10 STR TASKS STEALING YOUR TIME.

See what top hosts automate in 2026.

STAYWISE PRO
SELF-MANAGING MADE SIMPLE

The 10 STR Systems Top Hosts Automate First

If you're manually managing 3+ of these, you're spending unnecessary time.

01 **Booking Confirmation + Guest Onboarding**

02 **Automatic Smart Lock Code Generation**

03 **Automated Pre-Arrival Guest Instructions**

04 **Automated Checkout Reminder + Departure Checklist**

05 **Automated Review Request System**

06 **Dynamic Pricing Based on Demand + Seasonality**

07 **Automatic Cleaning Scheduling + Turnover Coordination**

08 **Structured Maintenance Escalation Protocol**

09 **Unified Calendar + Centralized Guest Messaging**

10 **Monthly Performance Snapshot (ADR, Occupancy, Revenue)**

Where You Stand

0–2 → You're ahead of most self-managing hosts
3–5 → You're spending unnecessary time every week
6+ → You've built yourself a second job

If you'd like help identifying which 1–2 systems would create the biggest impact for your property, schedule a complimentary 20-minute STR Automation Audit.
