may be necessary, and subject to such conditions and modifications as may be considered appropriate by the Board of Directors of the Company (hereinafter referred to as the "**Board**", which term shall be deemed to include one or more committee(s) constituted or to be constituted by the Board or any person authorised by it to exercise its powers, including the powers conferred by this Resolution), or as may be prescribed or imposed by the Tribunal or by any regulatory or other authority while granting such approvals, permissions and sanctions, the Composite Scheme of Amalgamation of Shish Polylam Private Limited and Shish Global Solutions Private Limited with Shish Industries Limited and their respective shareholders and creditors ("**Scheme**"), a copy whereof is placed before this Meeting and initialled by the Chairperson for the purpose of identification, be and is hereby approved;*

***RESOLVED FURTHER THAT** the Board be and is hereby authorised to do all such acts, deeds, matters and things, as it may, in its absolute discretion, deem requisite, desirable, appropriate or necessary to give effect to this Resolution and to implement the Scheme, and to make any modifications or amendments to the Scheme at any time and for any reason whatsoever, and to accept such modifications, amendments, limitations and/or conditions, if any, which may be required and/or imposed by the Tribunal while sanctioning the Scheme or by any authority under law, or as may be required for the purpose of resolving any questions, doubts or difficulties that may arise, including the passing of such accounting entries and/or the making of such adjustments in the books of account as are considered necessary to give effect to the Scheme, as the Board may deem fit and proper."*

3. **TAKE FURTHER NOTICE** that the Unsecured Creditors shall have the facility and option of voting on the resolution for approval of the Scheme (a) through the e-voting system available during the Meeting to be held virtually ("**e-Voting during the Meeting**"); or (b) by remote electronic voting ("**remote e-Voting**") during the period stated below:

4. The Notice convening the Meeting will be published through advertisement in (i) The Financial Express (all editions) in English language and (ii) The Financial Express (Gujarati edition) in Gujarati language.

5. A copy of the Scheme, the statement under Section 102 read with Sections 230 to 232 of the Act and Rule 6 of the CAA Rules, along with all annexures thereto, is appended. A copy of this Notice and the accompanying documents is also placed on the website of the Company at www.shishindustries.com, and can be accessed on the website of NSDL at https://www.evoting.nsdl.com, being the agency appointed by the Company to provide e-voting and other facilities for the Meeting, and on the website of BSE Limited ("**BSE**") at www.bseindia.com.

6. A person whose name appears in the books of account of the Company as an Unsecured Creditor as on the cut-off date, i.e., Monday, August 31, 2026, only shall be entitled to exercise his / her / its voting rights on the resolution proposed in this Notice and to attend the Meeting. A person who is not Unsecured Creditor as on the cut-off date should treat this Notice for information purposes only. The value of the debt of each Unsecured Creditor shall be as per the records of the Company and, where the entries are disputed, the Chairperson shall determine the value of the debt for the purposes of the Meeting and his decision shall be final (paragraph 29 of the NCLT Order).

7. The voting period for remote e-voting (prior to the Meeting) shall commence on and from Saturday, December 12, 2026 at 09:00 A.M. (IST) and shall end on Monday, December 14, 2026 at 05:00 P.M. (IST). The remote e-voting module shall be disabled by NSDL thereafter. The Company is additionally providing the facility of e-voting during the Meeting.

8. Since this meeting is being held through VC facility, the requirement of physical attendance of Unsecured Creditors has been dispensed with. Accordingly, the facility for appointment of proxies by the Unsecured Creditors will not be available and hence the proxy form, route map and attendance slip are not annexed to this notice.

9. Facility to join the Meeting shall be opened thirty minutes before the scheduled time of the Meeting.

10. Body corporate / institutional shareholder which is an Unsecured Creditor of the Company may attend and vote during the Meeting through its authorised representative, provided that a certified copy of the resolution of its board of directors or other governing body authorising such representative to attend and vote during the Meeting through VC/OAVM on its behalf (or the authorisation / power of attorney), along with the attested specimen signature(s) of the duly authorised signatory(ies), is sent through electronic mode to the Scrutinizer at surabhi9797@gmail.com, with a copy marked to the Company at compliance@shishindustries.com, in terms of paragraph 28 of the NCLT Order, before the VC/OAVM Meeting or before the remote e-Voting, as the case may be.

11. The quorum of the Meeting shall be as prescribed under Section 103(1) of the Companies Act, 2013. Unsecured Creditors attending the Meeting through VC/OAVM will be counted for the purpose of reckoning the quorum and as per the terms of the Order of the Hon'ble Tribunal. Further, the Order also directs that in case the required quorum for the Meeting is not present at the commencement of the Meeting, then the Meeting shall be adjourned by 30 minutes and thereafter, the persons present and voting shall be deemed to constitute the quorum.

12. The Scheme, if approved by the requisite majority representing three fourth in value of the Unsecured Creditors of the Company present and voting as per Section 230(6) of the Act, will be subject to the subsequent approval of the Hon'ble Tribunal and such other approvals, permissions and sanctions from any other regulatory/ statutory authorities as may be deemed necessary.

13. Ms. Surabhi Pandey, Advocate has been appointed as the Scrutinizer to scrutinize the entire voting process in a fair and transparent manner. The Scrutinizer will submit a consolidated report to the Chairperson of the Meeting after scrutinizing the voting made by Unsecured Creditors of the Company.

14. The Unsecured Creditors, who would like to express their views or ask questions with regard to the resolution to be placed during the meeting, may raise the same by sending an e-mail to compliance@shishindustries.com in advance (mentioning their name and other credentials, if any), at least 3 working days prior to the date of the NCLT Convened Meeting. Such questions by the Unsecured Creditors shall be replied by the management of Company suitably.

15. It is clarified that casting of votes by remote e-voting (prior to the Meeting) does not disentitle Unsecured Creditors from attending the Meeting. However, after exercising right to vote through remote e-voting prior to the Meeting, Unsecured Creditors shall not be allowed to vote again during the Meeting. In case the Unsecured Creditors cast their vote via both the modes i.e. remote e-voting prior to the Meeting as well as during the Meeting, then voting done through remote e-voting before the Meeting shall prevail. Once the vote on a resolution is cast by the Unsecured Creditors, the Unsecured Creditors shall not be allowed to change it subsequently.

16. DECLARATION OF RESULTS ON THE RESOLUTION

The Scrutinizer shall, after the conclusion of the Meeting, submit a consolidated Scrutinizer's report of the total votes cast in favour and against the resolution and invalid votes, if any and submit the same to the Chairperson of the Meeting.

The result of the voting shall be filed with the Hon'ble Tribunal by the Chairperson of the Meeting within 7 days from the conclusion of the Meeting.

The results shall be declared not later than two working days from conclusion of the meeting by posting the same on the website of the Company (www.shishindustries.com), website of NSDL (https://www.evoting.nsdl.com) and by filing with the BSE Limited.

17. THE UNSECURED CREDITORS ARE REQUESTED TO CAREFULLY READ ALL THE NOTES SET OUT HEREIN AND IN PARTICULAR, INSTRUCTIONS FOR JOINING THE MEETING AND MANNER OF CASTING VOTE THROUGH REMOTE E-VOTING PRIOR TO THE MEETING OR E-VOTING DURING THE MEETING.

THE INSTRUCTIONS FOR UNSECURED CREDITORS VOTING ELECTRONICALLY ARE AS UNDER:

(i) Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and MCA Circulars, the Transferee Company is providing facility of remote e-voting to its Unsecured Creditors in respect of the business to be transacted during the meeting. For this purpose, the Transferee Company has appointed National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized e-Voting agency. The facility of casting votes by an Unsecured Creditor using remote e-voting as well as e-voting system on the date of the meeting will be provided by NSDL.

(ii) The remote e-voting period commences on Saturday, December 12, 2026 at 09:00 A.M. (IST) and ends on Monday, December 14, 2026 at 05:00 P.M. (IST). 1. Pursuant to the Order dated October 31, 2026 passed by the Hon'ble National Company Law Tribunal, Ahmedabad Bench (Division Bench, Court-1) in Company Application CA(CAA)/43(AHM)2026, a meeting of the Unsecured Creditors of the Transferee Company is scheduled to be held on **Tuesday, December 15, 2026 at 12:30 P.M. (IST)**, through VC/OAVM, to consider and, if thought fit, approve, with or without modification(s), the Composite Scheme of Amalgamation of Shish Polylam Private Limited and Shish Global Solutions Private Limited with Shish Industries Limited and their respective shareholders and creditors. Copy of Order is enclosed as **Annexure D.**

2. By the said Order, the Tribunal directed the convening of the meetings of the Equity Shareholders and the Unsecured Creditors of the Transferee Company through VC/OAVM on December 15, 2026 at 10:30 A.M. and 12:30 P.M. (IST) respectively, to be presided over by Mr. Keshav Khaneja, Insolvency Professional, as the Chairperson. The Tribunal has dispensed with the meetings of the equity shareholders, secured creditors and unsecured creditors of the Transferor Companies (the Transferor Company No. 2 having no secured creditor) and of the secured creditors of the Transferee Company, on the basis of the consents given by them through Board Resolutions / affidavits. The said Order will be available for inspection at the Registered Office of the Transferee Company on any working day up to the date of the Meeting.

3. As directed in paragraphs 24 and 27 of the NCLT Order, voting by the Unsecured Creditors shall be through remote e-voting and e-voting during the VC/OAVM meeting. The Scheme will be considered approved by

the Unsecured Creditors if it receives the affirmative vote of a majority in number representing three-fourths in value of the Unsecured Creditors present and voting, as per Section 230(6) of the Act (paragraph 18(iii) of the NCLT Order). The meeting of the Equity Shareholders of the Transferee Company is being held separately on the same day at 10:30 A.M. (IST); the Scrutinizer shall also submit a separate report on the result of the meeting of the unsecured creditors (paragraph 25 of the NCLT Order).

4. The Board of Directors of each of the Applicant Companies approved the Scheme by Board Resolutions dated September 23, 2026. A copy of the Scheme, setting out the terms and conditions of the amalgamation, is enclosed as **Annexure A**. The Scheme is proposed to be effective from the Appointed Date, i.e., **April 01, 2026** (Clause 8 of the Scheme), but shall be operative from the Effective Date (as defined in Clause 8 of the Scheme) (Clause 10).

3.	Jalvinben Ramesh Kakadiya, Rameshbhai Virjibhai Kakadiya, Satishkumar Dayabhai Maniya	Transferor Company No. 2	In favour (approved unanimously)

7. Rationale and Benefits of the Scheme

As stated by the Applicant Companies in the Company Application and recorded in the NCLT Order, the rationale of the Scheme is as under:

(i) **Organisational rationale:** Consolidation of the business and operations presently carried on through Transferor Company No.1 and Transferor Company No.2 into a single corporate entity, thereby simplifying the corporate structure of the Transferee Company and its group, and reducing the number of legal entities, administrative layers and attendant compliance costs.

(ii) **Operational and financial synergies:** Enabling the management of the Transferee Company to exercise unified and more effective control over the combined business, and achieving operational and financial synergies by pooling financial, managerial, technological and manpower resources, thereby eliminating duplication of overheads and fixed costs and optimising profitability.

(iii) **Enhanced value, competitiveness and growth:** Enabling the Transferee Company to realise higher value from, and a stronger competitive position on account of, its consolidated operations, and to improve access to and management of the cash flows of the combined business so as to support future growth and business opportunities.

(iv) **Stakeholder and employee interest:** Furthering the growth prospects of the personnel and employees connected with the respective companies, which is, correspondingly, in the larger interest of the public and other stakeholders of the companies.

7.2 The Scheme does not, in any manner, adversely affect the rights or interest of the shareholders or creditors of Transferor Company No. 1, Transferor Company No. 2 or the Transferee Company. As no new shares are proposed to be issued by the Transferee Company pursuant to the Scheme, the shareholding pattern and rights

of its members, and the capital structure of the Transferee Company, remain unaffected. The Scheme does not constitute a compromise or arrangement with any creditor of the companies, and all secured and unsecured creditors, as applicable, shall continue to be paid in the ordinary course of business. The net worth of the Transferee Company is, and shall remain, highly positive upon the Scheme becoming effective (Clause 3 of the Scheme).

8. Salient features of the Scheme

(a) **Appointed Date:** April 01, 2026, or such other date as may be mutually agreed by the respective Boards of the Applicant Companies (definition in Clause 8). The Scheme is effective from the Appointed Date but operative from the Effective Date (Clause 10).

(b) **Effective Date:** the last of (i) the date on which a certified copy of the order of the Tribunal sanctioning the Scheme is filed by the Applicant Companies with the jurisdictional Registrar of Companies, and (ii) the date on which the last of the consents, approvals, permissions, resolutions and orders referred to in the Scheme is obtained or passed (definition in Clause 8; conditions in Clause 27).

(c) **Transfer and vesting (Clauses 12 to 14):** upon the Scheme becoming effective, and with effect from the Appointed Date, the entire Undertakings of Transferor Company 1 and Transferor Company 2, including all assets, properties, rights, licences and permits and all debts, liabilities and obligations (along with any charge, lien or security thereon), stand transferred to and vested in the Transferee Company as going concerns without any further act, instrument or deed. Pending legal proceedings (Clause 13) and subsisting contracts (Clause 14) continue by or against the Transferee Company.

(d) **Consideration and cancellation of shares (Clause 20):** the entire share capital of each Transferor Company is held by the Transferee Company directly and through its nominee. No shares of the Transferee Company shall be allotted in lieu of, or in exchange for, that holding, and the investment in the Transferor Companies stands cancelled in the books of the Transferee Company. Accordingly, no share exchange ratio is proposed.

(e) **Accounting treatment (Clause 21):** The Transferee Company will account for the merger under the "Pooling of Interest Method" in accordance with Appendix C (Business Combinations of entities under common control) to Ind AS 103 notified under Section 133 of the Act. Assets, liabilities and reserves of the Transferor Companies are recorded at their carrying amounts as appearing in the consolidated financial statements of the Transferee Company as at the Appointed Date; inter-company balances and the carrying value of the investments stand cancelled; any surplus is credited to Capital Reserve and any deficit is adjusted against reserves of the Transferee Company, failing which it is debited to an Amalgamation Adjustment Account; comparative information is restated. The Statutory Auditors of the Transferee Company, M/s KPCM & Co., have certified by their certificate dated September 23, 2026 (**Annexure H**) that the accounting treatment proposed in the Scheme is in conformity with the Accounting Standards prescribed under Section 133 of the Act.

(f) **Employees and directors (Clause 15):** all employees of the Transferor Companies as on the Effective Date stand transferred to the Transferee Company on the same terms and conditions, without interruption of service, with continuity of provident fund, gratuity and other funds. The directors and key managerial personnel of the Transferor Companies do not become directors or key managerial personnel of the Transferee Company merely by virtue of the Scheme (Clause 15.5).

(g) **Authorised share capital and objects (Clause 22):** the authorised share capital of the Transferor Companies (₹25,00,000/- and ₹1,00,000/-) stands combined with that of the Transferee Company, and Clause 5 of the Memorandum of Association of the Transferee Company will read: "The Authorized Share Capital of the Company is INR 53,26,00,000/- divided into 53,26,00,000 equity shares of INR 1/- each", the filing fees and stamp duty already paid by the Transferor Companies being set off. The main objects of the Transferor Companies stand inserted as additional main objects in Clause 3(A) of the Memorandum of Association of the Transferee Company after Para 1, and the approval of the Scheme is deemed to be the approval required under Sections 13, 14 and 61 of the Act.

(h) **Dissolution of the Transferor Companies (Clause 19):** upon the Scheme becoming effective, the Transferor Companies shall be dissolved without being wound up.

(i) **Business till the Effective Date and taxation (Clauses 17 and 18):** the Transferor Companies are deemed to have carried on their business, from the Appointed Date, in trust for the Transferee Company, with profits and losses treated as those of the Transferee Company; the Scheme contains provisions for the treatment of tax credits, proceedings, refunds and compliances.

(j) **Conditions, modification, withdrawal and costs (Clauses 25 to 28 and 31):** the Scheme is conditional upon, inter alia, approval by the requisite majorities, sanction of the Tribunal and filing of the certified order with the Registrar of Companies (Clause 27); consequences of non-receipt of approvals are set out in Clause 28; the Boards may assent to modifications (Clause 25) and withdraw the Scheme before the Effective Date (Clause 26); and all costs, charges, expenses and stamp duty on the orders of the Tribunal are borne by the Transferee Company (Clause 31).

The above are only the salient features of the Scheme, as are statutorily required to be included in this Explanatory Statement. The Unsecured Creditors are requested to read the entire text of the Scheme (**Annexure A**) to get fully acquainted with its provisions and with the rationale and objectives of the Scheme.

9. **Valuation report and share exchange ratio.** The entire equity share capital of the Transferor Companies is held by the Transferee Company, directly and through its nominee(s), and the Scheme does not contemplate the issue or allotment of any shares or other securities by the Transferee Company to the shareholders of the Transferor Companies. Accordingly, no share exchange ratio is proposed under the Scheme. The requirement for any valuation report or other valuation-related documentation is as determined in accordance with the Act, the SEBI Listing Regulations, the applicable SEBI circulars and the terms of the Scheme (paragraph 10 of the NCLT Order). As recorded in Clause 5 of the Scheme, in terms of Regulation 37(6) of the SEBI Listing Regulations and the SEBI Master Circular No. SEBI/HO/CFD/POD-2/P/CIR/2023/93 dated 20th June, 2023 referred to in the Scheme, a scheme providing solely for the merger of a wholly owned subsidiary with its parent company requires only the filing of the draft scheme with the Stock Exchange for disclosure, and no specific approval of the Stock Exchange or SEBI is required.

10. Interest of Directors, Key Managerial Personnel (KMPs) and Debenture Trustee in the Scheme

The Directors and KMPs of the Transferee Company may be deemed to be concerned or interested in the Scheme only to the extent of the equity shares held by them, if any, in the Transferee Company, or held by the companies, firms, institutions or trusts of which they are directors, partners, members or trustees. Save as aforesaid, none of the Directors or KMPs has any material interest in the Scheme. Mr. Satishkumar Dayabhai Maniya and Mr. Rameshbhai Virjibhai Kakadiya are directors of the Transferee Company and of both Transferor Companies, and Jalvinben Ramesh Kakadiya is a director of both Transferor Companies; they may be deemed to be concerned or interested in the Scheme to that extent their holdings in the Transferee Company are set out in paragraph 5.3 and in the table below; the Transferor Companies are wholly owned by the Transferee Company.

(i) As on the date of this Statement, the Transferee Company has not issued any debentures (Clause 11 of the Scheme) and, accordingly, no debenture trustee has been appointed.

(ii) The shareholding of the Directors and KMPs of the Transferee Company as on November 08, 2026 is as follows:

Name of Director / KMP	Designation	Equity shares held in the Transferee Company
Satishkumar Dayabhai Maniya	Chairman and Managing Director	11,34,90,675 (26.90%)
Nitaben Satishkumar Maniya	Director	6,59,989 (0.16%)
Rameshbhai Virjibhai Kakadiya	Director	11,41,50,675 (27.05%)
Rajesh Kalubhai Mepani	Independent Director	0 (0.00%)
Nareshkumar Parshottambhai Lakhani	Independent Director	4000 (0.00%)
Shital Tamakuwala	Independent Director	0 (0.00%)
Suman Mohanlal Jat	Company Secretary	0 (0.00%)
Jehan Sairus Kasad	Chief Financial Officer	0 (0.00%)

11. Pre- and post-arrangement capital structure and shareholding pattern of the Transferee Company

Since no shares are to be issued pursuant to the Scheme, there will be no change in the issued, subscribed and paid-up share capital or in the shareholding pattern of the Transferee Company (save that the authorised share capital will stand increased to ₹53,26,00,000/- divided into 53,26,00,000 equity shares of ₹1/- each upon the combination of the authorised capital of the Transferor Companies under Clause 22.1 of the Scheme).

The pre- and post-arrangement shareholding pattern of the Transferee Company as per the shareholding pattern furnished by the Company (updated up to date) is as follows:

Category	Pre-arrangement: No. of shares	%	Post-arrangement: No. of shares	%
(A) Promoter and Promoter Group (8 shareholders)	231263099	54.81	231263099	54.81
(B) Public (28,845 shareholders)	190687491	45.19	190687491	45.19
Total (28,853 shareholders)	**421950590**	**100.00**	**421950590**	**100.00**

12. Effect of the Scheme on the stakeholders

Category of stakeholders	Effect of the Scheme
Equity shareholders (promoter and non-promoter)	No new shares are being issued; the shareholding pattern, capital structure and rights of the members of the Transferee Company remain unaffected. The Transferor Companies are wholly owned subsidiaries of the Transferee Company.
Directors and Key Managerial Personnel	The Transferor Companies stand dissolved without winding up (Clause 19). The directors and key managerial personnel of the Transferor Companies do not become directors or key managerial personnel of the Transferee Company merely by virtue of the Scheme, and the Scheme does not affect any existing directorship or KMP position in the Transferee Company (Clause 15.5).

Secured and unsecured creditors	The Scheme does not constitute a compromise or arrangement with any creditor. All secured and unsecured creditors shall continue to be paid in the ordinary course of business and their rights are not adversely affected. Debts and liabilities of the Transferor Companies stand transferred to the Transferee Company along with any charge, lien or security thereon (Clause 12).
Debenture holders and debenture trustees	No debentures have been issued by any of the Applicant Companies (Clause 11 of the Scheme); the question does not arise.
Deposit holders and deposit trustee	No public deposits are outstanding; the question does not arise.
Employees	Employees of the Transferor Companies stand transferred to the Transferee Company on the same terms and conditions, without interruption of service (Clause 15).

13. **Approvals, sanctions and no-objections required, received or pending.** The Scheme is subject to the sanction of the Tribunal. In terms of paragraphs 32 and 33 of the NCLT Order and Section 230(5) of the Act read with Rule 8 of the CAA Rules, notice of the Scheme is to be served on (i) the Central Government through the Regional Director, North-Western Region, Ministry of Corporate Affairs; (ii) the Registrar of Companies, Gujarat; (iii) the Official Liquidator (for the Transferor Companies); (iv) SEBI and BSE Limited (for the Transferee Company); (v) the concerned Income Tax Authorities, with a copy to the Principal Chief Commissioner of Income Tax; and (vi) other sectoral regulators, if applicable. Since the equity shares of the Transferee Company are listed on BSE Limited, proof of filing of the draft Scheme with BSE Limited for disclosure under Regulation 37(6) of the SEBI Listing Regulations, dated September 23, 2026, has been placed on the record of the Tribunal (Inward Diary No. D9449) (**Annexure I**). The Transferee Company has been directed to file an affidavit confirming compliance with the observations, if any, of BSE Limited along with the Second Motion Petition. As the Scheme provides solely for the merger of wholly owned subsidiaries with their holding company, no no-objection or observation letter from BSE Limited is required under Regulation 37 of the SEBI Listing Regulations, the draft Scheme being filed with BSE Limited only for disclosure in terms of Regulation 37(6); no specific approval of BSE Limited or SEBI is required (Clause 5 of the Scheme).

14. **Voting.** The Unsecured Creditors to whom this Notice is sent may vote on the resolution through remote e-Voting or through e-Voting during the Meeting, as set out in the Notes. As per the directions of the Tribunal, the Meeting shall be held through VC/OAVM and the deemed venue of the Meeting shall be the Registered Office of the Transferee Company at 1502, 15th Floor, Junomoneta Tower, Pal RTO BRTS Road, Near Rajhans Cinema, Adajan Gam, Adajan, Surat, Gujarat – 395 009.

15. **Financial position.** The Transferor Companies and the Transferee Company reported the following for the financial year ended March 31, 2026, as per their audited financial statements (**Annexure B**). In terms of Section 232(2)(e) of the Act, as the said annual accounts relate to a financial year ended more than six months before the date of the Meeting, the supplementary accounting statements of the Applicant Companies, namely (i) the Limited Reviewed Unaudited Financial Results (Standalone and Consolidated) of the Transferee Company for the half year ended September 30, 2026, and (ii) the management-certified Balance Sheet as at September 30, 2026 and Statement of Profit and Loss for the period from April 01, 2026 to September 30, 2026 of each of the Transferor Companies, are enclosed as **Annexure C**.

3. RATIONALE AND OBJECTIVE OF THE SCHEME

The proposed merger of the Transferor Company 1 and Transferor Company 2 with the Transferee Company is undertaken with a view to achieving, inter alia, the following objects and benefits:

3.1 **Organisational Rationale.** Consolidation of the business and operations presently carried on through the Transferor Company 1 and Transferor Company 2 into a single corporate entity, thereby simplifying the corporate structure of the Transferee Company and its

SHISH INDUSTRIES LIMITED SURAT

group, and reducing the number of legal entities, administrative layers and attendant compliance costs.

3.2 **Operational and Financial Synergies.** Enabling the management of the Transferee Company to exercise unified and more effective control over the combined business, and achieving operational and financial synergies by pooling financial, managerial, technological and manpower resources, thereby eliminating duplication of overheads and fixed costs and optimising profitability.

3.3 **Enhanced Value, Competitiveness and Growth.** Enabling the Transferee Company to realise higher value from, and a stronger competitive position on account of, its consolidated operations, and to improve access to and management of the cash flows of the combined business so as to support future growth and business opportunities.

3.4 **Stakeholder and Employee Interest.** Furthering the growth prospects of the personnel and employees connected with the respective Companies, which is, correspondingly, in the larger interest of the public and other stakeholders of the Companies.

This Scheme does not, in any manner, adversely affect the rights or interests of the shareholders or creditors of the Transferor Company 1, Transferor Company 2 or the Transferee Company. As no new shares are proposed to be issued by the Transferee Company pursuant to this Scheme, the shareholding pattern and rights of its members, and the capital structure of the Transferee Company, remain unaffected. This Scheme does not constitute a compromise or arrangement with any creditor of the Companies, and all Secured and Unsecured Creditors, as applicable, shall continue to be paid in the ordinary course of business. The net worth of the Transferee Company is, and shall remain, highly positive upon this Scheme becoming effective. Accordingly, this Scheme is beneficial to, and in the best interests of, the shareholders, creditors, employees and other stakeholders of the Companies.

4. TREATMENT OF THE SCHEME FOR THE PURPOSE OF THE INCOME TAX ACT, 2025

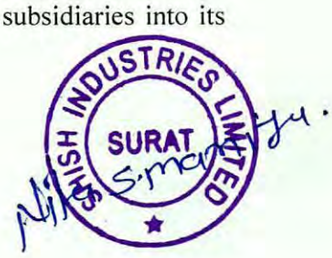

The provisions of this Scheme have been drawn up to comply with the conditions relating to "Amalgamation" as defined under Section 2(6) of the IT Act. If any of the terms or provisions of the Scheme are found or interpreted to be inconsistent with the provisions of the said section at a later date including resulting from an amendment of law or for any other reason whatsoever, the provisions of the said section of the IT Act shall prevail and the Scheme shall stand modified to the extent determined necessary to comply with Section 2(6) of the IT Act. Such modifications will however not affect the other provisions of the Scheme.

5. TREATMENT OF THE SCHEME FOR THE PURPOSE OF SECURITIES AND EXCHANGE BOARD OF INDIA ("SEBI") ACT, 1992 AND THE RULES AND REGULATIONS MADE THEREUNDER

a. The Transferor Company 1 and Transferor Company 2 are wholly owned subsidiaries of the Transferee Company.

b. In accordance with Regulation 37(6) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the Master Circular No. SEBI/HO/CFD/POD-2/P/CIR/2023/93 dated June 20, 2023 including any amendments thereof states that in case of a scheme providing solely for merger of a wholly owned subsidiary with its parent company, the draft scheme is required to be filed with the Stock Exchanges for the purpose of disclosure and the Stock Exchanges shall, thereafter disseminate the scheme documents on their website.

c. Accordingly, this Scheme shall be filed with the Stock Exchanges, where the equity shares of the Transferee Company are listed. However, no specific approval of the Stock Exchanges or SEBI is required in case of merger of wholly owned subsidiaries into its holding company.

6. PARTS OF THE SCHEME

The Scheme is divided into the following parts:

i) Part I deals with definitions and interpretation of the terms used in this Scheme, date of taking effect and sets out the share capital of the Companies.

ii) Part II deals with merger of the Transferor Company 1 and Transferor Company 2 with the Transferee Company.

iii) Part III deals with the General Terms and Conditions applicable to this Scheme.

7. SEQUENCE OF EFFECTIVENESS OF THE SCHEME

PART II

MERGER OF TRANSFEROR COMPANY 1 AND TRANSFEROR COMPANY 2 WITH THE TRANSFEREE COMPANY

12. TRANSFER AND VESTING OF UNDERTAKING OF TRANSFEROR COMPANY 1 AND TRANSFEROR COMPANY 2 INTO TRANSFEREE COMPANY

12.1 upon the coming into effect of this Scheme and with effect from the Appointed Date, and subject to the provisions of this Scheme in relation to the mode of transfer and vesting, the Undertaking of Transferor Company 1 and Undertaking of Transferor Company 2 pursuant to the provisions of Sections 230 - 232 and other applicable provisions of the Act. and in terms of Section 2(6) of the IT Act. without any further act. instrument or deed, be and stand transferred to and vested in and/ or be deemed to have been and stand transferred to and vested in the Transferee Company so as to become undertaking of the Transferee Company by virtue of and in the manner provided in this Scheme.

12.2 All assets, estate, rights (including intellectual property rights), title, interest, permits, license (including but not limited to related business activities and operations licenses whether allotted or applied for subject to necessary compliances) and authorities acquired by Transferor Company 1 and Transferor Company 2 on or after the Appointed Date and prior to the Effective Date for operation of Transferor Company 1 and Transferor Company 2 or pertaining to or relating to Transferor Company 1 and Transferor Company 2 shall also stand transferred to and vested in the Transferee Company upon the coming into effect of this Scheme.

12.3 All assets and properties of Transferor Company 1 and Transferor Company 2 that are movable in nature or incorporeal property or are otherwise capable of transfer by physical or constructive delivery, novation and/ or endorsement and delivery or by operation of law, pursuant to order of the NCLT, shall be vested in the Transferee Company. Upon this Scheme becoming effective, the title of such property shall be deemed to have been mutated and recognized as that of the Transferee Company without any separate deed or instrument or conveyance for the same.

12.4 In respect of such of the movable assets of Transferor Company 1 and Transferor Company 2 other than those referred to in clause 12.3 above including investment in shares, investment, sundry debtors, receivables, bills, outstanding loans and advances, if any, recoverable in cash or in kind or for value to be received, deposits, if any, with Governmental Authorities, bank balances, mutual fund investments, tax credits, shall, without any further act, instrument or deed, be and stand transferred to and vested in the Transferee Company and / or be deemed to be transferred to and vested in the Transferee Company on the Appointed Date pursuant to the provisions of Sections 230-232 of the Act upon effectiveness of the Scheme. The Transferee Company shall upon sanction of the Scheme be entitled to the delivery and possession of all documents of title of such movable property in this regard. The Transferee Company may (without being obliged to do so). if it so deems appropriate, give notice in such form as it deems fit and proper, to each such debtor or obligor or any other person, that subject to the sanction of the Scheme by the NCLT, such debt, loan, advance, claim, bank balance, deposit or other asset be paid or made good or held on account of the Transferee Company as person entitled thereto, to the end and intent that the right of the Transferor Company 1 and Transferor Company 2 to recover or realize all such debts (including debts payable by such debtor or obligor or any other person to the Transferor Company 1 and Transferor Company 2 stands transferred and assigned to the Transferee Company and that appropriate entries be passed in the books of accounts of the relevant debtors or obligors or other persons to record such change on the sanction of the Scheme by the Tribunal.

12.5 All immovable properties of Transferor Company 1 and Transferor Company 2, including land together with the buildings and structures standing thereon and rights and interests in immovable properties of Transferor Company 1 and Transferor Company 2, whether freehold or leasehold or otherwise and all documents of title, rights and easements in relation thereto shall, without any further act, instrument or deed, stand vested in and/ or be deemed to have been vested in the Transferee Company, by operation of law pursuant

to the sanctioning of the Scheme and upon the Scheme becoming effective. Such assets shall stand vested in the Transferee Company and shall be deemed to be and become the property as an integral part of the Transferee Company by operation of law. Transferee Company shall upon the order of the NCLT sanctioning the Scheme and upon this Scheme becoming effective, be always entitled to all the rights and privileges attached in relation to such immovable properties and shall be liable to pay appropriate rent, rates and taxes and fulfill all obligations in relation thereto or as applicable to such immovable properties. Upon this Scheme becoming effective, the title to such properties shall be deemed to have been mutated and recognized as that of the Transferee Company and the mere filing of the Scheme with the appropriate Registrar of Companies or sub-registrar or with the relevant Governmental Authorities shall suffice as record of continuing titles with the Transferee Company and shall be constituted as a deemed mutation and substitution thereof. Transferee Company shall, subsequent to Scheme becoming effective be entitled to the delivery and possession of all documents of title to such immovable property in this regard. It is hereby clarified that all the rights (including right of use assets), title and interest of Transferor Company 1 and Transferor Company 2 in any leasehold properties shall, pursuant to the provisions of Sections 230 - 232 of the Act and the provisions of this Scheme, without any further act, instrument or deed, be vested in or be deemed to have been vested in the Transferee Company.

12.6 Upon the Scheme coming into effect and with effect from the Appointed Date, all debts (secured and unsecured), creditors, liabilities (including contingent liabilities), duties, guarantees, provisions, and obligations of every kind, nature and description of Transferor Company 1 and Transferor Company 2, whether recorded in books or not, shall, pursuant to the provisions of Sections 230 - 232 and other applicable provisions of the Act, without any further act, instrument or deed, be and stand transferred to and vested in and / or be deemed to have been and stand transferred to and vested in, the Transferee Company along with charge, lien or security thereon, so as to become on and from the Appointed Date, the debts, liabilities (including contingent liabilities), duties and obligations of the Transferee Company on the same terms and conditions as were applicable to Transferor Company 1 and Transferor Company 2, further that it shall not be necessary to obtain the consent of any person who is a party to contract or arrangement by virtue of which such liabilities have arisen in order to give effect to the provisions of this clause.

12.7 Upon the coming into effect of this Scheme, the Transferee Company shall be liable to perform all obligations in respect of the liabilities, which have been transferred to it in terms of this Scheme.

12.8 It is expressly provided that, save as herein provided, no other term or condition of the liabilities transferred to the Transferee Company is amended by virtue of this Scheme except to the extent that such amendment is required statutorily.

12.9 Without prejudice to the provisions of the foregoing clauses, the Transferee Company shall execute any instrument/s and/or document/s and/or do all the acts and deeds as may be required, including the filing of necessary particulars and/or modification(s) of charge, with the jurisdictional registrar of companies to give formal effect to the above provisions, if required.

12.10 Unless otherwise agreed between the Companies. the vesting of all assets of Transferor Company 1 and Transferor Company 2, as aforesaid, shall be subject to Encumbrances, if any, over or in respect of any of the assets or any part thereof, provided however that such Encumbrances shall be confined only to the relevant assets of Transferor Company 1 and Transferor Company 2 or part thereof on or over which they are subsisting on and no such Encumbrance shall extend or apply to any other assets of the Transferee Company. Any reference in any security documents or arrangements (to which the Transferor Companies are a party) related to any assets of Transferor Company 1 and Transferor Company 2 shall be so construed to the end and intent that such security shall not extend, nor be deemed to extend, to any of the other asset(s) of the Transferee Company. Similarly, the Transferee Company shall not be required to create any additional security over the assets vested under this Scheme for any loans, debentures, deposits or other financial assistance already availed of/to be availed of by it, and the Encumbrances in respect of such indebtedness of the Transferee Company shall not extend or be deemed to extend or apply to the assets so

vested. With regards to any guarantees provided by the Transferee Company to the lenders of Transferor Company 1 and Transferor Company 2 are concerned, upon the Scheme coming into effect, the said guarantees will stand cancelled and annulled. No separate obligations and/or security would be provided by the Transferee Company to that effect;

12.11 All the security interest over any moveable and/or immoveable properties and security in any other form (both present and future) including but not limited to any pledges, or guarantees, if any, created/executed by any person in favour of the Transferor Company 1 and Transferor Company 2 or any other person acting on behalf of or for the benefit of Transferor Company 1 and Transferor Company 2 for securing the obligations of the persons to whom the Transferor Company 1 and Transferor Company 2 has advanced loans and granted other financial assistance, by way of letter of comfort or through other similar instruments shall without any further act, instrument or deed stand vested in and be deemed to be in favour of the Transferee Company and the benefit of such security shall be available to the Transferee Company as if such security was ab initio created in favour of the Transferee Company. The recordal of such benefits/ charges, created in favour of the Transferee Company, shall upon this Scheme becoming effective and with effect from the Appointed Date, be made and duly recorded in the name of the Transferee Company by the Appropriate Authorities and third parties (including any depository participants) pursuant to the sanction of this Scheme by the Tribunal and upon the Scheme becoming effective in accordance with the terms hereof.

12.12 Upon the coming into effect of this Scheme, the borrowing limits of the Transferee Company in terms of Section 180(1)(c) of the Act shall be deemed increased without any further act, instrument or deed to the equivalent of the aggregate borrowings forming part of the liabilities transferred by the Transferor Company 1 and Transferor Company 2 to the Transferee Company pursuant to the Scheme. Such limits shall be incremental to the existing borrowing limits of the Transferee Company.

12.13 Any statutory licenses, permits, incentives, tax deferrals and benefits, subsidies, concessions, grants, rights, claims, lease tenancy rights, authorizations, statutory rights, permissions, approvals, entitlements, or other registrations, provident fund, ESI, no objection certificates, or any consents to carry on the operations of Transferor Company 1 and Transferor Company 2 shall stand transferred to and vested in the Transferee Company without any further act or deed and shall be appropriately mutated/ facilitated by the statutory authorities concerned therewith in favour of the Transferee Company so as to empower and facilitate the continuation of the operations of the Transferee Company.

12.14 On and from the Effective Date and thereafter, the Transferee Company shall be entitled to operate all bank accounts of the Transferor Company 1 and Transferor Company 2 and realize all monies and complete and enforce all pending contracts and transactions and to accept stock returns and issue credit notes in respect of the relevant Transferor Company 1 and Transferor Company 2. It is clarified that with effect from the Effective Date and till such time that the name of the bank accounts of the respective Transferor Company 1 and Transferor Company 2 have been replaced with that of the Transferee Company, the Transferee Company shall be entitled to operate the bank accounts of the Transferor Company 1 and Transferor Company 2 in the name of the respective Transferor Company 1 and Transferor Company 2 in so far as may be necessary. All cheques and other negotiable instruments, electronic fund transfers (such as NEFT, RTGS, etc.) and payment orders received or presented for encashment which are in the name of the respective Transferor Company 1 and Transferor Company 2 after the Appointed Date shall be accepted by the bankers of the Transferee Company and credited to the account of the Transferee Company, if presented by the Transferee Company. It is hereby expressly clarified that any legal proceedings by or against the Transferor Company 1 and Transferor Company 2 in relation to the cheques and other negotiable instruments, payment orders received or presented for encashment which are in the name of the respective Transferor Company 1 and Transferor Company 2, shall be instituted, or as the case may be, continued by or against the Transferee Company after the Effective Date.

12.15 Any third party or authority required to give effect to any provisions of this Scheme, shall take on record the order of the NCLT sanctioning the Scheme on its file and duly record the necessary substitution or endorsement in the name of the Transferee Company as

successor in interest, pursuant to the sanction of this Scheme by the NCLT, and upon this Scheme becoming effective. For this purpose, the Transferee Company shall file certified copies of such NCLT order and if required file appropriate applications or forms with relevant authorities concerned for statistical and information purposes only and there shall be no break in the validity and enforceability of approvals, consents, exemptions, registrations, no-objection certificates, permits, quotas, rights, entitlements, (including licenses granted by any Governmental Authorities, statutory or regulatory bodies for the purpose of carrying on its business or in connection therewith), and certificates of every kind and description of whatsoever nature.

12.16 For the avoidance of doubt and without prejudice to the generality of the foregoing, it is clarified that upon the coming into effect of this Scheme, all consents, permissions. certificates, clearances, authorities, power of attorneys given by, issued to or in favour of Transferor Company 1 and Transferor Company 2 in relation to its Undertaking of Transferor Company 1 and Undertaking of Transferor Company 2 respectively shall stand transferred to the Transferee Company, as if the same were originally given by, issued to or executed in favour of the Transferee Company, and the Transferee Company shall be bound by the terms thereof, the obligations and duties there under, and the rights and benefits under the same shall be available to the Transferee Company.

12.17 Transferee Company shall, at any time after this Scheme coming into effect, in accordance with the provisions hereof, if so, required under any law or otherwise, execute appropriate deeds of confirmation or other writings or arrangements with any party to any contract or arrangement in relation to which the Transferor Company 1 and Transferor Company 2 has been a party, including any filings with the regulatory authorities, in order to give formal effect to the above provisions. Transferee Company shall for this purpose, under the provisions hereof, be deemed to have been authorized to execute any such writings on behalf of the Transferor Company 1 and Transferor Company 2 and to carry out or perform all such formalities or compliances referred to above on the part of the Transferor Company 1 and Transferor Company 2.

12.18 In so far as various incentives, subsidies, exemptions. remissions. reductions, export bene fits, direct tax related deductions, allowances, tax credits, including MAT and foreign tax credits, all indirect tax related benefits, including GST benefits, service tax benefits, all indirect tax related assets / credits, including but not limited to goods and service tax input credits, service tax input credits, value added / sales tax / entry tax credits or set-off, income tax holiday / benefit / tax business losses and unabsorbed depreciation / minimum alternative tax and other benefits or exemptions or privileges enjoyed, granted by any Government Authority or by any other person, or availed of by the Transferor Company 1 and Transferor Company 2 is concerned, the same shall, under the provisions of Sections 230 to 232 of the Act and all other applicable provisions of Applicable Law, without any further act or deed, in so far as they relate to Undertaking, vest with and be available to the Transferee Company on the same terms and conditions as were available with the Transferor Companies as if the same had been allotted and/ or granted and/or sanctioned and/or allowed to the Transferee Company.

13. LEGAL PROCEEDINGS

If any suit, actions, claims, appeal or other legal proceeding of whatsoever nature, including quasi-judicial, arbitral and other administrative proceedings, by or against Transferor Company 1 and Transferor Company 2 (including any compounding of offence) whether pending and/ or arising on or before the Effective Date, the same shall not abate or be discontinued or be in any way prejudicially affected by reason of the transfer of the Undertaking of Transferor Company 1 or Undertaking of Transferor Company 2 anything contained in this Scheme, but the said suit, actions, claim, appeal or other legal proceedings may be continued, prosecuted and enforced, as the case may be, by or against the Transferee Company in the same manner and to the same extent as it would be or might have been continued, prosecuted and enforced by or against the Transferor Company 1 and Transferor Company 2 if this Scheme had not been made.

14. CONTRACTS, DEEDS ETC.

14.1 Upon the coming into effect of this Scheme and subject to the provisions of this Scheme, all contracts, deeds, bonds, schemes, insurance, letter of intent, agreements, policies, arrangements, undertakings and other instruments (including any rights, protections, indemnities, guarantees granted to or by, warranties and representations made to or by Transferor Company 1 and Transferor Company 2 under such agreements), understandings whether written or oral and other instruments, if any, of whatsoever nature to which the Transferor Company 1 and Transferor Company 2 is a party or to the benefit of which the Transferor Company 1 and Transferor Company 2 may be eligible and which are subsisting or having effect on the Effective Date, without any further act, instrument or deed, shall be in full force and effect against or in favor of the Transferee Company, as the case may be, and may be enforced by or against the Transferee Company as fully and effectively as if, instead of the Transferor Company 1 and Transferor Company 2, the Transferee Company had been a party or beneficiary or oblige thereto.

14.2 Without prejudice to other provisions of this Scheme and notwithstanding the fact that the vesting of the Undertaking of Transferor Company 1, Undertaking of Transferor Company 2, occurs by virtue of this Scheme itself, the Transferee Company may, at any time after the coming into effect of this Scheme in accordance with the provisions hereof, if so required, under any law or otherwise, take such actions and execute such deeds of confirmation (including deeds of adherence), instruments, confirmations or other writings or arrangement with any party to any contract or arrangement to which the respective Transferor Company 1 and Transferor Company 2 is a party as may be necessary to be executed in order to give formal effect to the above provisions. The Transferee Company shall be deemed to be authorized to execute any such writings on behalf of the Transferor Company 1 and Transferor Company 2 to carry out or perform all formalities or compliances required for the purposes referred to above on the part of the Transferor Company 1 and Transferor Company 2.

15. EMPLOYEES

Upon the corning into effect of this Scheme:

15.1. All the employees of the Transferor Company 1 and Transferor Company 2 as on the Effective Date shall stand transferred to the Transferee Company on the same terms and conditions on which they are engaged by the Transferor Company 1 and Transferor Company 2 (including in relation to the level of remuneration and contractual and statutory benefits, incentive plans, terminal benefits, gratuity plans, provident plans, superannuation plans and any other retirement benefits) without any interruption in service as a result of transfer of Undertaking of Transferor Company 1 and Undertaking of Transferor Company 2 to the Transferee company.

15.2. The Transferee Company agrees that the services of all such employees (as mentioned in clause 15 .1 above) with the Transferor Company 1 and Transferor Company 2 prior to the transfer, as aforesaid, shall be taken into account for the purposes of all benefits to which the said employees may be eligible, including in relation to the level of remuneration and contractual and statutory benefits, incentive plans, terminal benefits, gratuity plans, provident fund plans, superannuation plans and any other retirement benefits and accordingly, shall be reckoned therefore from the date of their respective appointment in the Transferor Company 1 and Transferor Company 2.

15.3. The existing provident fund, gratuity fund and any other employee welfare fund. if any, of which the aforesaid employees of the Transferor Company 1 and Transferor Company 2, being transferred under clause 15.1 above to the Transferee company, are members or beneficiaries along with all accumulated contributions therein till the Effective Date, shall, with the approval of the concerned authorities, if required. be transferred to and continued without any break, to be administered by the Transferee company for the benefit of such employees on the same terms and conditions. Accordingly, the provident fund, superannuation fund, gratuity fund, and any other employee welfare fund dues, if any, to the said employees of the Transferor Company 1 and Transferor Company 2 would

SHISHAN INDUSTRIES LIMITED SURAT

continue to be deposited in the transferred provident fund, superannuation fund and gratuity fund account by the Transferee Company.

15.4. In relation to any other Fund (including any Funds set up by the government for employee benefits) created or existing for the benefit of the employees, the Transferee Company shall stand substituted for the Transferor Company 1 and Transferor Company 2, for all purposes whatsoever, including relating to the obligation to make contributions to the said Funds in accordance with the provisions of such Scheme, Funds, bye laws, etc. in respect of such transferred employees.

15.5. Upon the coming into effect of this Scheme, the directors or key managerial personnel of each of the Transferor Company 1 and Transferor Company 2 will not become directors or key managerial personnel of the Transferee Company merely by virtue of the provisions of this Scheme. It is clarified that this Scheme will not affect any directorship/ or key managerial position of a person who is already a director/ or key managerial personnel in the Transferee Company as of the Effective Date, if any.

16. SAVING OF CONCLUDED TRANSACTIONS

The transfer and vesting of the assets, liabilities and obligations of the Transferor Company 1 and Transferor Company 2 as per this Scheme and the continuance of the proceedings by or against the Transferee Company under clause 12, clause 13 and clause 14 hereof shall not affect any transaction or proceedings already completed by the Transferor Company 1 and Transferor Company 2 on or before the Effective Date and intent that the Transferee Company accepts all acts, deeds and things done and executed by the Transferor Company 1 and Transferor Company 2 as acts deeds and things done and executed by and on behalf of the Transferee Company.

17. CONDUCT OF BUSINESS TILL EFFECTIVE DATE

17.1. With effect from the Appointed Date and up to and including the Effective Date, the Transferor Company 1 and Transferor Company 2 shall be deemed to have been carrying on and to be carrying on all business on account of and in trust for the Transferee Company. All profits accruing to the Transferor Company 1 and Transferor Company 2 or losses including tax losses, arising or incurred by the Transferor Company 1 and Transferor Company 2 for the period commencing from the Appointed Date to the Effective Date shall, for all purposes, be treated as the profits or losses, as the case may be of the Transferee Company.

17.2. The Transferor Company 1 and Transferor Company 2 hereby confirms that it has, and shall continue up to the Effective Date, to preserve and carry on the business with due diligence, prudence and that it will not, without the prior consultation with the Transferee Company, alienate, or otherwise deal with or dispose of the Undertaking of Transferor Company 1 or Undertaking of Transferor Company 2 or any part thereof or recruit any new employees (in each case except in the ordinary course of business) or undertake substantial expansion of the Undertaking of Transferor Company 1 or Undertaking of Transferor Company 2 other than expansions which have already commenced prior to the Appointed Date.

17.3. Any of the rights, powers, authorities or privileges exercised by the Transferor Company 1 and Transferor Company 2 for the period commencing from the Appointed Date shall be deemed to have been exercised by the Transferor Company 1 and Transferor Company 2 for and on behalf of, and in trust for and as an agent of the Transferee Company. Similarly, any of the obligations, duties and commitments that have been undertaken or discharged by Transferor Company 1 and Transferor Company 2 for the period commencing from the Appointed Date, shall be deemed to have been undertaken for and on behalf of and as an agent for the Transferee Company.

18. TAXATION

18.1 This Scheme has been drawn up to comply with the conditions as specified under Section 2(6) and other relevant sections of the IT Act. If any of the terms or provisions of the

SHISHIR INDUSTRIES LIMITED SURAT

Scheme are found or interpreted to be inconsistent with the provisions of the said sections and other relevant provisions at a later date including resulting from a retrospective amendment of law or for any other reason whatsoever, till the time the Scheme becomes effective, the provisions of the said section and other relevant provisions of the IT Act shall prevail and the Scheme shall stand modified to the extent determined necessary to comply with Section 2(6) and other relevant sections of the IT Act. Such modification will, however, not affect the other parts of the Scheme.

18.2 All the expenses incurred by the Transferor Company 1 and Transferor Company 2 and the Transferee Company in relation to the merger of the Undertaking of Transferor Company 1 and Undertaking of Transferor Company 2 with the Transferee Company as per this Scheme, including stamp duty expenses, if any, shall be allowed as a deduction to the Transferee Company in accordance with Section 52 of the IT Act over a period of 5 (five) years beginning with the previous year in which the Scheme becomes effective.

18.3 With effect from the Appointed Date, the Transferee Company is expressly permitted to claim any deduction (including deferred revenue expenditure, whether or not recorded for tax purposes) otherwise admissible such as under Sections 29, 36, 35, 37 etc. of the IT Act/ exemption/entitlements, refunds and/or input tax credit/ CENVAT, credit for taxes paid (including MAT, TDS/TCS, income tax including advance tax, self-assessment tax, dividend distribution tax, carry forward of accumulated losses, unabsorbed depreciation, foreign tax credit, etc.) and for matters incidental thereto under IT Act, GST Act, central sales tax, applicable state value added tax, service tax laws, local body tax, entry tax, excise duty, and CENV AT duty laws, custom duty laws, and other applicable tax laws which are otherwise available to the Transferor Company 1 and Transferor Company 2 as a result of its affairs or from the conduct of others which have amalgamated with it.

18.4 All tax assessment proceedings/appeals of whatsoever nature by or against the Transferor Company 1 and Transferor Company 2 pending and/or arising at the Appointed Date and relating to the Transferor Company 1 and Transferor Company 2 shall be continued and/or enforced until the Effective Date by the Transferor Company 1 and Transferor Company 2. In the event of the Transferor Company 1 and Transferor Company 2 failing to continue or enforce any proceedings/appeal, the same may be continued or enforced by the Transferee Company, at the cost of the Transferee Company. As and from the Effective Date, the tax proceedings shall be continued and enforced by or against the Transferee Company in the same manner and to the same extent as would or might have been continued and enforced by or against the Transferor Company 1 and Transferor Company 2.

18.5 Further, the aforementioned proceedings shall not abate or be discontinued nor be in any way prejudicially affected by reason of the merger of the Undertaking of Transferor Company 1 and Undertaking of Transferor Company 2 with the Transferee Company or anything contained in the Scheme.

18.6 Any tax liabilities under the IT Act, service tax laws, excise duty laws, central sales tax, custom duty laws, local body tax, entry tax, wealth tax, GST Act, applicable state value added tax laws or other Applicable Laws dealing with taxes/duties or levies of the Transferor Company 1 and Transferor Company 2 to the extent not provided for or covered by tax provision in the accounts made as on the date immediately preceding the Appointed Date shall be transferred to or stand transferred to the Transferee Company. Any surplus in the provision for taxation/duties or levies account including advance tax, foreign tax credit, MAT credit and TDS as on the date immediately preceding the Appointed Date will also be transferred to the account of the Transferee Company.

18.7 Any refund (including interest, if any) under the IT Act, service tax laws, excise duty laws, central sales tax, customs duty, GST Act, applicable state value added tax laws or other Applicable Laws dealing with taxes/ duties or levies due to the Transferor Company 1 and Transferor Company 2 consequent to the assessment made on Transferor Company 1 and Transferor Company 2 and for which no credit is taken in the accounts as on the date immediately preceding the Appointed Date shall also belong to and be received by the Transferee Company upon this Scheme becoming effective.

SHISHU INDUSTRIES LIMITED SURAT

v) All other sanctions and orders are legally necessary or required in respect of the Scheme being obtained.

vi) It is clarified that withdrawal from the Scheme by any of the transferor company will not preclude implementation of merger of other transferor companies.

28. EFFECT OF NON-RECEIPT OF APPROVALS/ SANCTIONS

i) In the event of any of the approvals or conditions enumerated in the Scheme not being obtained or complied with, or for any other reason, this Scheme cannot be implemented, then the Board of Directors of the respective Companies shall mutually waive such conditions as they may consider appropriate to give effect, as far as possible, to this Scheme and failing such mutual agreement the Scheme shall become null and void and each party shall bear and pay their respective costs, charges and expenses in connection with this Scheme.

ii) It is further provided in a case if the Board of Directors of any of the companies as being part of this Scheme, at any stage prior to the Scheme coming into effect, decide not to

NILISH INDUSTRIES LIMITED SURAT

proceed further with the Scheme and withdraw the consent of the respective company to the Scheme, in such a case, the Scheme in its entirety shall not be proceeded with by any party and this Scheme shall stand revoked, cancelled and be of no effect.

29. SEVERABILITY

If any clause of this Scheme hereof is invalid, ruled illegal by the NCLT, or unenforceable under present or future laws, then it is the intention of the respective Companies that such part shall be severable from the remainder of the Scheme. Further, if the deletion of such part of this Scheme may cause this Scheme to become materially adverse to the respective Companies, then in such case, attempts shall be made to bring about a modification in the Scheme, as will best preserve for the respective Companies the benefits and obligations of the Scheme, including but not limited to such part.

30. BINDING EFFECT

Upon this Scheme becoming effective it shall be binding on the respective Companies, their respective shareholders, creditors and all other stakeholders.

31. COSTS, CHARGES, EXPENSES AND STAMP DUTY

All costs, charges and expenses (including any Taxes and duties) incurred or payable by the respective Companies in relation to or in connection with this Scheme and incidental to the completion of the merger in pursuance of this Scheme, including stamp duty on the orders of NCLT, if any and to the extent applicable and payable, shall be borne and paid by the Transferee Company.

INDEPENDENT AUDITOR'S REPORT

To the Members of

Shish Polylam Private Limited

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Shish Polylam Private Ltd. ("the Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended on that date, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanation given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026 and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis of opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We don't have any key audit matters that are to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor's report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, but does not include the standalone financial statements and our auditor's report thereon. These reports are expected to be made available to us after the date of our auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total Comprehensive Income, Changes in Equity and cash flows of the Company in accordance with the Indian Accounting Standards and the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

SHISH POLYLAM PRIVATE LIMITED SURAT

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud and error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

→ Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, international omissions, misrepresentations or the override of internal control.

→ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

→ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

→ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusion are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

→ Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may be reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub- section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by section 143(3) of the Act, we report that:

   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

   (b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;

   (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, Statement of Changes in Equity and Cash Flow Statement dealt with by this Report are in agreement with the books of account;

   (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards under section 133 of Companies Act, 2013 and Companies (Indian Accounting Standards) Rules, 2015 ("Ind AS") as amended by Companies (Indian Accounting Standards) Rules, 2016.

   (e) On the basis of written representations received from the directors as on March 31, 2026, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of sub- section (2) of section 164 of the Companies Act, 2013.

   (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to this Financial Statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report.

(g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.

(h) Without qualifying our opinion, we, on the basis of our examination of books of accounts and other documents, have found certain matters which need an emphasis as are given below:
Loans & Advances, Creditors and Debtors balances as at March 31, 2026 are subject to the confirmation and reconciliation with respective parties.

(i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;

I. The Company does not have any pending litigations which would impact its financial position.

II. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.

III. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31st March 2026.

IV. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement. (Refer note no. 32 (j) and (k) to the financial statement)

V. The company has not declared and paid any Interim divided nor has proposed any final dividend during the previous year, and hence the question of Compliance and applicability of Section 123 of the Companies Act does not arise.

VI. Based on our examination, which included test checks, the Company has used accounting software for maintaining its account books for the financial year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with. The Company is in compliance with the preservation of audit trail as per the statutory requirements for record retention.

ANNEXURE - A TO THE INDEPENDENT AUDITOR'S REPORT

ANNEXURE "A" REFERRED TO IN "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" SECTION OF OUR AUDITORS' REPORT OF EVEN DATE TO THE MEMBERS OF SHISH POLYLAM PRIVATE LIMITED ON THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2026.

To the best of our information and according to the explanations provided to us by the Company and the books of account and records, we report that:

1. In respect of Company's Property, Plant and Equipment (PPE) and Intangible Assets.

   (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

   (B) The Company has maintained proper records showing full particulars of intangibles assets.

   (b) The management performs physical verification of its owned Property, Plant & Equipment which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this programme, certain Property, Plant & Equipment were physically verified by the management.

   (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties disclosed in the financial statements included under property, plant and equipment, other than properties where the company is lessee and lease agreements are duly executed in favour of the Company, are held in the name of the Company.

   (d) The Company has not revalued any of its Property, Plant and Equipment and intangible assets during the year.

   (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

2. (a) The inventories have been physically verified by the management at reasonable intervals during the year, except for goods in transit and those lying with third parties. The coverage and procedure of physical verification of the inventories followed by the management is reasonable and adequate in relation to the size of the Company and nature of its business. As per the information and explanations given to us and on the basis of our examination of the records, no discrepancies of 10% or more in the aggregate for each class of inventory were noticed on physical verification of inventories as compared to book records.

   (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, at any point of time during the year, from banks or financial institution on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.

3. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made investments or provided corporate guarantee to any party. However, the company has given unsecured business advances to its holding company during the year.

Particulars	Amount in lakhs (Rs.)
	Business Advances
Aggregate amount during the year - Holding	0.10
Balance outstanding as at balance sheet date - Holding	-

   (b) According to the information and explanations given to us and based on the audit procedures conducted by us, we are of the opinion that the terms and conditions of the business advances given can be said to be, prima facie, prejudicial to the interest of the company, as the business advances are unsecured & interest free. However, the business advances were given to group companies and hence in our opinion, the terms of the business advances are not, prima facie, prejudicial to the interest of the company.

   (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of business advances given are repayable on demand. Hence, the question of the repayment of principal and payment of interest has not been stipulated and the repayments or receipts have been regular does not arise.

SHISH POLYLAM PRIVATE LIMITED ★ SURAT

(d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, business advances given are repayable on demand. Hence, the question of overdue amount for more than ninety days and reasonable steps taken by the company for recovery of the principal and interest does not arise.

(e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, no business advances granted by the Company which has fallen due during the year, has been renewed or extended or fresh business advances granted to settle the over dues of existing business advances given to the same parties.

(f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has given unsecured business advances which are repayable on demand without specifying any terms or period of repayment. The company has not granted any loans to Promoters, but the company has granted unsecured business advances to related party as defined in clause (76) of section 2 of the Companies Act, 2013. The details of loan granted to related party are as below:

Loan Given to	Aggregate amount during the year (INR in Lakhs)	Balance outstanding as at balance sheet date (INR in Lakhs)
Shish Industries Limited - Holding	0.10	-

4. In our opinion and according to the information and explanation given to us, the company has complied with the provisions of section 185 and 186 of the companies Act, 2013 In respect of loans, Investments, guarantees and security.

5. The company has not accepted any deposits from the public during the year as per the directives issued by the Reserve Bank of India as mentioned in Section 73 to 76 or other relevant provisions of the Companies Act and The Companies (Acceptance of Deposit) Rules, 2015 with regards to the deposits accepted from the public are not applicable. No order has been issued by Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal and hence compliance is not required.

6. The Central Government under sub- section (1) of section 148 of the Act has not prescribed the maintenance of Cost Record or Audit for the Company and hence the same are not applicable to the company.

7. (a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has been regular in depositing undisputed statutory dues including, Provident Fund, Employees State Insurance, Income-Tax, customs duty, goods and service tax, cess and other statutory dues wherever applicable to it with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2026 for a period of more than six months from the date on when they become payable.

(b) According to the records of the Company the dues of Income Tax, Sales Tax, Value Added Tax (VAT), Custom Duty, Excise Duty, Goods and Service Tax and cess which have not been deposited as on 31 March, 2026 on account of disputes are NIL.

8. According to the information and explanations given to us and on the basis of our examination of the records, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) and hence reporting under clause 3(viii) of the Order is not applicable to the Company.

9. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company is generally regular and has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender on the date of our report.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or other lender.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the term loan of the Company were prima facie, applied for the purpose for which the loans were obtained.

(d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.

(e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, during the year the company does not have any subsidiary company. Hence, the point of taking any funds from any entity or person on account of or to meet the obligations of its subsidiary is not applicable to the company.

(f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, we report that the Company does not have any subsidiary company. Hence, the point of raising loans during the year on the pledge of securities held in its subsidiaries as defined under the Companies Act, 2013 is not applicable to the Company.

SHISH POLYLAM PRIVATE LIMITED SURAT

10. According to the information and explanations given to us by the management, the Company has not raised any money by way of initial public offer / further public offer (including debt instruments) or by way of preferential allotment or private placement of shares or issued fully or partly paid convertible debentures during the year under review. Accordingly, reporting under clause 3(x) of the Order is not applicable to the Company.

11. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of material fraud by or on the Company, noticed or reported during the year, nor have we been informed of such case by the management.

(b) During the year, no report under sub section 12 of Section 143 of the Act has been filed in Form ADT-4 as prescribed in Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, no whistle blower complaints were received by the Company during the year and hence reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

12. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Therefore, the provisions of clause 3 (xii) of the Order are not applicable to the Company.

13. According to the information and explanations given to us and based on our examination of the records of the Company, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the standalone Financial Statements as required by the applicable Indian Accounting Standards.

14. According to the information and explanations given to us by the management the Company does not have an internal audit system.

15. Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions prescribed under Section 192 of the Act with directors or persons connected to its directors. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable to the Company and hence not commented upon.

16. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions of clause 3 (xvi) (a) and (b) of the Order are not applicable to the Company.

(b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016). Accordingly, reporting under clause 3(xvi) (c) and (d) of the Order is not applicable to the Company.

17. According to the information and explanations given to us and based on our examination of the records of the Company, the company has not incurred cash losses in the current financial year but had incurred cash losses of 177.95 Lakhs in the immediately preceding financial year.

18. There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.

19. According to the information and explanations given to us and based on our examination of the records of the Company and analysis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditor's knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report and the company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor give any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

20. The obligations of Corporate Social Responsibility i.e. second proviso to sub-section (5) of section 135 of Companies Act, 2013 are not applicable to the company. So, the company is not required to transfer any unspent amount to a Fund specified in Schedule VII to the Act and hence not commented upon.

21. There has not been any qualifications or adverse remarks by us in the CARO report, of the companies, or of its consolidated financial statement as applicable to the company.

ANNEXURE - B TO THE INDEPENDENT AUDITOR'S REPORT

ANNEXURE "B" REFERRED TO IN "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" SECTION OF OUR AUDITORS' REPORT OF EVEN DATE TO THE MEMBERS OF SHISH POLYLAM PRIVATE LIMITED ON THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026.

Report on the Internal Financial Controls under Section 143(3)(i) of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Shish Polylam Private Limited as of March 31, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes Forming Part of Financial Statements for the period ended March 31, 2026

NOTE 1: NOTES TO ACCOUNTS

1.1 CORPORATE INFORMATION

Shish Polylam Private Limited ('the company) is a private limited company domiciled in India and incorporated under the provisions of the Companies Act, 2013. The company is having its registered office at Plot No 18 to 23, Block No. 290 R.S. No 265-266, Pipodara, Mangrol Surat Surat GJ 394110. The company is primarily engaged in manufacture, sale and marketing of all types of Lamination of Woven Fabric, PP Woven Fabric, Aluminum Foil & Metallizing on Woven Fabric.
The Company is wholly owned subsidiary of Listed Public Company - Shish Industries Limited and accordingly, deemed Public Company under the Companies Act, 2013.

1.2 SIGNIFICANT ACCOUNTING POLICIES

1.2.1 Basis of Preparation

The company has prepared and presented the financials as per reporting requirements u/s 133 of Companies Act, 2013 and Companies (Indian Accounting Standards) Rules, 2015 ("Ind AS") as amended by Companies (Indian Accounting Standards) Rules, 2016 effective from 1st April 2016 on the accruals basis. Ind AS comprises mandatory accounting standards notified under the Companies Act, 2013. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. The Management evaluates all recently issued or revised accounting standards on an ongoing basis.

1.2.2 Use of Estimates

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Examples of such estimates include provisions for doubtful debts, future obligations under employee retirement benefit plans, income taxes, post-sales customer support and the useful lives and dismantaling exps of fixed assets and intangible assets. The management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired.

An impairment occurs where the carrying value exceeds the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. The impairment loss to be expensed is determined as the excess of the carrying amount over the higher of the asset's net sales price or present value as determined above. Contingencies are recorded when it is probable that a liability will be incurred, and the amount can be reasonably estimated. Where no reliable estimate can be made, a disclosure is made as contingent liability. Actual results could differ from those estimates.

1.2.3 Fair Value Measurement

Some of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

The company regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as pricing services, is used to measure fair values, then the company assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

1.2.4 Current and Non-Current Classification

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non- Current classification.

An asset is treated as Current when it is -

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months

All other assets are classified as non-current.

K P C M & Co. Chartered Accountants — Kanaiya Asawa M. No. 103498

SHISH POLYLAM PRIVATE LIMITED SURAT

A liability is current when:
- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

1.2.5 Property, Plant & Equipment and Depreciation

Property, Plant & Equipment are carried at the cost of acquisition or construction less accumulated depreciation and impairment losses. The cost of Property, Plant & Equipment includes non-refundable taxes, duties, freight and other incidental expenses related to the acquisition and installation of the respective assets as per Para 11 of Ind AS - 16, (Property Plant and Equipment). Borrowing and incidental costs directly attributable to acquisition or construction of those Property, Plant & Equipment which necessarily take a substantial period of time to get ready for their intended use are capitalised as per Para 8 of Ind AS - 8 (Borrowing Costs).

Advances paid towards the acquisition of Property, Plant & Equipment outstanding at each balance sheet date and the cost of Property, Plant & Equipment not ready for their intended use before such date are disclosed under capital work-in-progress.

Depreciation on Property, Plant & Equipment is provided using the written down value method at the rates specified in Schedule II to the Companies Act, 2013 or based on the useful life of the assets as estimated by Management. Depreciation is calculated on a pro-rata basis from the date of installation till the date the assets are sold or disposed. Disclosure as per Para 75-76 of Ind AS-16 (Property, Plant and Equipment) relating to dismantling cost is unascertainable. The management is unable to estimate the dismantaling cost of individual assets as the same is impracticable, due to the complexity and size of the company.

1.2.6 Inventories

Inventory is valued at cost (including cost for bringing the inventory to its current location and condition) or net realisable value whichever is less. Inventory as appearing in the financial statements is inclusive of duties, taxes and freight, in terms of Para 10 to 19 of Ind AS - 2, Inventories. Inventory excludes Goods and Services Tax.

1.2.7 Investments

Long-term investments are carried at cost less any other-than-temporary diminution in value, determined separately for each individual investment.

1.2.8 Retirement Benefits

Retirement Benefits, are accounted on Actuarial Basis.

1.2.9 Foreign currency transactions and balances

Export Sales have been recorded at the prevailing customs rate as on the date of removal of goods from the factory. The relevant debtor ledger is debited/credited with appropriate loss / profit on foreign exchange transaction when the sale proceeds are actually received as per Para 21 of AS - 21, (The Effect of Changes in Foreign Exchange Rates).

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date, not covered by forward exchange contracts, are translated at year-end rates. The resultant exchange differences are recognised as Other Comprehensive Income under the group Other Equity. Non-monetary assets are recorded at the rates prevailing on the date of the transaction.

1.2.10 Revenue Recognition

Revenue from sale of goods is recognised when significant risks and rewards in respect of ownership of products are transferred to customers. Revenue from domestic sales of products is recognised on dispatch of products to customers from the factory premises. Revenue from export sales is recognised on shipment of products.

Revenue from product sales is stated exclusive of returns, applicable trade discounts, allowances, and GST.

Dividend income is recognised when the unconditional right to receive the income is established. Income from interest on deposits, loans and interest bearing securities is recognised on the time proportionate method.

Export entitlements are recognised as income when the right to receive credit as per the terms of the scheme is established in respect of the exports made and where there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

The Customs Duty Drawback benefits have been recognized as recommended by the Expert Advisory Committee of ICAI. In the opinion of the Expert Advisory Committee on the accounting treatment of Duty Drawback benefit, wherein it has been opined that the benefit under the Duty Drawback Scheme should be recognised as income when the exports (against which the credit has been granted) are made, provided the criteria for recognition of revenue under AS 9 have been fulfilled (query No. 28 of Vol. XX of Compendium of Opinions, page 96).

KPCM & Co. Chartered Accountants Kanaiya Asawa M. No. 103498

SHISH POLYLAM PRIVATE LIMITED SURAT

In the said opinion, the Committee has stated, inter alia, the following: "Under the facts and circumstances of the query, the Duty Drawback benefit should be recognised in the books of account when no significant uncertainties as to the amount of consideration that would be derived and as to its ultimate collection exist. In the case of drawback benefit on post-export basis when the company applies for the credit on realisation of export proceeds and the benefit is to be utilised for imports by the company, there seems to be no such significant uncertainty and, therefore, the drawback benefit should be recognised in the year in which the export was made."

1.2.11 **Income Tax Expense**

Income tax expense comprises current tax and deferred tax charge or credit.

Current Tax

The current charge for income taxes is calculated in accordance with the relevant tax regulations applicable to the Company.

Deferred Tax

Deferred tax charge or credit reflects the tax effects of timing differences between accounting income and taxable income for the period. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantially enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed at each balance sheet date and is written-down or written-up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realised. The break-up of the major components of the deferred tax assets and liabilities as at balance sheet date has been arrived at after setting off deferred tax assets and liabilities where the Company has a legally enforceable right to set-off assets against liabilities and where such assets and liabilities relate to taxes on income levied by the same governing taxation laws.

1.2.12 **Impairment of Assets**

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the profit and loss account. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

No impairment loss for any assets have been identified and recorded during the year in terms of Para 58-64 of AS - 36, Impairment of Assets

1.2.13 **Financial instruments**

Initial Recognition

All financial instruments are recognized initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through OCI) are included in the fair value of the financial assets. Purchase or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trade) are recognised on trade date. While, loans and borrowings and payables are recognised net of directly attributable transaction costs.

Subsequent Measurement

The classification of financial instruments depends on the objective of the business model for which it is held. Management determines the classification of its financial instruments at initial recognition.

KPCM & Co. Kanaiya Asawa M. No. 103498 Chartered Accountants

a) Non-derivative Financial Assets

(i) Financial assets at amortised cost

A financial asset shall be measured at amortised cost if both of the following conditions are met:

(a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and

(b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPL) on the principal amount outstanding. They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest method, less any impairment loss. Trade receivables, security deposits, cash and cash equivalents, employee and other advances and eligible current and non-current assets are measured at Amortized Cost.

SHISH POLYLAM PRIVATE LIMITED SURAT

(ii) Debt instruments at FVTOCI

A debt instrument shall be measured at fair value through other comprehensive income if both of the following conditions are met:

(a) the objective of the business model is achieved by both collecting contractual cash flows and selling financial assets and

(b) the asset's contractual cash flow represent SPPI Debt instruments included within FVTOCI category are measured initially as well as at each reporting period at fair value plus transaction costs. Fair value movements are recognised in other comprehensive income (OCI). However, the Company recognises interest income, impairment losses & reversals and foreign exchange gain loss in statement of profit and loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from equity to profit and loss. Interest earned is recognised under the effective interest rate (EIR) model.

SHISH POLYLAM PRIVATE LIMITED SURAT

SHISH POLYLAM PRIVATE LIMITED SURAT

(iii) Equity instruments at FVTOCI

All equity instruments are measured at fair value. Equity instruments held for trading is classified as FVTPL. For all other equity instruments, the Company may make an irrevocable election to present subsequent changes in the fair value in OCI. The Company makes such election on an instrument-by- instrument basis. If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividend are recognised in OCI which is not subsequently recycled to statement of profit and loss.

(iv) Financial assets at FVTPL

FVTPL is a residual category for financial assets. Any financial asset which does not meet the criteria for categorization as at amortised cost or as FVTOCI, is classified as FVTPL.

In addition the Company may elect to designate the financial asset, which otherwise meets amortised cost or FVTOCI criteria, as FVTPL if doing so eliminates or significantly reduces a measurement or recognition inconsistency. The Company has not designated any financial asset as FVTPL.

Financial assets included within the FVTPL category are measured at fair values with all changes in the statement of profit and loss.

b) Non-derivative financial Liabilities

(i) Financial liabilities at amortised cost

Financial liabilities at amortised cost represented by borrowings, trade and other payables are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest rate method.

1.2.14 Current Assets Balances

Balances of Sundry Creditors, Sundry Debtors and loans and advances are subject to confirmation. In the opinion of the Board of Directors, the current assets, loans and advances have a value on realisation at least equal to the amounts at which they are stated in the Balance Sheet.

1.2.15 Events Occuring after the Balance Sheet Date

There were no such events occured after balance sheet date which required material disclosure by the management and auditors.

1.2.16 Change in Accounting Policies

There has been no other changes in the accounting policy, in terms of Para 14 to 21 of Ind AS - 8 (Accounting Policies, Change in Accounting Estimates and Errors).

1.2.17 Prior Period Items

During the year no prior period items were found.

1.2.18 Employee Benefits

The provisions of Gratuity as required under Para 11 of Ind AS-19 (Employee Benefits) is not applicable to our company and presently the company determines its employees retirement benefit as and when it occurs.

NOTE 25: LEASES

Assets taken on lease where the company acquires substantially the entire risks and rewards incidental to ownership are classified as finance leases. The amount recorded is the lesser of the present value of minimum lease rental and other incidental expenses during the lease term or the fair value of the assets taken on lease. The rental obligations, net of interest charges, are reflected as secured loans. Leases that do not transfer substantially all the risks and rewards of ownership are classified as operating leases and recorded as expense as and when the payments are made over the lease term. Any advance payments of operating leases is recognized as an expense over the economic useful life of the asset under lease.

The assets taken on lease by the Company includes leasehold land, and Staff Quarters taken from GIDC on future lease payments. The total of future minimum lease payments under non cancellable operating leases for each of the following periods are as shown below:

NOTE 26: EARNING PER SHARE

The basic earnings per share ("EPS") is computed by dividing the net profit after tax for the year by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, net profit after tax for the year and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. The dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. The company presents basic and diluted EPS from continuing and discontinuing operations separately.

Computation of EPS is set out below:

Fair value hierarchy

The fair value of financial instruments as referred to in note below has been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities [Level 1 measurements] and lowest priority to unobservable inputs [Level 3 measurements].

The categories used are as follows:

Level 1: Quoted prices for identical instruments in an active market;

Level 2: Directly (i.e. as prices) or indirectly (i.e. derived from prices) observable market inputs, other than Level 1 inputs; and

Level 3: Inputs which are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a net asset value or valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

INDEPENDENT AUDITOR'S REPORT

To the Members of

Shish Global Solutions Private Limited

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Shish Global Solutions Private Ltd. ("the Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended on that date, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanation given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026 and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis of opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We don't have any key audit matters that are to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor's report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, but does not include the standalone financial statements and our auditor's report thereon. These reports are expected to be made available to us after the date of our auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total Comprehensive Income, Changes in Equity and cash flows of the Company in accordance with the Indian Accounting Standards and the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

GLOBAL SOLUTIONS PVT. LTD. SURAT SHISH

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud and error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

→ Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, international omissions, misrepresentations or the override of internal control.

→ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

→ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

→ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusion are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

→ Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may be reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub- section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by section 143(3) of the Act, we report that:

   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

   (b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;

   (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, Statement of Changes in Equity and Cash Flow Statement dealt with by this Report are in agreement with the books of account;

   (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards under section 133 of Companies Act, 2013 and Companies (Indian Accounting Standards) Rules, 2015 ("Ind AS") as amended by Companies (Indian Accounting Standards) Rules, 2016.

   (e) On the basis of written representations received from the directors as on March 31, 2025, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of sub-section (2) of section 164 of the Companies Act, 2013.

   (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to this Financial Statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report.

(g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.

(h) Without qualifying our opinion, we, on the basis of our examination of books of accounts and other documents, have found certain matters which need an emphasis as are given below:
Loans & Advances, Creditors and Debtors balances as at March 31, 2026 are subject to the confirmation and reconciliation with respective parties.

(i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;

I. The Company does not have any pending litigations which would impact its financial position.

II. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.

III. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31st March 2026.

IV. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement. (Refer note no. 32 (j) and (k) to the financial statement)

V. The company has not declared and paid any Interim divided nor has proposed any final dividend during the previous year, and hence the question of Compliance and applicability of Section 123 of the Companies Act does not arise.

VI. Based on our examination, which included test checks, the Company has used accounting software for maintaining its account books for the financial year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with. The Company is in compliance with the preservation of audit trail as per the statutory requirements for record retention.

1. In respect of Company's Property, Plant and Equipment (PPE) and Intangible Assets.

   (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

   (B) The Company has maintained proper records showing full particulars of intangibles assets.

   (b) The management performs physical verification of its owned Property, Plant & Equipment which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this programme, certain Property, Plant & Equipment were physically verified by the management.

   (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties disclosed in the financial statements included under property, plant and equipment, other than properties where the company is lessee and lease agreements are duly executed in favour of the Company, are held in the name of the Company.

   (d) The Company has not revalued any of its Property, Plant and Equipment and intangible assets during the year.

   (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

2. (a) The inventories have been physically verified by the management at reasonable intervals during the year, except for goods in transit and those lying with third parties. The coverage and procedure of physical verification of the inventories followed by the management is reasonable and adequate in relation to the size of the Company and nature of its business. As per the information and explanations given to us and on the basis of our examination of the records, no discrepancies of 10% or more in the aggregate for each class of inventory were noticed on physical verification of inventories as compared to book records.

   (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, at any point of time during the year, from banks or financial institution on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.

3. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made investments or provided corporate guarantee to any party. Accordingly, the requirement to report on clause 3(iii)(a) of the Order is not applicable to the Company.

   (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made investments, provided guarantees, provided security and granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(b) of the Order is not applicable to the Company.

   (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of business advances given are repayable on demand. Hence, the question of the repayment of principal and payment of interest has not been stipulated and the repayments or receipts have been regular does not arise.

   (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, business advances given are repayable on demand. Hence, the question of overdue amount for more than ninety days and reasonable steps taken by the company for recovery of the principal and interest does not arise.

   (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, no business advances granted by the Company which has fallen due during the year, has been renewed or extended or fresh business advances granted to settle the over dues of existing business advances given to the same parties.

   (f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not given any unsecured business advances which are either repayable on demand or without specifying any terms or period of repayment to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(f) of the Order is not applicable to the Company.

4. In our opinion and according to the information and explanation given to us, the company has complied with the provisions of section 185 and 186 of the companies Act, 2013 In respect of loans, Investments, guarantees and security.

5. The company has not accepted any deposits from the public during the year as per the directives issued by the Reserve Bank of India as mentioned in Section 73 to 76 or other relevant provisions of the Companies Act and The Companies (Acceptance of Deposit) Rules, 2015 with regards to the deposits accepted from the public are not applicable. No order has been issued by Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal and hence compliance is not required.

6. The Central Government under sub- section (1) of section 148 of the Act has not prescribed the maintenance of Cost Record or Audit for the Company and hence the same are not applicable to the company.

7. (a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has been regular in depositing undisputed statutory dues including, Provident Fund, Employees State Insurance, Income-Tax, customs duty, goods and service tax, cess and other statutory dues wherever applicable to it with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2026 for a period of more than six months from the date on when they become payable.

   (b) According to the records of the Company the dues of Income Tax, Sales Tax, Value Added Tax (VAT), Custom Duty, Excise Duty, Goods and Service Tax and cess which have not been deposited as on 31 March, 2026 on account of disputes are NIL.

8. According to the information and explanations given to us and on the basis of our examination of the records, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) and hence reporting under clause 3(viii) of the Order is not applicable to the Company.

9. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company is generally regular and has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender on the date of our report.

   (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or other lender.

   (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company does not possess any term loans throughout the year. Hence, the point of utilizing them for the stated purpose does not arise.

   (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.

   (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, during the year the company does not have any subsidiary company. Hence, the point of taking any funds from any entity or person on account of or to meet the obligations of its subsidiary is not applicable to the company.

   (f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, we report that the Company does not have any subsidiary company. Hence, the point of raising loans during the year on the pledge of securities held in its subsidiaries as defined under the Companies Act, 2013 is not applicable to the Company.

10. According to the information and explanations given to us by the management, the Company has not raised any money by way of initial public offer / further public offer (including debt instruments) or by way of preferential allotment or private placement of shares or issued fully or partly paid convertible debentures during the year under review. Accordingly, reporting under clause 3(x) of the Order is not applicable to the Company.

11. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of material fraud by or on the Company, noticed or reported during the year, nor have we been informed of such case by the management.

   (b) During the year, no report under sub section 12 of Section 143 of the Act has been filed in Form ADT-4 as prescribed in Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

   (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, no whistle blower complaints were received by the Company during the year and hence reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

12. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Therefore, the provisions of clause 3 (xii) of the Order are not applicable to the Company.

13. According to the information and explanations given to us and based on our examination of the records of the Company, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the standalone Financial Statements as required by the applicable Indian Accounting Standards.

14. According to the information and explanations given to us by the management the Company does not have an internal audit system.

15. Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions prescribed under Section 192 of the Act with directors or persons connected to its directors. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable to the Company and hence not commented upon.

16. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions of clause 3 (xvi) (a) and (b) of the Order are not applicable to the Company.

(b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016). Accordingly, reporting under clause 3(xvi) (c) and (d) of the Order is not applicable to the Company.

17. According to the information and explanations given to us and based on our examination of the records of the Company, the company has incurred cash losses amounting to 34.05 Lakhs in the current financial year and amounting to 143.99 Lakhs in the immediately preceding financial year respectively.

18. There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.

19. According to the information and explanations given to us and based on our examination of the records of the Company and analysis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditor's knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report and the company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor give any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

20. The obligations of Corporate Social Responsibility i.e. second proviso to sub-section (5) of section 135 of Companies Act, 2013 are not applicable to the company. So, the company is not required to transfer any unspent amount to a Fund specified in Schedule VII to the Act and hence not commented upon.

21. There has not been any qualifications or adverse remarks by us in the CARO report, of the companies, or of its consolidated financial statement as applicable to the company.

ANNEXURE - B TO THE INDEPENDENT AUDITOR'S REPORT

ANNEXURE "B" REFERRED TO IN "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" SECTION OF OUR AUDITORS' REPORT OF EVEN DATE TO THE MEMBERS OF SHISH GLOBAL SOLUTIONS PRIVATE LIMITED ON THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026.

Report on the Internal Financial Controls under Section 143(3)(i) of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Shish Global Solutions Private Limited as of March 31, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE 1: NOTES TO ACCOUNTS

1.1 CORPORATE INFORMATION

Shish Global Solutions Private Limited ('the company) is a private limited company domiciled in India and incorporated under the provisions of the Company Law. The company is having its office at Plot no 18 to 23, Block no 290, Survey No. 265-266, Pipodara, Mangrol, Surat, Gujarat, India, 394110 in Surat, at Pipodara. The company is primarily established to own, run, manage, and to carry on the businesses of Wholesale trade except of motor vehicels & motorcycles.
The Company is wholly owned subsidiary of Listed Public Company - Shish Industries Limited and accordingly, deemed Public Company under the Companies Act, 2013.

1.2 SIGNIFICANT ACCOUNTING POLICIES

1.2.1 Basis of Preparation

The company has prepared and presented the financials as per reporting requirements u/s 133 of Companies Act, 2013 and Companies (Indian Accounting Standards) Rules, 2015 ("Ind AS") as amended by Companies (Indian Accounting Standards) Rules, 2016 effective from 1st April 2016 on the accruals basis. Ind AS comprises mandatory accounting standards notified under the Companies Act, 2013. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. The Management evaluates all recently issued or revised accounting standards on an ongoing basis.

1.2.2 Use of Estimates

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Examples of such estimates include provisions for doubtful debts, future obligations under employee retirement benefit plans, income taxes, post-sales customer support and the useful lives and dismantaling expenses of fixed assets and intangible assets. The management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired.

An impairment occurs where the carrying value exceeds the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. The impairment loss to be expensed is determined as the excess of the carrying amount over the higher of the asset's net sales price or present value as determined above. Contingencies are recorded when it is probable that a liability will be incurred, and the amount can be reasonably estimated. Where no reliable estimate can be made, a disclosure is made as contingent liability. Actual results could differ from those estimates.

1.2.3 Fair Value Measurement

Some of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

The company regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as pricing services, is used to measure fair values, then the company assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

1.2.4 **Current and Non-Current Classification**

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non- Current classification.

An asset is treated as Current when it is -

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

1.2.5 **Property, Plant & Equipment and Depreciation**

Property, Plant & Equipment are carried at the cost of acquisition or construction less accumulated depreciation and impairment losses. The cost of Property, Plant & Equipment includes non-refundable taxes, duties, freight and other incidental expenses related to the acquisition and installation of the respective assets as per Para 11 of Ind AS - 16, (Property Plant and Equipment). Borrowing and incidental costs directly attributable to acquisition or construction of those Property, Plant & Equipment which necessarily take a substantial period of time to get ready for their intended use are capitalised as per Para 8 of Ind AS - 8 (Borrowing Costs).

Advances paid towards the acquisition of Property, Plant & Equipment outstanding at each balance sheet date and the cost of Property, Plant & Equipment not ready for their intended use before such date are disclosed under capital work-in-progress.

Depreciation on Property, Plant & Equipment is provided using the written down value method at the rates specified in Schedule II to the Companies Act, 2013 or based on the useful life of the assets as estimated by Management. Depreciation is calculated on a pro-rata basis from the date of installation till the date the assets are sold or disposed. Disclosure as per Para 75-76 of Ind AS-16 (Property, Plant and Equipment) relating to dismantling cost is unascertainable. The management is unable to estimate the dismantaling cost of individual assets as the same is impracticable, due to the complexity and size of the company.

1.2.6 **Inventories**

Inventory is valued at cost (including cost for bringing the inventory to its current location and condition) or net realisable value whichever is less. Inventory as appearing in the financial statements is inclusive of duties, taxes and freight, in terms of Para 10 to 19 of Ind AS - 2, Inventories. Inventory excludes Goods and Services Tax.

1.2.7 **Investments**

Long-term investments are carried at cost less any other-than-temporary diminution in value, determined separately for each individual investment.

1.2.8 **Retirement Benefits**

Retirement Benefits, are accounted on Actuarial basis.

KPCM & Co. Kanaiya Asawa M. No. 103498 Chartered Accountants

1.2.9 **Foreign currency transactions and balances**

Export Sales have been recorded at the prevailing customs rate as on the date of removal of goods from the factory. The relevant debtor ledger is debited/credited with appropriate loss / profit on foreign exchange transaction when the sale proceeds are actually received as per Para 21 of AS - 21, (The Effect of Changes in Foreign Exchange Rates).

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date, not covered by forward exchange contracts, are translated at year-end rates. The resultant exchange differences are recognised as Other Comprehensive Income under the group Other Equity. Non-monetary assets are recorded at the rates prevailing on the date of the transaction.

SHISH GLOBAL SOLUTIONS PVT. LTD. SURAT

1.2.10 Revenue Recognition

Revenue from sale of goods is recognised when significant risks and rewards in respect of ownership of products are transferred to customers. Revenue from domestic sales of products is recognised on dispatch of products to customers from the factory premises. Revenue from export sales is recognised on shipment of products.

Revenue from product sales is stated exclusive of returns, applicable trade discounts, allowances, and GST.

Dividend income is recognised when the unconditional right to receive the income is established. Income from interest on deposits, loans and interest bearing securities is recognised on the time proportionate method.

Export entitlements are recognised as income when the right to receive credit as per the terms of the scheme is established in respect of the exports made and where there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

The Customs Duty Drawback benefits have been recognized as recommended by the Expert Advisory Committee of ICAI. In the opinion of the Expert Advisory Committee on the accounting treatment of Duty Drawback benefit, wherein it has been opined that the benefit under the Duty Drawback Scheme should be recognised as income when the exports (against which the credit has been granted) are made, provided the criteria for recognition of revenue under AS 9 have been fulfilled (query No. 28 of Vol. XX of Compendium of Opinions, page 96).

In the said opinion, the Committee has stated, inter alia, the following: "Under the facts and circumstances of the query, the Duty Drawback benefit should be recognised in the books of account when no significant uncertainties as to the amount of consideration that would be derived and as to its ultimate collection exist. In the case of drawback benefit on post-export basis when the company applies for the credit on realisation of export proceeds and the benefit is to be utilised for imports by the company, there seems to be no such significant uncertainty and, therefore, the drawback benefit should be recognised in the year in which the export was made."

1.2.11 Income Tax Expense

Income tax expense comprises current tax and deferred tax charge or credit.

Current Tax

The current charge for income taxes is calculated in accordance with the relevant tax regulations applicable to the Company.

Deferred Tax

Deferred tax charge or credit reflects the tax effects of timing differences between accounting income and taxable income for the period. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantially enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed at each balance sheet date and is written-down or written-up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realised. The break-up of the major components of the deferred tax assets and liabilities as at balance sheet date has been arrived at after setting off deferred tax assets and liabilities where the Company has a legally enforceable right to set-off assets against liabilities and where such assets and liabilities relate to taxes on income levied by the same governing taxation laws.

1.2.12 Impairment of Assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the profit and loss account. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

No impairment loss for any assets have been identified and recorded during the year in terms of Para 58-64 of AS - 36, Impairment of Assets

1.2.13 **Financial instruments**

Initial Recognition

All financial instruments are recognized initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through OCI) are included in the fair value of the financial assets. Purchase or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trade) are recognised on trade date. While, loans and borrowings and payables are recognised net of directly attributable transaction costs.

Subsequent Measurement

The classification of financial instruments depends on the objective of the business model for which it is held. Management determines the classification of its financial instruments at initial recognition.

a) **Non-derivative Financial Assets**

(i) **Financial assets at amortised cost**

A financial asset shall be measured at amortised cost if both of the following conditions are met:

(a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and

(b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding. They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest method, less any impairment loss. Trade receivables, security deposits, cash and cash equivalents, employee and other advances and eligible current and non-current assets are measured at Amortized Cost.

(ii) **Debt instruments at FVTOCI**

A debt instrument shall be measured at fair value through other comprehensive income if both of the following conditions are met:

(a) the objective of the business model is achieved by both collecting contractual cash flows and selling financial assets and

(b) the asset's contractual cash flow represent SPPI Debt instruments included within FVTOCI category are measured initially as well as at each reporting period at fair value plus transaction costs. Fair value movements are recognised in other comprehensive income (OCI). However, the Company recognises interest income, impairment losses & reversals and foreign exchange gain loss in statement of profit and loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from equity to profit and loss. Interest earned is recognised under the effective interest rate (EIR) model.

(iii) **Equity instruments at FVTOCI**

All equity instruments are measured at fair value. Equity instruments held for trading is classified as FVTPL. For all other equity instruments, the Company may make an irrevocable election to present subsequent changes in the fair value in OCI. The Company makes such election on an instrument-by- instrument basis. If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividend are recognised in OCI which is not subsequently recycled to statement of profit and loss.

(iv) **Financial assets at FVTPL**

FVTPL is a residual category for financial assets. Any financial asset which does not meet the criteria for categorization as at amortised cost or as FVTOCI, is classified as FVTPL.

In addition the Company may elect to designate the financial asset, which otherwise meets amortised cost or FVTOCI criteria, as FVTPL if doing so eliminates or significantly reduces a measurement or recognition inconsistency. The Company has not designated any financial asset as FVTPL.

Financial assets included within the FVTPL category are measured at fair values with all changes in the statement of profit and loss.

b) **Non-derivative financial Liabilities**

(i) **Financial liabilities at amortised cost**

Financial liabilities at amortised cost represented by borrowings, trade and other payables are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest rate method.

NOTE 24: LEASES

Assets taken on lease where the company acquires substantially the entire risks and rewards incidental to ownership are classified as finance leases. The amount recorded is the lesser of the present value of minimum lease rental and other incidental expenses during the lease term or the fair value of the assets taken on lease. The rental obligations, net of interest charges, are reflected as secured loans. Leases that do not transfer substantially all the risks and rewards of ownership are classified as operating leases and recorded as expense as and when the payments are made over the lease term. Any advance payments of operating leases is recognized as an expense over the economic useful life of the asset under lease.

NOTE 25: EARNING PER SHARE

The basic earnings per share ("EPS") is computed by dividing the net profit after tax for the year by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, net profit after tax for the year and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. The dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. The company presents basic and diluted EPS from continuing and discontinuing operations separately.

Computation of EPS is set out below:

Fair value hierarchy

The fair value of financial instruments as referred to in note below has been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities [Level 1 measurements] and lowest priority to unobservable inputs [Level 3 measurements].

The categories used are as follows:

Level 1: Quoted prices for identical instruments in an active market;

Level 2: Directly (i.e. as prices) or indirectly (i.e. derived from prices) observable market inputs, other than Level 1 inputs; and

Level 3: Inputs which are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a net asset value or valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

INDEPENDENT AUDITORS'REPORT ON STANDALONE FINANCIAL STATEMENT

To the Members of

Shish Industries Limited

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Shish Industries Ltd. ("the Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended on that date, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanation given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026 and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis of opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Statements.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matters	How our audit addressed the key audit matter
Revenue from sale of goods	**Principal Audit Procedures:**
Revenue is measured net of discounts, incentives, rebates etc. given to the customers on the Group's sales. The Group recognizes revenues when control of the goods is transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods. In determining the sales price, the Group considers the effects of rebates and discounts	Our audit procedures included the following: • Considered the appropriateness of Group's revenue recognition policy and its compliance in terms of Ind AS 115 'Revenue from contracts with customers'; • Assessed the design and tested the operating effectiveness of internal controls related to sales and related rebates and discounts; • Performed sample tests of individual sales transaction and traced to sales invoices, sales orders and other related documents. In respect of the samples selected, tested that the revenue has been recognized as per the sales arrangements;

The terms of sales arrangements, including the timing of transfer of control, the nature of discount and rebates arrangements and delivery specifications, create complexity and judgment in determining sales revenues and accordingly, it was determined to be a key audit matter in our audit of the Standalone Financial Statements.	• The management's assessment of discounts, incentives and rebates recorded for the current year have been compared on an overall basis with the past practices to assess the adequacy of provisions made during the current year read with the changing competitive market dynamics as explained by the management; • We performed revenue cut-off testing, by reference to bill dates of sales recorded either of the financial year end had legally sales completed; • Assessed the relevant disclosures made in the Standalone Financial Statements.

Information Other than the Standalone Financial Statements and Auditor's report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, but does not include the standalone financial statements and our auditor's report thereon. These reports are expected to be made available to us after the date of our auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total Comprehensive Income, Changes in Equity and cash flows of the Company in accordance with the Indian Accounting Standards and the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud and error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

→ Identify and assess the risks of material misstatement of the standalone financial statements, whether due to

fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, international omissions, misrepresentations or the override of internal control.

→ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.

→ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

→ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusion are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

→ Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may be reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub- section (11) of section 143 of the Act, we give in the "**Annexure A**", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
   (b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
   (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, Statement of Changes in Equity and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
   (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards under section 133 of Companies Act, 2013 and Companies (Indian Accounting Standards) Rules, 2015 ("Ind AS") as amended by Companies (Indian Accounting Standards) Rules, 2016

record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of sub- section (2) of section 164 of the Companies Act, 2013.

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to this Standalone Financial Statements and the operating effectiveness of such controls, refer to our separate Report in **"Annexure B"** to this report.

(g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.

(h) Without qualifying our opinion, we, on the basis of our examination of books of accounts and other documents, have found certain matters which need an emphasis as are given below:

Loan & Advances, Creditors and Debtors balances as at March 31, 2026 are subject to the confirmation and reconciliation with respective parties.

(i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;

I.		The Company has disclosed the impact of pending litigations on its financial performance in its standalone financial statements. [Refer note no. 35 to standalone financial statements].
II.		The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
III.		There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2026.
IV.	(a)	The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
	(b)	The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
	(c)	Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement. (Refer note no. 44 (L) and (M) to the standalone financial statement)
V.		The company has not declared and paid any Interim divided nor has proposed any final dividend during the previous year, and hence the question of Compliance and applicability of Section 123 of the Companies Act does not arise.

ANNEXURE - A

TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE TO THE MEMBERS OF SHISH INDUSTRIES LIMITED ON THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

The Annexure referred to in the auditors' report to the members of Shish Industries Limited ("the Company") for the year ended March 31, 2026.

To the best of our information and according to the explanations provided to us by the Company and the books of account and records, we report that:

1. In respect of Company's Property, Plant and Equipment (PPE) and Intangible Assets.

   (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

   (B) The Company has maintained proper records showing full particulars of intangibles assets.

   (b) The management performs physical verification of its owned Property, Plant & Equipment which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this programme, certain Property, Plant & Equipment were physically verified by the management.

   (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties disclosed in the financial statements included under property, plant and equipment, other than properties where the company is lessee and lease agreements are duly executed in favour of the Company, are held in the name of the Company.

   (d) The Company has not revalued any of its Property, Plant and Equipment and intangible assets during the year.

   (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

2. (a) The inventories have been physically verified by the management at reasonable intervals during the year, except for goods in transit and those lying with third parties. The coverage and procedure of physical verification of the inventories followed by the management is reasonable and adequate in relation to the size of the Company and nature of its business. As per the information and explanations given to us and on the basis of our examination of the records, no discrepancies of 10% or more in the aggregate for each class of inventory were noticed on physical verification of inventories as compared to book records.

   (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with such banks are in agreement with the books of account of the Company. The Company has not been sanctioned any working capital limit from financial institutions.

3. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has made investments in subsidiary companies and other parties, provided corporate guarantee or security to its subsidiary company. The company has also given unsecured business loan to its subsidiary company and other parties during the year.

ANNEXURE - B

TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE TO THE MEMBERS OF SHISH INDUSTRIES LIMITED ON THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

Report on the Internal Financial Controls under Section 143(3)(i) of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Shish Industries Limited as of March 31, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE STANDALONE FINANCIAL STATEMENT FOR THE FINANCIAL YEAR ENDED MARCH 31, 2026

NOTE 1: NOTES TO ACCOUNTS

A. CORPORATE INFORMATION

Shish Industries Limited ('the company) is a public limited company domiciled in India and incorporated under the provisions of the Company Act, 2013. Its shares are listed on BSE. The registered office of the Company is located at 1502, 15th Floor, Junomoneta Tower, Pal RTO BRTS Road, Near Rajhans Cinema, Adajan Gam, Surat, Gujarat - 395009. Factory of the company is situated at Unit No. 1 and Unit No. 2, Block No. 390/1, 01 A Type Plot, Techno Zone, Mahuvej, United Wolfram, Mangrol, Mahuvej, Surat, Gujarat, 394125. The company is primarily engaged in manufacturing, trading and marketing of PP Corrugated Sheet and Rolls, Insulation and Building Products, Industrial Packaging Products, Consumer Products etc.

B. SIGNIFICANT ACCOUNTING POLICIES

a) Basis of Preparation

These financial statements are the separate financial statements of the Company (also called as standalone financial statements). The company has prepared and presented the financials as per reporting requirements u/s 133 of Companies Act, 2013 and Companies (Indian Accounting Standards) Rules, 2015 ("Ind AS") as amended by Companies (Indian Accounting Standards) Rules, 2016 effective from 1st April 2016 on the accruals basis. Ind AS comprises mandatory accounting standards notified under the Companies Act, 2013. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. The Management evaluates all recently issued or revised accounting standards on an ongoing basis.

The financial statements have been prepared on a going concern and accrual basis. The accounting policies are applied consistently to all the periods presented in the financial statements. The financial statements of the Company for the year ended 31st March 2026 were approved by the Board of Directors on 29/05/2026.

b) Use of Estimates

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Examples of such estimates include provisions for doubtful debts, future obligations under employee retirement benefit plans, income taxes, post-sales customer support and the useful lives and dismantaling expenses of fixed assets and intangible assets. The management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired.

An impairment occurs where the carrying value exceeds the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. The impairment loss to be expensed is determined as the excess of the carrying amount over the higher of the asset's net sales price or present value as determined above. Contingencies are recorded when it is probable that a liability will be incurred, and the amount can be reasonably estimated. Where no reliable estimate can be made, a disclosure is made as contingent liability. Actual results could differ from those estimates.

c) Fair Value Measurement

Some of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

The company regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as pricing services, is used to measure fair values, then the company assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

SHISH INDUSTRIES LIMITED SURAT

SHISH INDUSTRIES LIMITED SURAT

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

d) **Current and Non-Current Classification**

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non- Current classification.

An asset is treated as Current when it is –

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

e) **Property, plant and equipment**

Property, Plant & Equipment are carried at the cost of acquisition or construction less accumulated depreciation and impairment losses. The cost of Property, Plant & Equipment includes non-refundable taxes, duties, freight and other incidental expenses related to the acquisition and installation of the respective assets as per Para 11 of Ind AS - 16, (Property Plant and Equipment). Borrowing and incidental costs directly attributable to acquisition or construction of those Property, Plant & Equipment which necessarily take a substantial period of time to get ready for their intended use are capitalised as per Para 8 of Ind AS - 8 (Borrowing Costs).

Advances paid towards the acquisition of Property, Plant & Equipment outstanding at each balance sheet date and the cost of Property, Plant & Equipment not ready for their intended use before such date are disclosed under capital work-in-progress.

Depreciation on Property, Plant & Equipment is provided using the written down value method at the rates specified in Schedule II to the Companies Act, 2013 or based on the useful life of the assets as estimated by Management. Depreciation is calculated on a pro-rata basis from the date of installation till the date the assets are sold or disposed. Disclosure as per Para 75-76 of Ind AS-16 (Property, Plant and Equipment) relating to dismantling cost is unascertainable. The management is unable to estimate the dismantaling cost of individual assets as the same is impracticable, due to the complexity and size of the company.

f) **Impairment of Assets**

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the profit and loss account. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

No impairment loss for any assets have been identified and recorded during the year in terms of Para 58-64 of AS - 36, Impairment of Assets.

g) **Inventories**

SHISH INDUSTRIES LIMITED SURAT

SHISH INDUSTRIES LIMITED SURAT

Inventories are valued at cost (including cost for bringing the inventory to its current location and condition) or net realisable value whichever is less. Inventory as appearing in the financial statements is inclusive of duties, taxes and freight, in terms of Para 10 to 19 of Ind AS - 2, Inventories. Inventory excludes Goods and Services Tax.

h) **Investments**

Long-term investments are carried at cost less any other-than-temporary diminution in value, determined separately for each individual investment.

i) **Retirement Benefits**

Retirement Benefits, are accounted on Actuarial Basis.

j) **Foreign currency transactions and balances**

Export Sales have been recorded at the prevailing customs rate as on the date of removal of goods from the factory. The relevant debtor ledger is debited / credited with appropriate profit / loss on foreign exchange transactions when the sale proceeds are actually received as per Para 21 of AS - 21, (The Effect of Changes in Foreign Exchange Rates).

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date, not covered by forward exchange contracts, are translated at year-end rates. The resultant exchange differences are recognised as Other Comprehensive Income under the group Other Equity. Non-monetary assets are recorded at the rates prevailing on the date of the transaction.

k) **Revenue Recognition**

Revenue from sale of goods is recognised when significant risks and rewards in respect of ownership of products are transferred to customers. Revenue from domestic sales of products is recognised on dispatch of products to customers from the factory premises. Revenue from export sales is recognised on shipment of products from the port.

Revenue from product sales is stated exclusive of returns, applicable trade discounts, allowances, and GST.

Dividend income is recognised when the unconditional right to receive the income is established. Income from interest on deposits, loans and interest bearing securities is recognised on the time proportionate method.

Export entitlements are recognised as income when the right to receive credit as per the terms of the scheme is established in respect of the exports made and where there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

The Customs Duty Drawback benefits have been recognized as recommended by the Expert Advisory Committee of ICAI. In the opinion of the Expert Advisory Committee on the accounting treatment of Duty Drawback benefit, wherein it has been opined that the benefit under the Duty Drawback Scheme should be recognised as income when the exports (against which the credit has been granted) are made, provided the criteria for recognition of revenue under AS 9 have been fulfilled (query No. 28 of Vol. XX of Compendium of Opinions, page 96).

In the said opinion, the Committee has stated, inter alia, the following: "Under the facts and circumstances of the query, the Duty Drawback benefit should be recognised in the books of account when no significant uncertainties as to the amount of consideration that would be derived and as to its ultimate collection exist. In the case of drawback benefit on post-export basis when the company applies for the credit on realisation of export proceeds and the benefit is to be utilised for imports by the company, there seems to be no such significant uncertainty and, therefore, the drawback benefit should be recognised in the year in which the export was made."

l) **Income Tax Expense**

Income tax expense comprises current tax and deferred tax charge or credit.

Current Tax

The current charge for income taxes is calculated in accordance with the relevant tax regulations applicable to the Company.

Deferred Tax

Deferred tax charge or credit reflects the tax effects of timing differences between accounting income and taxable income for the period. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantially enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised

SHISH INDUSTRIES LIMITED SURAT

SHISH INDUSTRIES LIMITED SURAT

in future; however, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed at each balance sheet date and is written-down or written-up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realised. The break-up of the major components of the deferred tax assets and liabilities as at balance sheet date has been arrived at after setting off deferred tax assets and liabilities where the Company has a legally enforceable right to set-off assets against liabilities and where such assets and liabilities relate to taxes on income levied by the same governing taxation laws.

m) **Financial instruments**

Initial Recognition

All financial instruments are recognized initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through OCI) are included in the fair value of the financial assets. Purchase or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trade) are recognised on trade date. While, loans and borrowings and payables are recognised net of directly attributable transaction costs.

Subsequent Measurement

The classification of financial instruments depends on the objective of the business model for which it is held. Management determines the classification of its financial instruments at initial recognition.

a) **Non-derivative Financial Assets**

(i) **Financial assets at amortized cost**

A financial asset shall be measured at amortised cost if both of the following conditions are met:

(a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and

(b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding. They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest method, less any impairment loss. Trade receivables, security deposits, cash and cash equivalents, employee and other advances and eligible current and non-current assets are measured at Amortized Cost.

(ii) **Debt instruments at FVTOCI**

A debt instrument shall be measured at fair value through other comprehensive income if both of the following conditions are met:

(a) the objective of the business model is achieved by both collecting contractual cash flows and selling financial assets and

(b) the asset's contractual cash flow represent SPPI Debt instruments included within FVTOCI category are measured initially as well as at each reporting period at fair value plus transaction costs. Fair value movements are recognised in other comprehensive income (OCI). However, the Company recognises interest income, impairment losses & reversals and foreign exchange gain loss in statement of profit and loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from equity to profit and loss. Interest earned is recognised under the effective interest rate (EIR) model.

(iii) **Equity instruments at FVTOCI**

All equity instruments are measured at fair value. Equity instruments held for trading is classified as FVTPL. For all other equity instruments, the Company may make an irrevocable election to present subsequent changes in the fair value in OCI. The Company makes such election on an instrument-by- instrument basis. If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividend are recognised in OCI which is not subsequently recycled to statement of profit and loss.

(iv) **Financial assets at FVTPL**

FVTPL is a residual category for financial assets. Any financial asset which does not meet the criteria for categorization as at amortised cost or as FVTOCI, is classified as FVTPL.

SHISH INDUSTRIES LIMITED SURAT

SHISH INDUSTRIES LIMITED SURAT

In addition, the Company may elect to designate the financial asset, which otherwise meets amortised cost or FVTOCI criteria, as FVTPL if doing so eliminates or significantly reduces a measurement or recognition inconsistency. The Company has not designated any financial asset as FVTPL.

Financial assets included within the FVTPL category are measured at fair values with all changes in the statement of profit and loss.

b) Non-derivative financial Liabilities

Financial liabilities at amortized cost

Financial liabilities at amortised cost represented by borrowings, trade and other payables are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest rate method.

n) Current Assets Balances

Balances of Sundry Creditors, Sundry Debtors and loans and advances are subject to confirmation. In the opinion of the Board of Directors, the current assets, loans and advances have a realisable value at least equal to the amounts at which they are stated in the Balance Sheet.

o) Employee Benefits

Provisions of Gratuity is applicable to the company. All the provisions required to be made for the applicability of gratuity as required under Para 11 of Ind AS-19 (Employee Benefits) has been complied with. The company has made the provision of Gratuity as per the Consultancy services taken by the Management and same has been treated in the Profit & loss Statement.

p) Segment Reporting

The company is primarily engaged in manufacturing, trading and marketing of PP Corrugated Sheet and Rolls, Insulation and Building Products, Industrial Packaging Products, Consumer Products etc., which constitute a single reportable segment in accordance with Ind AS 108 - "Segment Reporting".

q) Events Occurring after the Balance Sheet Date

There were no such events occured after balance sheet date which required material disclosure by the management and auditors.

r) Change in Accounting Policies

There has been no other changes in the accounting policy, in terms of Para 14 to 21 of Ind AS - 8 (Accounting Policies, Change in Accounting Estimates and Errors).

s) Prior Period Items

During the year we had not found any prior period item. But there was a short provision for earlier years of which now given effect in profit & loss A/c.

(e) Note 32: LEASES

INR in Lakh

Assets taken on lease where the company acquires substantially the entire risks and rewards incidental to ownership are classified as finance leases. The amount recorded is the lesser of the present value of minimum lease rental and other incidental expenses during the lease term or the fair value of the assets taken on lease. The rental obligations, net of interest charges, are reflected as secured loans. Leases that do not transfer substantially all the risks and rewards of ownership are classified as operating leases and recorded as expense as and when the payments are made over the lease term. Any advance payments of operating leases is recognized as an expense over the economic useful life of the asset under lease.

The assets taken on lease by the Company includes leasehold land, and Staff Quarters taken from GIDC on future lease payments. The total of future minimum lease payments under non cancellable operating leases for each of the following periods are as shown below:

Note 40: FINANCIAL RISK MANAGEMENT

Shish Industries Limited continues to deploy a well-articulated risk management framework. This is based upon a three tiered approach encompassing (i) enterprise risks, (ii) process risks, and (iii) compliance risks.

I. Enterprise risk: The Company continue to evaluate the risk and also ensures that the mitigation processes are in place.

II. Process risk management involves assurances by the Company's Management regarding the effectiveness of business and financial controls and processes in all key activities across the various business processes.

III. Compliance risk management comprises a detailed mechanism of assurances with respect to adherence of all laws and regulations with a comprehensive reporting process that cascades upwards from the accountable business line executives to Shish Industries Limited's Audit Committee and then on to the Board of Directors.

The outcomes of business review meetings conducted by management regarding processes and their compliance, as well as observations of the Audit Committee and the Board of Directors are continuously incorporated to capture new risks and update the existing ones. All three dimensions of Shish Industries Limited's Risk Management framework are reviewed annually for their relevance and modifications, as required. The risk management process, including its tracking and adherence, is substantially enabled for greater consistency and better reporting capabilities.

markets for identical assets or liabilities [Level 1 measurements] and lowest priority to unobservable inputs [Level 3 measurements].

The categories used are as follows:

Level 1: Quoted prices for identical instruments in an active market;

Level 2: Directly (i.e. as prices) or indirectly (i.e. derived from prices) observable market inputs other than Level 1 inputs; and

Level 3: Inputs which are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a net asset value or valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

Note on Explanation for difference in amount as per Books of accounts and amount reported in quarterly statement / return filed with bank:

SHISH INDUSTRIES LIMITED SURAT

SHISH INDUSTRIES LIMITED SURAT

The difference between amounts as per books of accounts and amounts reported in quarterly statement filed with bank is because stock statements are filed with bank before updation / finalization of accounts for quarterly limited review / audit of the accounts and the figures as per Stock statements are exclusive of the Amounts receivable/payable to subsidiaries as per bank policy. Hence, Certain Discrepancies are there in Trade Receivables, Trade Payables and Stock filed with the bank.

The Members of

Shish Industries Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of **Shish Industries Limited** ("the Company") and its Subsidiary Companies (collectively referred to as "the Company" or "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2026, and the Consolidated Statement of Profit and Loss (including Other Comprehensive income), the Consolidated Statement of Changes in Equity and the consolidated Cash Flow Statement for the year then ended on that date, and a summary of significant accounting policies and other explanatory information (hereafter referred to as "The Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanation give to us, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at March 31, 2026 and its consolidated profit (financial performance including other comprehensive income), its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis of opinion

We conducted our audit in accordance with the Standards on Auditing (We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the consolidated Financial Statements section of our report. We are independent of the Group of company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated Financial Statements.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matters	How our audit addressed the key audit matter
Revenue from sale of goods	**Principal Audit Procedures:**
Revenue is measured net of discounts, incentives, rebates etc. given to the customers on the Group's sales. The Group recognizes revenues when control of the goods is transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in	Our audit procedures included the following: • Considered the appropriateness of Group's revenue recognition policy and its compliance in terms of Ind AS 115 'Revenue from contracts with customers'; • Assessed the design and tested the operating effectiveness of internal controls related to sales and related rebates and discounts;

exchange for those goods. In determining the sales price, the Group considers the effects of rebates and discounts	• Performed sample tests of individual sales transaction and traced to sales invoices sales orders and other related documents. In respect of the samples selected tested that the revenue has been recognized as per the sales arrangements;
The terms of sales arrangements, including the timing of transfer of control, the nature of discount and rebates arrangements and delivery specifications, create complexity and judgment in determining sales revenues and accordingly, it was determined to be a key audit matter in our audit of the Standalone Financial Statements.	• The management's assessment of discounts incentives and rebates recorded for the current year have been compared on an overall basis with the past practices to assess the adequacy of provisions made during the current year read with the changing competitive market dynamics as explained by the management; • We performed revenue cut-off testing by reference to bill dates of sales recorded either of the financial year end had legally sales completed; • Assessed the relevant disclosures made in the Standalone Financial Statements.

Information Other than the Financial Statements and Auditor's report thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon. These reports are expected to be made available to us after the date of our auditor's report.

Our opinion on the consolidated financial statements do not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, total comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group of Companies in accordance with the Indian Accounting Standards and the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, management of the group is responsible for assessing the Group of Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate any company of the group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors of companies are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud and error, and to issue an auditor's report that includes

SHISH INDUSTRIES LIMITED SURAT

our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

→ Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, international omissions, misrepresentations or the override of internal control.

→ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the act, we are also responsible for expressing our opinion on the internal financial controls with reference to the consolidated financial statements and operating effectiveness of such control based on our audit.

→ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

→ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusion are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group (Holding company and subsidiaries) to continue as a going concern.

→ Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

→ Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates and jointly controlled entities to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and its subsidiaries included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may be reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The financial information of one foreign subsidiary, which is located outside India whose financial statement and other financial information have been prepared in accordance with accounting principles generally accepted in that country and reflects total assets (before consolidation adjustments) of INR 574.38 Lakh as at March 31, 2026, total revenues (before consolidation adjustments) of INR 1,280.03 Lakh and net cash outflow (before consolidation adjustments) amounting to INR 17.51 Lakh for the year ended on March 31, 2026, as considered in the Consolidated Financial Statements, have not been audited either by us or by other auditors. ANNEXURE - A

TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE TO THE MEMBERS OF SHISH INDUSTRIES LIMITED ON THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31 2026

Report on the Internal Financial Controls under Section 143(3)(i) of the Companies Act 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Shish Industries Limited ("the Company" or "the Group") as of March 31, 2026 in conjunction with our audit of the consolidated financial statements of the Group for the year ended on that date and its subsidiary company which is the company incorporated in India, as of 31st March, 2026.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Group are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

The Group Companies' internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. The Group companies internal financial control over financial reporting includes those policies and procedures that

(a) pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the company;

(b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of

the company are being made only in accordance with authorizations of management and directors of the company; and

(c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Holding Company and all its Subsidiaries have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal financial control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

B. SIGNIFICANT ACCOUNTING POLICIES

a) Basis of Preparation

The company has prepared and presented the financials as per reporting requirements u/s 133 of Companies Act, 2013 and Companies (Indian Accounting Standards) Rules, 2015 ("Ind AS") as amended by Companies (Indian Accounting Standards) Rules, 2016 effective from 1st April 2016 on the accruals basis. Ind AS comprises mandatory accounting standards notified under the Companies Act, 2013. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. The Management evaluates all recently issued or revised accounting standards on an ongoing basis.

Basis of Consolidation

The consolidated financial statements have comprised financial statements of the Holding Company and its subsidiaries. Subsidiaries are all entities (including structured entities) over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. The Group can have power over the investee even if it owns less than majority voting rights i.e. rights arising from other contractual arrangements. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases. Statement of profit and loss (including other comprehensive income ('OCI')) of subsidiaries acquired or disposed of during the period are recognized from the effective date of acquisition, or up to the effective date of disposal, as applicable.

The Group combines the financial statements of the Holding Company and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealized gains on transactions between group companies are eliminated. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group.

Greenenergy International Inc is a foreign subsidiary of the holding company. The tax return filing of the foreign subsidiary has been under process for the year ending on 31/12/2025. We have relied on the work done by the

SHISH INDUSTRIES LIMITED SURAT

SHISH INDUSTRIES LIMITED SURAT

other professional upto 31/12/2025 and for the period between 01/01/2026 to 31/03/2026 we are relying on the financial statement provided to us by the management of the foreign subsidiary for the consolidated financial statement.

b) **Use of Estimates**

The preparation of the consolidated financial statements in conformity with Ind AS requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Examples of such estimates include provisions for doubtful debts, future obligations under employee retirement benefit plans, income taxes, post-sales customer support and the useful lives and dismantaling exps of fixed assets and intangible assets. The management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired.

An impairment occurs where the carrying value exceeds the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. The impairment loss to be expensed is determined as the excess of the carrying amount over the higher of the asset's net sales price or present value as determined above. Contingencies are recorded when it is probable that a liability will be incurred, and the amount can be reasonably estimated. Where no reliable estimate can be made, a disclosure is made as contingent liability. Actual results could differ from those estimates.

c) **Fair Value Measurement**

Some of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

The company regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as pricing services, is used to measure fair values, then the company assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

d) **Current and Non-Current Classification**

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non- Current classification.

An asset is treated as Current when it is –

- Expected to be realized or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

SHISH INDUSTRIES LIMITED SURAT

SHISH INDUSTRIES LIMITED SURAT

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

e) **Property Plant & Equipment and Depreciation**

Property, Plant & Equipment are carried at the cost of acquisition or construction less accumulated depreciation and impairment losses. The cost of Property, Plant & Equipment includes non-refundable taxes, duties, freight and other incidental expenses related to the acquisition and installation of the respective assets as per Para 11 of Ind AS - 16, (Property Plant and Equipment). Borrowing and incidental costs directly attributable to acquisition or construction of those Property, Plant & Equipment which necessarily take a substantial period of time to get ready for their intended use are capitalised as per Para 8 of Ind AS - 8 (Borrowing Costs).

Advances paid towards the acquisition of Property, Plant & Equipment outstanding at each balance sheet date and the cost of Property, Plant & Equipment not ready for their intended use before such date are disclosed under capital work-in-progress.

Depreciation on Property, Plant & Equipment is provided using the written down value method at the rates specified in Schedule II to the Companies Act, 2013 or based on the useful life of the assets as estimated by Management. Depreciation is calculated on a pro-rata basis from the date of installation till the date the assets are sold or disposed. Disclosure as per Para 75-76 of Ind AS-16 (Property, Plant and Equipment) relating to dismantling cost is unascertainable. The management is unable to estimate the dismantaling cost of individual assets as the same is impracticable, due to the complexity and size of the company.

f) **Impairment of Assets**

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the profit and loss account. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

No impairment loss for any assets have been identified and recorded during the year in terms of Para 58-64 of AS - 36, Impairment of Assets.

g) **Inventories**

Inventories are valued at cost (including cost for bringing the inventory to its current location and condition) or net realisable value whichever is less. Inventory as appearing in the financial statements is inclusive of duties, taxes and freight, in terms of Para 10 to 19 of Ind AS - 2, Inventories. Inventory excludes Goods and Services Tax.

h) **Investments**

Long-term investments are carried at cost less any other-than-temporary diminution in value, determined separately for each individual investment.

i) **Retirement Benefits**

Retirement Benefits are accounted on Actuarial Basis.

j) **Foreign currency transactions and balances**

Export Sales have been recorded at the prevailing customs rate as on the date of removal of goods from the factory. The relevant debtor ledger is debited / credited with appropriate profit / loss on foreign exchange transactions when the sale proceeds are actually received as per Para 21 of AS - 21, (The Effect of Changes in Foreign Exchange Rates).

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date, not covered by forward exchange contracts, are translated at year-end rates. The resultant exchange differences are recognised as Other Comprehensive Income under the group Other Equity. Non-monetary assets are recorded at the rates prevailing on the date of the transaction.

k) **Revenue Recognition**

Revenue from sale of goods is recognised when significant risks and rewards in respect of ownership of products are transferred to customers. Revenue from domestic sales of products is recognised on dispatch of products to customers from the factory premises. Revenue from export sales is recognised on shipment of products from the port.

Revenue from product sales is stated exclusive of returns applicable trade discounts allowances and GST.

Dividend income is recognised when the unconditional right to receive the income is established. Income from interest on deposits, loans and interest bearing securities is recognised on the time proportionate method.

SHISHIR INDUSTRIES LIMITED SURAT

SHISHIR INDUSTRIES LIMITED SURAT

Export entitlements are recognised as income when the right to receive credit as per the terms of the scheme is established in respect of the exports made and where there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

The Customs Duty Drawback benefits have been recognized as recommended by the Expert Advisory Committee of ICAI. In the opinion of the Expert Advisory Committee on the accounting treatment of Duty Drawback benefit, wherein it has been opined that the benefit under the Duty Drawback Scheme should be recognised as income when the exports (against which the credit has been granted) are made, provided the criteria for recognition of revenue under AS 9 have been fulfilled (query No. 28 of Vol. XX of Compendium of Opinions, page 96).

In the said opinion, the Committee has stated, inter alia, the following: "Under the facts and circumstances of the query, the Duty Drawback benefit should be recognised in the books of account when no significant uncertainties as to the amount of consideration that would be derived and as to its ultimate collection exist. In the case of drawback benefit on post-export basis when the company applies for the credit on realisation of export proceeds and the benefit is to be utilised for imports by the company, there seems to be no such significant uncertainty and, therefore, the drawback benefit should be recognised in the year in which the export was made."

l) **Income Tax Expense**

Income tax expense comprises current tax and deferred tax charge or credit.

Current Tax

The current charge for income taxes is calculated in accordance with the relevant tax regulations applicable to the Company.

Deferred Tax

Deferred tax charge or credit reflects the tax effects of timing differences between accounting income and taxable income for the period. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantially enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed at each balance sheet date and is written-down or written-up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realised. The break-up of the major components of the deferred tax assets and liabilities as at balance sheet date has been arrived at after setting off deferred tax assets and liabilities where the Company has a legally enforceable right to set-off assets against liabilities and where such assets and liabilities relate to taxes on income levied by the same governing taxation laws.

m) **Financial instruments**

Initial Recognition

All financial instruments are recognized initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through OCI) are included in the fair value of the financial assets. Purchase or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trade) are recognised on trade date. While, loans and borrowings and payables are recognised net of directly attributable transaction costs.

Subsequent Measurement

The classification of financial instruments depends on the objective of the business model for which it is held. Management determines the classification of its financial instruments at initial recognition.

a) Non-derivative Financial Assets

(i) Financial assets at amortized cost

A financial asset shall be measured at amortized cost if both of the following conditions are met:

(a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and

(b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding. They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest method, less any impairment loss. Trade receivables, security deposits, cash and cash equivalents, employee and other advances and eligible current and non-current assets are measured at Amortized Cost.

(ii) Debt instruments at FVTOCI

SHISH INDUSTRIES LIMITED SURAT

SHISH INDUSTRIES LIMITED SURAT

A debt instrument shall be measured at fair value through other comprehensive income if both of the following conditions are met:

(a) the objective of the business model is achieved by both collecting contractual cash flows and selling financial assets and

(b) the asset's contractual cash flow represents SPPI Debt instruments included within FVTOCI category are measured initially as well as at each reporting period at fair value plus transaction costs. Fair value movements are recognised in other comprehensive income (OCI). However the Company recognises interest income impairment losses & reversals and foreign exchange gain loss in statement of profit and loss. On derecognition of the asset cumulative gain or loss previously recognised in OCI is reclassified from equity to profit and loss. Interest earned is recognised under the effective interest rate (EIR) model.

(iii) Equity instruments at FVTOCI

All equity instruments are measured at fair value. Equity instruments held for trading is classified as FVTPL. For all other equity instruments, the Company may make an irrevocable election to present subsequent changes in the fair value in OCI. The Company makes such election on an instrument-by- instrument basis. If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividend are recognised in OCI which is not subsequently recycled to statement of profit and loss.

(iv) Financial assets at FVTPL

FVTPL is a residual category for financial assets. Any financial asset which does not meet the criteria for categorization as at amortised cost or as FVTOCI is classified as FVTPL.

In addition the Company may elect to designate the financial asset which otherwise meets amortised cost or FVTOCI criteria as FVTPL if doing so eliminates or significantly reduces a measurement or recognition inconsistency. The Company has not designated any financial asset as FVTPL.

Financial assets included within the FVTPL category are measured at fair values with all changes in the statement of profit and loss.

b) Non-derivative financial Liabilities

(i) Financial liabilities at amortized cost

Financial liabilities at amortised cost represented by borrowings trade and other payables are initially recognized at fair value and subsequently carried at amortized cost using the effective interest rate method.

n) Current Assets Balances

Balances of Sundry Creditors, Sundry Debtors and loans and advances are subject to confirmation. In the opinion of the Board of Directors, the current assets, loans and advances have a realisable value at least equal to the amounts at which they are stated in the Balance Sheet.

o) Employee Benefits

Provisions of Gratuity are applicable to the company. All the provisions required to be made for the applicability of gratuity as required under Para 11 of Ind AS-19 (Employee Benefits) has been complied with. The company has made the provision of Gratuity as per the Consultancy services taken by the Management and same has been treated in the Profit & loss Statement.

p) Segment Reporting

The company is primarily engaged in manufacturing, trading and marketing of PP Corrugated Sheet and Rolls, Insulation and Building Products, Industrial Packaging Products, Consumer Products etc., which constitute a single reportable segment in accordance with Ind AS 108 - "Segment Reporting".

q) Events Occurring after the Balance Sheet Date

There were no such events occurred after balance sheet date which required material disclosure by the management and auditors.

r) Change in Accounting Policies

There has been no other changes in the accounting policy in terms of Para 14 to 21 of Ind AS - 8 (Accounting Policies Change in Accounting Estimates and Errors).

s) Prior Period Items

During the year we had not found any prior period item. But there was a short provision for earlier years of which now given effect in profit & loss A/c.

Note 41: FINANCIAL RISK MANAGEMENT

Shish Industries Limited continues to deploy a well-articulated risk management framework. This is based upon a three-tiered approach encompassing (i) enterprise risks, (ii) process risks, and (iii) compliance risks.

i. Enterprise risk: The Company continue to evaluate the risk and also ensures that the mitigation processes are in place.

ii. Process risk management involves assurances by the Company's Management regarding the effectiveness of business and financial controls and processes in all key activities across the various business processes. Regarding the effectiveness of business and financial controls and processes in all key activities across the various business processes.

iii. Compliance risk management comprises a detailed mechanism of assurances with respect to adherence of all laws and regulations, with a comprehensive reporting process that cascades upwards from the accountable business line executives to Shish Industries Limited's Audit Committee and then on to the Board of Directors.

The outcomes of business review meetings conducted by management regarding processes and their compliance, as well as observations of the Audit Committee and the Board of Directors are continuously incorporated to capture new risks and update the existing ones. All three dimensions of Shish Industries Limited's Risk Management framework are reviewed annually for their relevance and modifications, as required. The risk management process, including its tracking and adherence, is substantially enabled for greater consistency and better reporting capabilities.

Fair value hierarchy

The fair value of financial instruments as referred to in note below has been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities [Level 1 measurements] and lowest priority to unobservable inputs [Level 3 measurements].

The categories used are as follows:

Level 1: Quoted prices for identical instruments in an active market;

Level 2: Directly (i.e. as prices) or indirectly (i.e. derived from prices) observable market inputs other than Level 1 inputs; and

Level 3: Inputs which are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a net asset value or valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

Notes on Financial Results:-

1. The above unaudited standalone financial results for the quarter ended September 30, 2026 have been reviewed by the Audit Committee and subsequently approved by the Board of Directors in their respective meetings held on November 5, 2026. The statutory auditors have carried out limited review of above result.

2. The unaudited standalone financial results are prepared in accordance with the Indian Accounting Standards 34 "Interim Financial Reporting" as prescribed under Section 133 of the Companies Act, 2013, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) (Amendment Rules), 2016.

3. As per Indian Accounting Standard 108 on 'Operating Segment' (Ind AS 108), the company has only one reportable segment i.e. Corrugated Plastic Products.

4. The figures for the corresponding previous period have been restated/regrouped wherever necessary, to make them comparable.

5. The company does not have any joint venture or associate companies as on 30/09/2026

6. Figures of the quarter ended March 31, 2026 are the balancing figures between audited figures in respect of the full financial year 2025-26 and year to date figures up to the third quarter of the financial year 2025-26. Also the figures up to the end of third quarter had only been reviewed and not subject to audit.

7. During the quarter under review, the Board of Directors of the Company, at its meeting held on September 23, 2026, considered and approved the proposed Composite Scheme of Amalgamation of Shish Polylam Private Limited (Transferor Company 1) and Shish Global Solutions Private Limited (Transferor Company 2), both wholly-owned subsidiaries of the Company, with Shish Industries Limited (Transferee Company) with appointed date as April 01, 2026, under Sections 230 to 232 and other applicable provisions of the Companies Act, 2013, subject to receipt of requisite statutory and regulatory approvals. Pursuant to the application filed before the Hon'ble National Company Law Tribunal, Ahmedabad Bench, the Tribunal, vide its Order dated October 31, 2026, has directed the convening of a meeting of the Equity Shareholders and Unsecured Creditors of the Company through Video Conferencing (VC) or Other Audio-Visual Means (OAVM) on December 15, 2026, at 10:30 A.M. (IST) and 12:30 P.M. (IST) respectively, to consider and, if thought fit, approve the aforesaid Scheme, with or without modification(s).

8. The Company has irrevocably elected to classify its investments in quoted equity shares as equity instruments measured at FVTOCI in accordance with Ind AS 109. In accordance with paragraphs 5.7.5 and 5.7.6, changes in fair value are recognised in OCI and accumulated in the FVTOCI Reserve under Other Equity. Fair value is determined based on quoted market prices as at the reporting date in accordance with Ind AS 113.

The company does not have any joint venture or associate companies as on 30/09/2026.

5. The figures for the corresponding previous period have been restated/regrouped wherever necessary, to make them comparable.

6. Figures of the quarter ended March 31, 2026 are the balancing figures between audited figures in respect of the full financial year 2025-26 and year to date figures up to the third quarter of the financial year 2025-26.

7. During the quarter under review, the Board of Directors of the Company, at its meeting held on September 23, 2026, considered and approved the proposed Composite Scheme of Amalgamation of Shish Polylam Private Limited (Transferor Company 1) and Shish Global Solutions Private Limited (Transferor Company 2), both wholly-owned subsidiaries of the Company, with Shish Industries Limited (Transferee Company) with appointed date as April 01, 2026, under Sections 230 to 232 and other applicable provisions of the Companies Act, 2013, subject to receipt of requisite statutory and regulatory approvals. Pursuant to the application filed before the Hon'ble National Company Law Tribunal, Ahmedabad Bench, the Tribunal, vide its Order dated October 31, 2026, has directed the convening of a meeting of the Equity Shareholders and Unsecured Creditors of the Company through Video Conferencing (VC) or Other Audio-Visual Means (OAVM) on December 15, 2026, at 10:30 A.M. (IST) and 12:30 P.M. (IST) respectively, to consider and, if thought fit, approve the aforesaid Scheme, with or without modification(s).

8. The Company has irrevocably elected to classify its investments in quoted equity shares as equity instruments measured at FVTOCI in accordance with Ind AS 109. In accordance with paragraphs 5.7.5 and 5.7.6, changes in fair value are recognised in OCI and accumulated in the FVTOCI Reserve under Other Equity. Fair value is determined based on quoted market prices as at the reporting date in accordance with Ind AS 113.

Scheme is in conformity with the accounting standards prescribed under Section 133 of the Companies Act, 2013.

13. Rationale of the Scheme:

In relation to the rationale of the scheme the Applicant Companies has stated as under:

(i) Organisational Rationale

Consolidation of the business and operations presently carried on through the Transferor Company 1 and Transferor Company 2 into a single corporate entity, thereby simplifying the corporate structure of the Transferee Company and its group, and reducing the number of legal entities, administrative layers and attendant compliance costs.

(ii) Operational and Financial Synergies

Enabling the management of the Transferee Company to exercise unified and more effective control over the combined business, and achieving operational and financial synergies by pooling financial, managerial, technological and manpower resources, thereby eliminating duplication of overheads and fixed costs and optimizing profitability

(iii) Enhanced Value, Competitiveness and Growth

Enabling the Transferee Company to realise higher value from, and a stronger competitive position on account of, its consolidated operations, and to improve access to and management of the cash flows of the combined business so as to support future growth and business opportunities.

(iv) Stakeholder and Employee Interest

Furthering the growth prospects of the personnel and employees connected with the respective Companies,

which is, correspondingly, in the larger interest of the public and other stakeholders of the Companies.

This Scheme does not, in any manner, adversely affect the rights or interest of the shareholders or creditors of the Transferor Company 1, Transferor Company 2 or the Transferee Company. As no new shares are proposed to be issued by the Transferee Company pursuant to this Scheme, the shareholding pattern and rights of its members, and the capital structure of the Transferee Company, remain unaffected. This Scheme does not constitute a compromise or arrangement with any creditor of the Companies, and all secured and unsecured creditors, as applicable, shall continue to be paid in the ordinary course of business. The net worth of the Transferee Company is, and shall remain, highly positive upon this Scheme becoming effective. Accordingly, this Scheme is beneficial to, and in the best interests of, the shareholders, creditors, employees and other stakeholders of the Companies.

14. The Ld. PCS for the applicant companies submitted that;

(i) The entire equity share capital of the Transferor Companies is held by the Transferee Company, either directly or jointly with its nominees. The Transferee Company has accorded its consent to the proposed Scheme by way of its Board Resolutions. Accordingly, the Transferor Companies seek dispensation of the meetings of the equity shareholders. Further, seeking dispensation of meetings of the secured creditor and the unsecured creditor of the Transferor Company no.1, unsecured creditor of the Transferor Company no.2 as well as the secured creditors of the Transferee Company.

(ii) Further, seeking necessary directions for convening and holding meetings of equity shareholders and unsecured creditors of the Transferee Company through remote e-voting and e-voting at the time of the VC/OVAM convened meetings.

15. Since the equity shares of the Transferee Company are listed on BSE Limited, proof of filing the draft Scheme with BSE Limited for disclosure under Regulation 37(6) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, dated 29.10.2026, has been placed on record vide Inward Diary No. D9449.

16. We have heard Ld. PCS for the applicant companies and perused the record.

17. Upon considering the application and the material presently placed on record, this Tribunal is satisfied that directions for convening the requisite meetings and for dispensing with the meetings sought to be dispensed with may be issued, subject to compliance with the applicable statutory requirements. The observations made herein are prima facie and shall not prejudice the consideration of the Scheme at the stage of final sanction, after receipt of the reports and representations required by law.

ANNEXURE - E

REPORT ADOPTED BY THE MEMBERS OF THE AUDIT COMMITTEE OF SHISH INDUSTRIES LIMITED AT ITS MEETING HELD ON WEDNESDAY, SEPTEMBER 23, 2026 AT 01:00 P.M. ON THE COMPOSITE SCHEME OF AMALGAMATION OF SHISH POLYLAM PRIVATE LIMITED AND SHISH GLOBAL SOLUTIONS PRIVATE LIMITED WITH SHISH INDUSTRIES LIMITED

PRESENT:

Mr. Rajesh Mepani	Independent Director	Chairperson
Mr. Nareshkumar Lakhani	Independent Director	Member
Mr. Satishkumar Maniya	Chairman & MD	Member

In Attendance:

Mr. Jehan Sairus Kasad	Chief Financial Officer
Ms. Suman Jat	Company Secretary

The Audit Committee of Shish Industries Limited ("Company" or "Transferee Company"), at its meeting held on September 23, 2026, considered and reviewed the proposed Composite Scheme of Amalgamation ("Scheme") providing for the amalgamation of:

1. Shish Polylam Private Limited ("Transferor Company 1"); and

2. Shish Global Solutions Private Limited ("Transferor Company 2");

with and into Shish Industries Limited ("Transferee Company"), and their respective shareholders and creditors, under Sections 230 to 232 and other applicable provisions of the Companies Act, 2013 read with the Companies (Compromises, Arrangements and Amalgamations) Rules, 2016 (Transferor Company 1, Transferor Company 2 and the Transferee Company are hereinafter collectively referred to as the "Companies" and Transferor Company 1 and Transferor Company 2 collectively as the "Transferor Companies").

Both Transferor Companies are wholly owned subsidiaries of the Transferee Company, the entire issued, subscribed and paid-up equity share capital of each of them being held by the Transferee Company (directly and/or through its nominees). Accordingly, upon effectiveness of the Scheme, the entire undertaking, business, assets, liabilities, rights, obligations and operations of the Transferor Companies shall vest in and be consolidated with the Transferee Company in accordance with the Scheme.

The Audit Committee has considered the Scheme, the rationale thereof, the financial and other information placed before it, and the applicable provisions of the Companies Act, 2013, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR Regulations"), and the applicable SEBI circulars governing schemes of arrangement.

SHISH INDUSTRIES LIMITED SURAT

After due consideration, the Audit Committee records its observations and recommendations as under:

1. Background

The Draft Composite Scheme of Amalgamation (hereinafter referred to as "Scheme") provides for the amalgamation of Shish Polylam Private Limited ("Transferor Company 1") and Shish Global Solutions Private Limited ("Transferor Company 2") with Shish Industries Limited ("Transferee Company") and their respective Shareholders and Creditors under Sections 230 to 232 of the Companies Act, 2013 and other applicable provisions of the Companies Act, 2013 ("the Act"), read with the Companies (Compromises, Arrangements and Amalgamations) Rules, 2016 and, to the extent applicable, the Master Circular No. SEBI/HO/CFD/POD-2/P/CIR/2023/93 dated June 20, 2023 ("SEBI Circular"), as issued by the Securities and Exchange Board of India ("SEBI"), read with the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("LODR Regulations").

Shish Polylam Private Limited ("Transferor Company 1") is a Private Limited Company incorporated on April 14, 2021 under the provisions of the Act, with CIN U25209GJ2021PTC122016, having its registered office at Plot No 18 to 23, Block No. 290 R.S. No 265-266, Pipodara, Mangrol, Surat, Surat, Gujarat, India, 394110. The company is presently engaged in the business of Radiant Barrier, Roof Underlayment, Paper PE / PP / EVA Lamination, Aluminum PE / PP / EVA Lamination, Woven Fabric PE / PP / EVA Lamination, nonwoven PE / PP / EVA Lamination and all kind of extrusion lamination products.

Shish Global Solutions Private Limited ("Transferor Company 2") is a Private Limited Company incorporated on August 05, 2022 under the provisions of the Act, with CIN U62099GJ2022PTC134564, having its registered office at Plot no 18 to 23, Block no 290, R.S. No 265-266, Pipodara, Mangrol, Surat, Surat, Gujarat, India, 394110. The company is presently engaged in the business of e-commerce and online trading of home, office and construction-related products, and to provide software, information technology and digital business solutions, including online marketplaces, marketing, payment processing and related services.

Shish Industries Limited ("Transferee Company"), a listed public limited company incorporated on May 11, 2017 under the provisions of the Act, with CIN L25209GJ2017PLC097273, having its registered office at 1502, 15th Floor, Junomoneta Tower, Pal RTO BRTS Road, Near Rajhans Cinema, Adajan Gam, Adajan, Adajan Dn, Surat, Surat City, Gujarat, India, 395009. The Transferee Company is engaged in the business of manufacturing and supplying industrial packaging products. The equity shares of the Transferee Company are listed on BSE Limited ("BSE") (Scrip Code: 540693).

As the Scheme solely provides for the amalgamation of wholly owned subsidiaries with their holding company, the requirement of obtaining an observation letter / no-objection letter from the stock exchange under Regulation 37 of the LODR Regulations does not apply in terms of Regulation 37(6) thereof, and the draft Scheme will be filed with BSE for the purpose of disclosure in terms of the proviso to Regulation 37(6) of the LODR Regulations read with the SEBI Circular. Further, the Scheme will be presented before the National Company Law

SHISH INDUSTRIES LIMITED SURAT

Tribunal, Ahmedabad Bench ("NCLT"), under Sections 230 to 232 and other applicable provisions of the Act.

2. Documents placed before the Committee

The following documents were, inter alia, placed before the Audit Committee of the Company:

(a) Draft of the Scheme, duly initialled for verification;

(b) Certificate from the Statutory Auditor of the Company, confirming non-applicability of Valuation Report and Fairness Opinion;

(c) Certificate from the Statutory Auditor of the Company, confirming that the proposed accounting treatment contained in the Scheme is in compliance with the accounting standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as required under the proviso to Section 230(7) and the proviso to Section 232(3) of the Act;

(d) Audited financial statements of the Transferor Companies and the Transferee Company for the financial year ended March 31, 2026 and the pre-Scheme shareholding pattern of each of the Companies;

(e) Other presentations, documents and information made to / furnished before the Audit Committee pertaining to or in relation to the draft Scheme

3. Need and Rationale of the Scheme

The Audit Committee has considered the need for the proposed amalgamation and is of the view that consolidation of the Transferor Companies with the Transferee Company will simplify the existing corporate structure and facilitate consolidation of the business operations and resources of the Group.

The Scheme is intended to achieve, inter alia, consolidation of businesses and resources, reduction in duplication of functions and administrative and compliance requirements, optimisation of operational and financial resources and more efficient management of the combined operations.

The rationale and objectives stated in the Scheme include organisational simplification, consolidation of operations, reduction of duplication and overheads, pooling of resources and achievement of operational and financial synergies.

4. Synergies and Benefits of the Scheme

The Audit Committee has considered the expected benefits and synergies arising from the proposed amalgamation, including:

- consolidation of the businesses and resources of the Transferor Companies with those of the Transferee Company;

SHISHIR INDUSTRIES LIMITED SURAT

- elimination of duplication in corporate, administrative, accounting, legal and regulatory functions;
- reduction in recurring administrative and compliance costs associated with maintaining separate legal entities;
- efficient utilisation and deployment of assets, personnel and other resources;
- simplification of the corporate structure and management oversight; and
- enabling the consolidated business to operate under a single corporate structure, thereby facilitating greater operational efficiency.

The Committee notes that the Scheme is expected to result in operational and administrative efficiencies and reduction of avoidable duplication of costs and functions.

5. Effect of the Scheme on Various Stakeholders

The Audit Committee has considered the effect of the proposed Scheme on the various stakeholders of the Companies, including the shareholders, creditors, Key Managerial Personnel, employees and Directors, and has noted the following:

a. Effect on Shareholders

Shareholders of the Transferor Companies

The Audit Committee notes that both Transferor Companies are wholly owned subsidiaries of the Transferee Company and that the entire shareholding of the Transferee Company (including shares held through its nominees) in the Transferor Companies shall stand cancelled and extinguished upon the Scheme becoming effective, without any further act or deed and without any consideration.

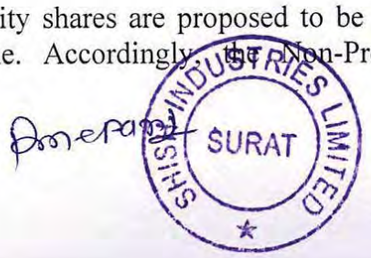

Promoter Shareholders of the Transferee Company

No equity shares or other securities are proposed to be issued or allotted by the Transferee Company pursuant to the Scheme. Accordingly, there will be no dilution of the existing shareholding of the Promoter Shareholders of the Transferee Company and their percentage shareholding, voting rights and rights attached to their existing equity shares will remain unaffected pursuant to the Scheme.

The Scheme, therefore, does not result in any alteration in the relative shareholding or control of the Promoter Shareholders of the Transferee Company.

Non-Promoter/Public Shareholders of the Transferee Company

The Audit Committee further notes that no equity shares are proposed to be issued by the Transferee Company pursuant to the Scheme. Accordingly, the Non-Promoter/Public

Shareholders will not be subject to any dilution of their existing shareholding as a consequence of the Scheme.
There will be no change in the number of equity shares held by the existing shareholders, their voting rights or their proportionate shareholding in the Transferee Company pursuant to the Scheme.

The Scheme is therefore not expected to adversely affect the rights or interests of the Non-Promoter/Public Shareholders of the Transferee Company.

The Committee also notes that the equity shares of the Transferee Company will continue to remain listed on BSE and the Scheme does not contemplate any alteration to the existing capital structure of the Transferee Company arising from issue of shares pursuant to the Scheme.

b. Effect on Creditors

The Audit Committee has considered the effect of the Scheme on the Secured and Unsecured Creditors of the Companies.

The Scheme does not contemplate any compromise, waiver, reduction or extinguishment of the legitimate claims of the creditors of the Transferor Companies or the Transferee Company. Upon the Scheme becoming effective, the liabilities and obligations of the Transferor Companies shall vest in the Transferee Company in accordance with the terms of the Scheme.

The Scheme specifically provides that the amalgamation does not constitute a compromise or arrangement with any creditor and that the Secured and Unsecured Creditors, as applicable, shall continue to be paid in the ordinary course of business.

Accordingly, the Audit Committee is of the view that the Scheme does not adversely affect the rights, interests or claims of the creditors of the Companies.

c. Effect on Key Managerial Personnel

The Audit Committee has considered the effect of the Scheme on the Key Managerial Personnel ("KMP") of the Companies.

The Scheme specifically provides that, upon coming into effect of the Scheme, the Directors or KMP of the Transferor Companies shall not become Directors or KMP of the Transferee Company merely by virtue of the Scheme.

At the same time, the Scheme does not affect any existing directorship or KMP position of a person who is already a Director or KMP of the Transferee Company as on the Effective Date. Accordingly, the Scheme does not result in any automatic appointment, removal or alteration of the position of the existing Directors or KMP of the Transferee Company.

d. Effect on Employees

The Audit Committee has considered the effect of the Scheme on the employees of the Transferor Companies.

SHISHA INDUSTRIES LIMITED SURAT

Upon the Scheme becoming effective, the employees of the Transferor Companies shall continue in the employment of the Transferee Company without any break in service and on the same terms and conditions as applicable to them immediately prior to the effectiveness of the Scheme.

The Scheme also provides for continuation of the applicable provident fund, superannuation fund, gratuity fund and other employee welfare fund arrangements for the transferred employees, with the Transferee Company assuming the corresponding obligations in respect thereof.

Accordingly, the Audit Committee notes that the Scheme is not expected to adversely affect the existing employment, continuity of service or accrued employee benefits of the employees of the Transferor Companies.

Further, consolidation of the businesses and operations is expected to facilitate more efficient utilisation of managerial, technological and manpower resources and is consistent with the stated objective of furthering the growth prospects of the personnel and employees connected with the Companies.

e. Effect on Directors

The Audit Committee has considered the effect of the Scheme on the Directors of the Companies.

The Scheme does not contemplate any automatic appointment of the Directors of the Transferor Companies to the Board of the Transferee Company. The existing directorships of the Directors of the Transferee Company shall also not be affected merely by virtue of the Scheme.

Accordingly, the Scheme does not, by itself, result in any change in the composition, tenure or rights of the existing Board of Directors of the Transferee Company.

Any appointment, cessation or change in the office of a Director of the Transferee Company, if required in future, shall be governed separately by the applicable provisions of the Companies Act, 2013, SEBI LODR Regulations and other applicable laws.

f. Overall Effect on Stakeholders

Based on the above considerations, the Audit Committee notes that:

- there is no dilution of the shareholding of either Promoter or Non-Promoter/Public Shareholders of the Transferee Company;
- no shares or other securities are proposed to be issued by the Transferee Company pursuant to the Scheme;
- there is no compromise, waiver or reduction of the legitimate claims of the creditors;

SHISHA INDUSTRIES LIMITED SURAT

- the liabilities of the Transferor Companies shall vest in the Transferee Company in accordance with the Scheme;

- the employees of the Transferor Companies shall continue in employment without break in service and on the terms and conditions provided under the Scheme;

- the Directors and KMP of the Transferor Companies do not automatically become Directors or KMP of the Transferee Company merely by virtue of the Scheme; and

- the existing positions of the Directors and KMP of the Transferee Company are not affected merely by implementation of the Scheme.

Accordingly, after considering the aforesaid matters, the Audit Committee is of the view that the proposed Scheme does not adversely affect the rights or interests of the shareholders, creditors, KMP, employees or Directors of the Companies and is in the interest of the stakeholders of the Companies.

6. Valuation and Share Exchange Ratio

The Audit Committee has noted that both Transferor Companies are wholly owned subsidiaries of the Transferee Company and no shares or other securities are proposed to be issued by the Transferee Company pursuant to the Scheme.

Accordingly, there is no requirement for determination of any share exchange ratio or entitlement ratio.

Since there is no issue or allotment of shares by the Transferee Company and there is no change in its shareholding pattern pursuant to the Scheme, the Committee notes that a valuation report from a registered valuer for determining a share exchange ratio, and a fairness opinion from an independent SEBI-registered merchant banker on such valuation, are not required for the Scheme, having regard to Regulation 37(6) of the LODR Regulations and Section 232(2)(d) of the Act, under which the report of the expert with regard to valuation is required to be circulated only if any such report exists.

7. Cost-Benefit Consideration

The Audit Committee has considered the expected costs and benefits associated with implementation of the Scheme.

The Committee notes that while the implementation of the Scheme may involve certain one-time professional, legal, regulatory and other incidental costs, the consolidation is expected to result in recurring benefits through reduction in duplication of corporate and administrative functions, rationalisation of compliance requirements and more efficient utilisation of resources.

On an overall consideration of the expected benefits and the costs incidental to implementation, the Committee is of the view that the Scheme is expected to facilitate efficient management and consolidation of the businesses and resources of the Group.

For Shish Industries Limited

SHISH INDUSTRIES LIMITED SURAT

8. Accounting Treatment

The Audit Committee has considered the accounting treatment proposed in Clause 21 of the Scheme and the relevant provisions of the Companies Act, 2013 and Appendix C (Business Combinations of Entities under Common Control) to Indian Accounting Standard (Ind AS) 103 – Business Combinations, notified under the Companies (Indian Accounting Standards) Rules, 2015, which prescribes the pooling of interests method for such combinations.

The Committee has noted that the accounting treatment contemplated under the Scheme shall be implemented in accordance with the applicable statutory accounting requirements and the applicable Ind AS. The Company has also obtained a certificate from the statutory auditor of the Company, confirming that the proposed accounting treatment contained in the Scheme is in compliance with Ind AS 103 prescribed under Section 133 of the Act, as required under the proviso to Section 230(7) and the proviso to Section 232(3) of the Act.

The Scheme also provides for the transfer and vesting of the assets, liabilities, rights and obligations of the Transferor Companies in the Transferee Company upon effectiveness of the Scheme.

9. Regulatory and Other Considerations

The Audit Committee has considered the applicable regulatory framework governing the Scheme, including the provisions of Sections 230 to 232 and other applicable provisions of the Companies Act, 2013, the SEBI LODR Regulations and the applicable SEBI circulars relating to schemes of arrangement.

The Scheme records that, being a scheme which solely provides for the amalgamation of wholly owned subsidiaries with their holding company, the requirements of Regulation 37 of the SEBI LODR Regulations and the SEBI Circular are not applicable to the Scheme, save and except the filing of the draft Scheme with BSE for the purpose of disclosure in terms of the proviso to Regulation 37(6) of the SEBI LODR Regulations.

The Committee has also noted that the equity shares of the Transferee Company are listed on BSE Limited and that the Scheme does not contemplate any issue of shares or change in the existing shareholding of the Transferee Company.

The Committee further notes that the Scheme does not, in any way, violate, override or limit the provisions of securities laws or the requirements of BSE, in compliance with Regulation 11 of the SEBI LODR Regulations.

10. Appointed Date and Effect of the Scheme

The Audit Committee has noted that the Appointed Date of the Scheme is April 01, 2026, as specified in the Scheme in terms of Section 232(6) of the Act.

Upon the Scheme becoming effective and with effect from the Appointed Date, the undertaking, assets, liabilities, rights, obligations and business of the Transferor Companies

SHISH INDUSTRIES LIMITED SURAT

shall stand transferred to and vest in the Transferee Company in accordance with the terms of the Scheme.

11. Overall Consideration of the Audit Committee

The Audit Committee, after considering the Scheme and the information and documents placed before it, including the rationale, expected synergies and benefits, impact on shareholders, absence of any issue of shares, accounting treatment and applicable regulatory requirements, is of the view that the proposed Scheme is in the interests of the Company and its shareholders and is not detrimental to the shareholders of the Company, subject to the Scheme receiving the requisite statutory, regulatory and other approvals.

Accordingly, the Audit Committee recommends the proposed Composite Scheme of Amalgamation of Shish Polylam Private Limited and Shish Global Solutions Private Limited with Shish Industries Limited for consideration and approval by the Board of Directors of the Company and thereafter by the concerned shareholders, creditors, statutory and regulatory authorities, as may be applicable.

No. 265-266, Pipodara, Mangrol, Surat, Surat, Gujarat, India – 394110.

The Transferor Company 2 is presently engaged in the business of e-commerce and online trading of home, office and construction-related products, and providing software, information technology and digital business solutions, including online marketplaces, marketing, payment processing and related services.

C. Shish Industries Limited (Transferee Company)

Shish Industries Limited is a Public Limited Company incorporated on May 11, 2017 under the provisions of the Companies Act, 2013, bearing CIN L25209GJ2017PLC097273 and having its registered office at 1502, 15th Floor, Junomoneta Tower, Pal RTO BRTS Road, Near Rajhans Cinema, Adajan Gam, Adajan, Adajan Dn, Surat, Surat City, Gujarat, India – 395009.

The Transferee Company is engaged in the business of manufacturing and supplying industrial packaging products. The equity shares of the Transferee Company are listed on BSE Limited (Scrip Code: 540693).

Both the Transferor Companies are wholly owned subsidiaries of the Transferee Company, with their entire issued, subscribed and paid-up equity share capital being held by the Transferee Company, directly and/or through its nominees.

2. NEED AND RATIONALE OF THE SCHEME

The proposed amalgamation is intended to simplify the existing corporate structure of the Group and facilitate consolidation of the business operations and resources of the Transferor Companies with the Transferee Company.

The Scheme is expected to achieve, inter alia, the following benefits:

a. Consolidation of businesses and resources of the Transferor Companies with the Transferee Company;

b. Elimination of duplication in corporate, administrative, accounting, legal and regulatory functions;

c. Reduction in recurring administrative and compliance costs associated with maintaining separate legal entities;

d. Efficient utilisation and deployment of assets, personnel and other resources;

e. Simplification of the corporate structure and management oversight; and

f. Enabling the consolidated businesses to operate under a single corporate structure, thereby facilitating greater operational efficiency and achieving operational and financial synergies.

The Board believes that the proposed Scheme is in the interest of the Companies and their respective stakeholders.

3. SYNERGIES AND BENEFITS OF THE SCHEME

The proposed amalgamation is expected to result in the following synergies and benefits:

a. Consolidation of the businesses, assets, liabilities and resources of the Transferor Companies with those of the Transferee Company;

b. Reduction in duplication of administrative, managerial and compliance functions;

c. Optimisation of operational and financial resources;

d. Reduction in recurring administrative and regulatory compliance costs;

e. Better utilisation of available infrastructure, manpower and other resources; and

f. Simplification of the corporate structure and facilitating efficient management and supervision of the consolidated business operations.

4. DISSOLUTION OF THE TRANSFEROR COMPANIES

Upon the Scheme becoming effective, Shish Polylam Private Limited and Shish Global Solutions Private Limited shall stand dissolved without winding up in accordance with the provisions of Sections 230 to 232 of the Companies Act, 2013.

Consequently, the respective Boards of Directors of the Transferor Companies shall cease to exist without any further act, instrument or deed.

5. EFFECT OF THE SCHEME ON VARIOUS STAKEHOLDERS

The Board of Directors has considered the effect of the proposed Scheme on the various stakeholders of the Companies, including shareholders, creditors, Key Managerial Personnel, employees and Directors, as under:

A. Effect on Shareholders

i. Shareholders of the Transferor Companies

Both Transferor Companies are wholly owned subsidiaries of the Transferee Company. Accordingly, upon the Scheme becoming effective, the entire shareholding of the Transferee Company, including shares held through its nominees, in the Transferor Companies shall stand cancelled and extinguished without any further act or deed and without payment of any consideration.

ii. Promoter Shareholders of the Transferee Company

No equity shares or other securities are proposed to be issued or allotted by the Transferee Company pursuant to the Scheme. Accordingly, there will be no dilution in the existing shareholding of the Promoter Shareholders of the Transferee Company and their percentage shareholding, voting rights and rights attached to their existing equity shares shall remain unaffected pursuant to the Scheme.

The Scheme provides for consolidation of the authorised share capital of the Transferor Companies with the authorised share capital of the Transferee Company and consequential alteration of Clause V of the Memorandum of Association of the Transferee Company, without any further act or deed.

Further, the main objects of the Transferor Companies, as specified in their respective Memorandum of Association, shall be inserted as additional main objects of the Transferee Company in accordance with Clause 22.2 of the Scheme.

However, the aforesaid changes shall not result in any dilution of the existing shareholding or alteration in the voting rights of the Promoter Shareholders of the Transferee Company.

iii. Non-Promoter / Public Shareholders of the Transferee Company

Since no equity shares or other securities are proposed to be issued or allotted by the Transferee Company pursuant to the Scheme, there will be no dilution in the existing shareholding of the Non-Promoter / Public Shareholders of the Transferee Company.

There will be no change in the number of issued, subscribed and paid-up equity shares held by the existing Non-Promoter / Public Shareholders, their voting rights or their proportionate shareholding in the Transferee Company pursuant to the Scheme.

The Scheme provides for consolidation of the authorised share capital of the Transferor Companies with that of the Transferee Company and consequential alteration of the Memorandum of Association of the Transferee Company. Such consolidation and alteration shall not affect the existing issued, subscribed and paid-up share capital or the proportionate shareholding of the existing shareholders of the Transferee Company.

Further, the main objects of the Transferor Companies shall be inserted as additional main objects of the Transferee Company to enable it to undertake the businesses presently carried on by the Transferor Companies.

The equity shares of the Transferee Company shall continue to remain listed on BSE Limited.

Accordingly, the Scheme is not expected to adversely affect the rights or interests of the Non-Promoter / Public Shareholders of the Transferee Company.

The Transferee Company has only one class of shares, namely equity shares, and has no outstanding preference shares. Accordingly, the effect of the Scheme set out above applies uniformly to the sole class of shareholders of the Transferee Company.

B. Effect on Creditors

The Scheme does not contemplate any compromise, waiver, reduction or extinguishment of the legitimate claims of the secured or unsecured creditors of the Companies.

Upon the Scheme becoming effective, all liabilities and obligations of the Transferor Companies shall stand transferred to and vest in the Transferee Company in accordance with the terms of the Scheme.

The Scheme also provides that the amalgamation shall not constitute a compromise or arrangement with any creditor and the secured and unsecured creditors, as applicable, shall continue to be paid in the ordinary course of business.

Accordingly, the Board is of the view that the Scheme does not adversely affect the rights, interests or claims of the creditors of the Companies.

C. Effect on Key Managerial Personnel

Upon the Scheme becoming effective, the Directors or Key Managerial Personnel of the Transferor Companies shall not automatically become Directors or Key Managerial Personnel of the Transferee Company merely by virtue of the Scheme.

Further, the Scheme does not affect any existing directorship or Key Managerial Personnel position of a person who is already holding such position in the Transferee Company as on the Effective Date.

Accordingly, the Scheme does not result in any automatic appointment, removal or alteration of the position of the existing Directors or Key Managerial Personnel of the Transferee Company.

D. Effect on Employees

Upon the Scheme becoming effective, the employees of the Transferor Companies shall continue in the employment of the Transferee Company without any break in service and on

the same terms and conditions as applicable to them immediately prior to the effectiveness of the Scheme.

Further, the applicable provident fund, superannuation fund, gratuity fund and other employee welfare fund arrangements in respect of the transferred employees shall continue in accordance with the provisions of the Scheme, with the Transferee Company assuming the corresponding obligations.

The Board is of the view that the Scheme is not expected to adversely affect the existing employment, continuity of service or accrued employee benefits of the employees of the Transferor Companies.

E. Effect on Directors

The Scheme does not contemplate any automatic appointment of the Directors of the Transferor Companies to the Board of Directors of the Transferee Company.

Further, the existing directorships of the Directors of the Transferee Company shall not be affected merely by virtue of the Scheme.

Accordingly, the Scheme does not, by itself, result in any change in the composition, tenure or rights of the existing Board of Directors of the Transferee Company.

Any appointment, cessation or change in the office of a Director of the Transferee Company, if required in future, shall be governed separately by the applicable provisions of the Act, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and other applicable laws.

F. Effect on Depositors, Debenture Holders, Deposit Trustee and Debenture Trustee

None of the Transferee Company and the Transferor Companies has accepted any deposits or has any outstanding debentures. Accordingly, there are no depositors, debenture holders, deposit trustee or debenture trustee of the Companies, and the question of any effect of the Scheme on them does not arise.

G. Overall Effect on Stakeholders

Based on the above considerations, the Board of Directors is of the view that:

a. There will be no dilution in the existing shareholding of either the Promoter or Non-Promoter / Public Shareholders of the Transferee Company;

b. No equity shares or other securities are proposed to be issued or allotted by the Transferee Company pursuant to the Scheme;

c. The authorised share capital of the Transferor Companies shall be consolidated with the authorised share capital of the Transferee Company, resulting in consequential alteration

of its Memorandum of Association, without affecting its existing issued, subscribed and paid-up share capital;

d. There will be no compromise, waiver or reduction of the legitimate claims of the creditors of the Companies, and the creditors shall continue to be paid in the ordinary course of business;

e. The assets, liabilities, rights, obligations, contracts and business of the Transferor Companies shall vest in the Transferee Company in accordance with the Scheme;

f. The employees of the Transferor Companies shall continue in employment of the Transferee Company without any interruption in service, with continuity of their past services and employee benefits in accordance with the Scheme;

g. The Directors and Key Managerial Personnel of the Transferor Companies shall not automatically become Directors or Key Managerial Personnel of the Transferee Company merely by virtue of the Scheme; and

h. The existing positions of the Directors and Key Managerial Personnel of the Transferee Company shall not be affected merely by implementation of the Scheme.

Accordingly, the Board is of the view that the proposed Scheme is in the interest of the Companies and their respective stakeholders.

6. SHARE EXCHANGE RATIO AND VALUATION REPORT

Both the Transferor Companies are wholly owned subsidiaries of the Transferee Company and the entire existing shareholding of the Transferee Company, directly and/or through its nominees, in the Transferor Companies shall stand cancelled upon the Scheme becoming effective.

No equity shares or other securities are proposed to be issued or allotted by the Transferee Company pursuant to the Scheme. Accordingly, there is no requirement for determination of any share exchange ratio or entitlement ratio.

The Company has obtained a certificate from its Statutory Auditor confirming the non-applicability of the Valuation Report and Fairness Opinion in respect of the proposed Scheme.

Accordingly, no valuation report from a Registered Valuer for determination of the share exchange ratio and no fairness opinion from an independent SEBI-registered merchant banker is required in respect of the proposed Scheme.

Further, since no shares are proposed to be issued and no share exchange ratio is required to be determined, no special valuation difficulties have arisen in relation to the Scheme.

7. COST-BENEFIT CONSIDERATION

SHISH INDUSTRIES LIMITED SURAT

The Board has considered the expected costs and benefits associated with the implementation of the Scheme.

While the implementation of the Scheme may involve certain one-time professional, legal, regulatory and other incidental costs, the consolidation is expected to result in recurring benefits through reduction in duplication of corporate and administrative functions, rationalisation of compliance requirements and more efficient utilisation of available resources. On an overall consideration of the expected benefits and the costs incidental to implementation, the Board is of the view that the Scheme is expected to facilitate efficient management and consolidation of the businesses and resources of the Group.

8. ACCOUNTING TREATMENT

The proposed accounting treatment pursuant to the Scheme is set out in Clause 21 of the Scheme.

The accounting treatment contemplated under the Scheme shall be implemented in accordance with the applicable statutory accounting requirements and Appendix C (Business Combinations of Entities under Common Control) to Indian Accounting Standard (Ind AS) 103 – Business Combinations, prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, which prescribes the pooling of interests method for such combinations.

The Company has obtained a certificate from its Statutory Auditor confirming that the proposed accounting treatment contained in the Scheme is in compliance with the applicable accounting standards prescribed under Section 133 of the Act, as required under the proviso to Section 230(7) and the proviso to Section 232(3) of the Act.

9. APPOINTED DATE AND EFFECT OF THE SCHEME

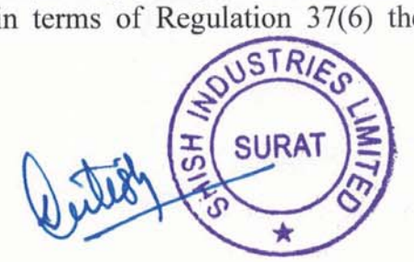

The Appointed Date of the Scheme shall be April 01, 2026, or such other date as may be approved or directed by the Hon'ble National Company Law Tribunal, Ahmedabad Bench, in accordance with the provisions of the Scheme and applicable law.

Upon the Scheme becoming effective, with effect from the Appointed Date, the entire undertaking, business, assets, properties, liabilities, duties, obligations, rights and interests of the Transferor Companies shall stand transferred to and vest in the Transferee Company as a going concern, in accordance with the terms and conditions of the Scheme.

Further, upon the Scheme becoming effective, both the Transferor Companies shall be amalgamated with the Transferee Company simultaneously.

10. REGULATORY AND OTHER CONSIDERATIONS

As the Scheme solely provides for the amalgamation of wholly owned subsidiaries with their holding company, the requirement of obtaining an observation letter / no-objection letter from the Stock Exchange under Regulation 37 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is not applicable in terms of Regulation 37(6) thereof.

However, the draft Scheme shall be filed with BSE Limited for the purpose of disclosure in accordance with the proviso to Regulation 37(6) of the SEBI LODR Regulations read with the applicable SEBI Circular.

The Scheme shall also be subject to obtaining such consents, intimations, approvals, permissions, waivers and sanctions from the statutory, regulatory and governmental authorities, including the Stock Exchange and SEBI, if any, as may be required under applicable law or as may be directed by the Hon'ble National Company Law Tribunal, Ahmedabad Bench.

11. INTEREST OF DIRECTORS, KEY MANAGERIAL PERSONNEL AND THEIR RELATIVES

None of the Directors or Key Managerial Personnel of the Transferee Company or their respective relatives is concerned or interested, financially or otherwise, in the proposed Scheme, except to the extent of their respective shareholding, if any, in the Transferee Company, the shares, if any, held by them as nominees of the Transferee Company in the Transferor Companies, and their directorships, if any, in the Transferor Companies.

12. RECOMMENDATION OF THE BOARD

The Board of Directors, after considering the rationale, expected benefits and synergies, impact on various stakeholders, absence of any issue of shares, accounting treatment and applicable statutory and regulatory requirements, is of the opinion that the proposed Composite Scheme of Amalgamation is in the interest of the Transferee Company and its shareholders and is not detrimental to the interests of its shareholders, creditors, employees and other stakeholders.

Accordingly, the Board of Directors recommends the proposed Composite Scheme of Amalgamation of Shish Polylam Private Limited and Shish Global Solutions Private Limited with Shish Industries Limited for approval of the concerned shareholders, creditors, the Hon'ble National Company Law Tribunal, Ahmedabad Bench and such other statutory, regulatory and governmental authorities, as may be applicable.

The Company is a wholly owned subsidiary of the Transferee Company, with its entire issued, subscribed and paid-up equity share capital being held by the Transferee Company, directly and/or through its nominees. The other Transferor Company is also a wholly owned subsidiary of the Transferee Company.

2. NEED AND RATIONALE OF THE SCHEME

The proposed amalgamation is intended to simplify the existing corporate structure of the Group and facilitate consolidation of the business operations and resources of the Transferor Companies with the Transferee Company. The Scheme is expected to achieve, inter alia, the following benefits:

- Consolidation of businesses and resources of the Transferor Companies with the Transferee Company;
- Elimination of duplication in corporate, administrative, accounting, legal and regulatory functions;
- Reduction in recurring administrative and compliance costs associated with maintaining separate legal entities;
- Efficient utilisation and deployment of assets, personnel and other resources;
- Simplification of the corporate structure and management oversight; and
- Enabling the consolidated businesses to operate under a single corporate structure, thereby facilitating greater operational efficiency and operational and financial synergies.

The Board believes that the proposed Scheme is in the interest of the Companies and their respective stakeholders.

3. SYNERGIES AND BENEFITS OF THE SCHEME

- Consolidation of the businesses, assets, liabilities and resources of the Transferor Companies with those of the Transferee Company;
- Reduction in duplication of administrative, managerial and compliance functions;
- Optimisation of operational and financial resources;

- Reduction in recurring administrative and regulatory compliance costs;
- Better utilisation of available infrastructure, manpower and other resources; and
- Simplification of the corporate structure and facilitating efficient management and supervision of the consolidated business operations.

4. EFFECT OF THE SCHEME ON VARIOUS STAKEHOLDERS

The Board of Directors has considered the effect of the proposed Scheme on the various stakeholders of the Companies, including shareholders, creditors, Key Managerial Personnel, employees and Directors, as under:

A. Effect on Shareholders

The Company is a wholly owned subsidiary of the Transferee Company. Accordingly, upon the Scheme becoming effective, the entire shareholding of the Transferee Company, including shares held through its nominees, in the Company shall stand cancelled and extinguished without any further act or deed and without payment of any consideration. No equity shares or other securities shall be issued or allotted by the Transferee Company pursuant to the Scheme and, accordingly, no share exchange ratio or entitlement ratio is required to be determined.

The Scheme does not contemplate any change in the existing issued, subscribed and paid-up equity share capital or the proportionate shareholding of the shareholders of the Transferee Company. The authorised share capital of the Transferor Companies shall be consolidated with the authorised share capital of the Transferee Company, with consequential alteration of Clause 5 of its Memorandum of Association. The main objects of the Transferor Companies shall also be inserted as additional main objects of the Transferee Company in accordance with the Scheme. The equity shares of the Transferee Company shall continue to remain listed on BSE Limited.

B. Effect on Creditors

The Scheme does not contemplate any compromise, waiver, reduction or extinguishment of the legitimate claims of the secured or unsecured creditors of the Companies. Upon the Scheme becoming effective, all liabilities and obligations of the Company shall stand transferred to and vest in the Transferee Company in accordance with the terms of the Scheme. The amalgamation shall not constitute a compromise or arrangement with any creditor and the secured and unsecured creditors, as applicable, shall continue to be paid in the ordinary course of business. Accordingly, the Board is of the view that the Scheme does not adversely affect the rights, interests or claims of the creditors of the Companies.

C. Effect on Key Managerial Personnel and Directors

Upon the Scheme becoming effective, the Company shall stand dissolved without winding up and its Board of Directors and offices of its Directors and Key Managerial Personnel, in their capacity as such in the Company, shall cease to exist. The Directors or Key Managerial Personnel of the Transferor Companies shall not automatically become Directors or Key Managerial Personnel of the Transferee Company merely by virtue of the Scheme. The Scheme does not, by itself, result in any automatic appointment to or removal from the Board or management of the Transferee Company.

D. Effect on Employees

Upon the Scheme becoming effective, the employees of the Company shall continue in the employment of the Transferee Company without any break in service and on the same terms and conditions as applicable to them immediately prior to the effectiveness of the Scheme. The applicable provident fund, superannuation fund, gratuity fund and other employee welfare fund arrangements in respect of the transferred employees shall continue in accordance with the provisions of the Scheme, with the Transferee Company assuming the corresponding obligations. The Board is of the view that the Scheme is not expected to adversely affect the existing employment, continuity of service or accrued employee benefits of the employees of the Company.

E. Overall Effect on Stakeholders

Based on the above considerations, the Board is of the view that the Scheme will not result in any compromise or reduction of the legitimate claims of creditors; the employees of the Company will continue in employment of the Transferee Company without interruption in service, with continuity of past service and employee benefits in accordance with the Scheme; and the business, assets, liabilities, rights and obligations of the Company shall vest in the Transferee Company in accordance with the Scheme. The Scheme is not expected to adversely affect the interests of the stakeholders of the Company.

5. SHARE EXCHANGE RATIO AND VALUATION REPORT

The Company is a wholly owned subsidiary of the Transferee Company and the entire existing shareholding of the Transferee Company, directly and/or through its nominees, in the Company shall stand cancelled upon the Scheme becoming effective. No equity shares or other securities are proposed to be issued or allotted by the Transferee Company pursuant to the Scheme. Accordingly, there is no requirement for determination of any share exchange ratio or entitlement ratio. The Transferee Company has obtained a certificate from its Statutory Auditor confirming the non-applicability of the Valuation Report and Fairness Opinion in respect of the proposed Scheme.

6. ACCOUNTING TREATMENT

The accounting treatment pursuant to the Scheme shall be as set out in Clause 21 of the Scheme and shall be implemented in accordance with the applicable statutory accounting requirements and the applicable Indian Accounting Standards. The Scheme contemplates accounting for the

amalgamation as a business combination of entities under common control in accordance with Appendix C to Ind AS 103 – Business Combinations, using the pooling of interests method, subject to the terms set out in the Scheme.

The Company has obtained a certificate from its Statutory Auditor confirming that the proposed accounting treatment contained in the Scheme is in compliance with the applicable accounting standards prescribed under Section 133 of the Act, as required under the proviso to Section 230(7) and the proviso to Section 232(3) of the Act.

7. APPOINTED DATE AND EFFECT OF THE SCHEME

The Appointed Date of the Scheme shall be April 01, 2026, or such other date as may be mutually agreed by the respective Boards of the Companies, in accordance with the provisions of the Scheme and applicable law. Upon the Scheme becoming effective, with effect from the Appointed Date, the entire undertaking, business, assets, properties, liabilities, duties, obligations, rights and interests of the Company shall stand transferred to and vest in the Transferee Company as a going concern, in accordance with the terms and conditions of the Scheme. Both Transferor Companies shall be amalgamated with the Transferee Company simultaneously.

8. OTHER CONSEQUENCES OF THE SCHEME

Upon the Scheme becoming effective, the Company shall stand dissolved without winding up in accordance with Sections 230 to 232 of the Act, without any further act, instrument or deed. All legal proceedings by or against the Company shall be continued by or against the Transferee Company. All contracts, deeds, bonds, agreements, policies and arrangements to which the Company is a party shall, in accordance with the Scheme, continue and be enforceable by or against the Transferee Company.

All tax benefits, losses, unabsorbed depreciation, credits, refunds and tax proceedings of the Company shall be transferred to or vest in the Transferee Company to the extent permissible under applicable laws and in accordance with the Scheme.

All costs, charges and expenses, including applicable taxes, duties and stamp duty, in connection with or arising out of the Scheme shall be borne and paid by the Transferee Company in accordance with the Scheme.

9. REGULATORY AND OTHER CONSIDERATIONS

The Scheme solely provides for the amalgamation of wholly owned subsidiaries with their holding company. Accordingly, the requirement of obtaining an observation letter / no-objection letter from the Stock Exchange under Regulation 37 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is not applicable in terms of Regulation 37(6) thereof. However, the draft Scheme shall be filed with BSE Limited for the purpose of disclosure in accordance with the proviso to Regulation 37(6) of the SEBI LODR Regulations read with the applicable SEBI Circular. The Scheme shall also be subject to obtaining such consents,

intimations, approvals, permissions, waivers and sanctions from statutory, regulatory and governmental authorities, including the Stock Exchange and SEBI, if any, as may be required under applicable law or as may be directed by the Hon'ble National Company Law Tribunal, Ahmedabad Bench.

10. INTEREST OF DIRECTORS, KEY MANAGERIAL PERSONNEL AND THEIR RELATIVES

None of the Directors or Key Managerial Personnel of the Company or their respective relatives is concerned or interested, financially or otherwise, in the proposed Scheme, except to the extent of their respective shareholding, if any, in the Transferee Company and/or the Transferor Companies.

11. RECOMMENDATION OF THE BOARD

The Board of Directors, after considering the rationale, expected benefits and synergies, impact on various stakeholders, absence of any issue of shares, accounting treatment and applicable statutory and regulatory requirements, is of the opinion that the proposed Composite Scheme of Amalgamation is in the interest of the Company and its stakeholders and is not detrimental to the interests of its shareholders, creditors, employees and other stakeholders.

Accordingly, the Board of Directors recommends the proposed Composite Scheme of Amalgamation of the Company and the other Transferor Company with Shish Industries Limited for approval of the concerned shareholders, creditors, the Hon'ble National Company Law Tribunal, Ahmedabad Bench and such other statutory, regulatory and governmental authorities, as may be applicable.

- Reduction in recurring administrative and regulatory compliance costs;
- Better utilisation of available infrastructure, manpower and other resources; and
- Simplification of the corporate structure and facilitating efficient management and supervision of the consolidated business operations.

4. EFFECT OF THE SCHEME ON VARIOUS STAKEHOLDERS

The Board of Directors has considered the effect of the proposed Scheme on the various stakeholders of the Companies, including shareholders, creditors, Key Managerial Personnel, employees and Directors, as under:

A. Effect on Shareholders

The Company is a wholly owned subsidiary of the Transferee Company. Accordingly, upon the Scheme becoming effective, the entire shareholding of the Transferee Company, including shares held through its nominees, in the Company shall stand cancelled and extinguished without any further act or deed and without payment of any consideration. No equity shares or other securities shall be issued or allotted by the Transferee Company pursuant to the Scheme and, accordingly, no share exchange ratio or entitlement ratio is required to be determined.

The Scheme does not contemplate any change in the existing issued, subscribed and paid-up equity share capital or the proportionate shareholding of the shareholders of the Transferee Company. The authorised share capital of the Transferor Companies shall be consolidated with the authorised share capital of the Transferee Company, with consequential alteration of Clause 5 of its Memorandum of Association. The main objects of the Transferor Companies shall also be inserted as additional main objects of the Transferee Company in accordance with the Scheme. The equity shares of the Transferee Company shall continue to remain listed on BSE Limited.

B. Effect on Creditors

The Scheme does not contemplate any compromise, waiver, reduction or extinguishment of the legitimate claims of the secured or unsecured creditors of the Companies. Upon the Scheme becoming effective, all liabilities and obligations of the Company shall stand transferred to and vest in the Transferee Company in accordance with the terms of the Scheme. The amalgamation shall not constitute a compromise or arrangement with any creditor and the secured and unsecured creditors, as applicable, shall continue to be paid in the ordinary course of business. Accordingly, the Board is of the view that the Scheme does not adversely affect the rights, interests or claims of the creditors of the Companies.

C. Effect on Key Managerial Personnel and Directors

Upon the Scheme becoming effective, the Company shall stand dissolved without winding up and its Board of Directors and offices of its Directors and Key Managerial Personnel, in their

SHIVA GLOBAL SOLUTIONS LTD. SURAT

capacity as such in the Company, shall cease to exist. The Directors or Key Managerial Personnel of the Transferor Companies shall not automatically become Directors or Key Managerial Personnel of the Transferee Company merely by virtue of the Scheme. The Scheme does not, by itself, result in any automatic appointment to or removal from the Board or management of the Transferee Company.

D. Effect on Employees

Upon the Scheme becoming effective, the employees of the Company shall continue in the employment of the Transferee Company without any break in service and on the same terms and conditions as applicable to them immediately prior to the effectiveness of the Scheme. The applicable provident fund, superannuation fund, gratuity fund and other employee welfare fund arrangements in respect of the transferred employees shall continue in accordance with the provisions of the Scheme, with the Transferee Company assuming the corresponding obligations. The Board is of the view that the Scheme is not expected to adversely affect the existing employment, continuity of service or accrued employee benefits of the employees of the Company.

E. Overall Effect on Stakeholders

Based on the above considerations, the Board is of the view that the Scheme will not result in any compromise or reduction of the legitimate claims of creditors; the employees of the Company will continue in employment of the Transferee Company without interruption in service, with continuity of past service and employee benefits in accordance with the Scheme; and the business, assets, liabilities, rights and obligations of the Company shall vest in the Transferee Company in accordance with the Scheme. The Scheme is not expected to adversely affect the interests of the stakeholders of the Company.

5. SHARE EXCHANGE RATIO AND VALUATION REPORT

The Company is a wholly owned subsidiary of the Transferee Company and the entire existing shareholding of the Transferee Company, directly and/or through its nominees, in the Company shall stand cancelled upon the Scheme becoming effective. No equity shares or other securities are proposed to be issued or allotted by the Transferee Company pursuant to the Scheme. Accordingly, there is no requirement for determination of any share exchange ratio or entitlement ratio. The Transferee Company has obtained a certificate from its Statutory Auditor confirming the non-applicability of the Valuation Report and Fairness Opinion in respect of the proposed Scheme.

6. ACCOUNTING TREATMENT

The accounting treatment pursuant to the Scheme shall be as set out in Clause 21 of the Scheme and shall be implemented in accordance with the applicable statutory accounting requirements and the applicable Indian Accounting Standards. The Scheme contemplates accounting for the amalgamation as a business combination of entities under common control in accordance with Appendix C to Ind AS 103 – Business Combinations, using the pooling of interests method,

subject to the terms set out in the Scheme. The Company has obtained a certificate from its Statutory Auditor confirming that the proposed accounting treatment contained in the Scheme is in compliance with the applicable accounting standards prescribed under Section 133 of the Act, as required under the proviso to Section 230(7) and the proviso to Section 232(3) of the Act.

7. APPOINTED DATE AND EFFECT OF THE SCHEME

The Appointed Date of the Scheme shall be April 01, 2026, or such other date as may be mutually agreed by the respective Boards of the Companies, in accordance with the provisions of the Scheme and applicable law. Upon the Scheme becoming effective, with effect from the Appointed Date, the entire undertaking, business, assets, properties, liabilities, duties, obligations, rights and interests of the Company shall stand transferred to and vest in the Transferee Company as a going concern, in accordance with the terms and conditions of the Scheme. Both Transferor Companies shall be amalgamated with the Transferee Company simultaneously.

8. OTHER CONSEQUENCES OF THE SCHEME

Upon the Scheme becoming effective, the Company shall stand dissolved without winding up in accordance with Sections 230 to 232 of the Act, without any further act, instrument or deed. All legal proceedings by or against the Company shall be continued by or against the Transferee Company. All contracts, deeds, bonds, agreements, policies and arrangements to which the Company is a party shall, in accordance with the Scheme, continue and be enforceable by or against the Transferee Company.

All tax benefits, losses, unabsorbed depreciation, credits, refunds and tax proceedings of the Company shall be transferred to or vest in the Transferee Company to the extent permissible under applicable laws and in accordance with the Scheme.

All costs, charges and expenses, including applicable taxes, duties and stamp duty, in connection with or arising out of the Scheme shall be borne and paid by the Transferee Company in accordance with the Scheme.

9. REGULATORY AND OTHER CONSIDERATIONS

The Scheme solely provides for the amalgamation of wholly owned subsidiaries with their holding company. Accordingly, the requirement of obtaining an observation letter / no-objection letter from the Stock Exchange under Regulation 37 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is not applicable in terms of Regulation 37(6) thereof. However, the draft Scheme shall be filed with BSE Limited for the purpose of disclosure in accordance with the proviso to Regulation 37(6) of the SEBI LODR Regulations read with the applicable SEBI Circular. The Scheme shall also be subject to obtaining such consents, intimations, approvals, permissions, waivers and sanctions from statutory, regulatory and governmental authorities, including the Stock Exchange and SEBI, if any, as may be required under applicable law or as may be directed by the Hon'ble National Company Law Tribunal, Ahmedabad Bench.

10. INTEREST OF DIRECTORS, KEY MANAGERIAL PERSONNEL AND THEIR RELATIVES

None of the Directors or Key Managerial Personnel of the Company or their respective relatives is concerned or interested, financially or otherwise, in the proposed Scheme, except to the extent of their respective shareholding, if any, in the Transferee Company and/or the Transferor Companies.

11. RECOMMENDATION OF THE BOARD

The Board of Directors, after considering the rationale, expected benefits and synergies, impact on various stakeholders, absence of any issue of shares, accounting treatment and applicable statutory and regulatory requirements, is of the opinion that the proposed Composite Scheme of Amalgamation is in the interest of the Company and its stakeholders and is not detrimental to the interests of its shareholders, creditors, employees and other stakeholders.

Accordingly, the Board of Directors recommends the proposed Composite Scheme of Amalgamation of the Company and the other Transferor Company with Shish Industries Limited for approval of the concerned shareholders, creditors, the Hon'ble National Company Law Tribunal, Ahmedabad Bench and such other statutory, regulatory and governmental authorities, as may be applicable.

Annexure 1

21.1. Upon the Scheme becoming effective the Transferee Company shall account for the merger of the Transferor Company 1 and Transferor Company 2 in the books of accounts in accordance with "Pooling of Interest Method" of accounting as laid down in Appendix C, Business Combinations of entities under common control, of the Indian Accounting Standard (Ind-AS) 103. Business Combinations. notified under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as under:

21.2. All the assets and liabilities in the books of the Transferor Company 1 and Transferor Company 2 shall stand transferred to and vested in the Transferee Company pursuant to the Scheme and shall be recorded by the Transferee Company at their respective carrying amounts as appearing in the consolidated financial statements of the Transferee Company and its subsidiaries (the Group), as at the appointed date.

21.3. No adjustments are made to reflect fair values or recognize any new assets or liabilities except to harmonize accounting policies between the Transferor Company 1 and Transferor Company 2 and Transferee Company. To harmonize accounting policies, the accounting policies followed by the Transferee Company shall prevail, and the difference shall be adjusted in the revenue reserves of the Transferee Company to ensure that the financial statements of the Transferee Company reflect the financial position on the basis of consistent accounting policies.

21.4. All the reserves in the books of the Transferor Company 1 and Transferor Company 2 shall stand transferred to and vested in the Transferee Company pursuant to the Scheme and shall be recorded by the Transferee Company at their respective carrying amounts and in the same form as appearing in the consolidated financial statements of the Transferee Company and its subsidiaries (the Group), as at the appointed date.

21.5. Intercompany transactions and balances including loans, advances, receivable or payable inter se between the Transferor Company 1 and Transferor Company 2 and the Transferee Company as appearing in their books of accounts, if any shall stand cancelled.
