10 STR TASKS STEALING YOUR TIME

See what top hosts automate in 2026.

STAYWISE PRO

SELF-MANAGING MADE SIMPLE

The 10 Systems High-Performing Hosts Automate

If you're manually managing 3+ of these, you're spending unnecessary time.

- 01 Guest Onboarding
- 02 Smart Lock Access
- 03 Pre-Arrival Communication
- 04 Checkout + Turnover
- 05 Review Requests
- 06 Dynamic Pricing
- 07 Cleaning Coordination
- 08 Maintenance Escalation
- 09 Calendar Sync & Messaging
- 10 Monthly Performance Reporting

Where You Stand

- 0-2 → You're ahead of most self-managing hosts
- 3-5 → You're spending unnecessary time every week
- 6+ → You've built yourself a second job

If you'd like help identifying which 1-2 systems will create the biggest impact for your property, schedule a complimentary 20-minute STR Automation Audit.
