

FORECLOSURE / PRE-FORECLOSURE

Jenny — Fort Worth, TX

Hundrd Homes | Serving Tarrant County, TX | (817) 993-5437 | alex@hundrdhomes.com | hundrdhomes.com

THE SITUATION

Jenny was 11 months behind on her mortgage payments. Over the course of nearly a year, she had spoken with multiple realtors and investors — every single one either couldn't help or wanted to lowball her once they sensed the desperation.

By the time she found us, the foreclosure clock was loud and the weight of the situation had her avoiding calls from her own lender. In Texas, that clock moves fast — once the notice is published you have as little as 21 days.
