Severe Weather Make-up Policy

In the event of school closure(s) due to severe weather, Central Florida Preparatory School (CFP) has designated the following days as potential make-up days: all teacher workdays, the three days of Thanksgiving break, and Presidents' Day.

If additional instruction time is needed, CFP may also utilize alternative measures such as extending Wednesdays, lengthening the regular school day, or extending the school year. These provisions ensure that CFP meets the State of Florida's required number of instructional hours for the academic year.
