

SUPPORTING SERVICE MEMBERS, VETERANS & THEIR FAMILIES

MISSION

Help A Veteran Everywhere (H.A.V.E.) exists to serve and honor service members, veterans and their families by providing compassionate assistance, connecting individuals with critical resources, promoting wellness and independence, and fostering communities where every service member, veteran, and their families are valued, respected and supported.

VISION

A future in which every service member, veteran, and their families regardless of circumstance or location, has access to the resources, support, and opportunities needed to thrive.

To fulfill President Abraham Lincoln's promise:

"to care for those who have served in our nation's military and for their families, caregivers and survivors."

WHAT IS H.A.V.E.?

H.A.V.E. is a veteran-owned, nonprofit organization headquartered in Lexington, KY that provides a direct conversation with a combat veteran who has overcome the challenges and barriers that many veterans face transitioning from the military to civilian life.

Through his professional and personal experiences, he is able to discuss employment preparation, housing referrals, provide information on local, state, federal agencies and resources.

As a caregiver to a veteran service-connected family member, he understands the many facets of the VA Federal benefits available to veterans, spouses, dependents and caregivers.
