Bio

Paul's mission is to enrich our world by positively impacting a million love lives. His career includes a unique cornucopia of chapters, now as a certified Sexologist (ABS) and Sexuality Educator (AASECT) with prior decades as a Management Consultant (IMC), vegetarian restaurateur, and programmer of the first Flight Simulator for the Mac. He has guest spoken on podcasts worldwide for his book, "The Spark You've Been Missing: Unmask Disconnection and Deepen Relationships Using the Authintimacy Framework," following co-authoring, "Writing From The Heart".

Paul launched SchoolForLove.com during Covid, seeing its tremendous toll on dating and relationships. After helping soulful singles in their prime in the **Great Dating Reset** program, he launched **Reground + Rebound**, leveraging three decades co-facilitating groups up to 400 men. He then launched SchoolForLovers.com as Forbes reported 90% of Americans felt their sexual education ill-prepared them for real-world relationships.

His studies include the **traditional** (Univ. of Illinois at Urbana-Champaign as well as Harvard's Executive Program) and the **nontraditional** (Nonviolent Communication, The Wheel of Consent, Human Awareness Institute, Mankind Project, Landmark Education, Context Associated, Intl School of Temple Arts, The Body Electric School, Tony Robbins, etc.)

Paul is a member of the American Board of Sexology, Coalition for Sexual Freedom, and World Association for Sexual Health. He supports all gender identies and gender preferences, and is committed to reducing the Orgasm Gap and destigmatizing adult pleasure and sexually transmitted infections.
