VOCATIONAL STATEMENT

"The Northern Synod acknowledges that God,
through the congregations
and in the communities
where we have been placed,
uses us to bring HOPE
and to make a DIFFERENCE.

"We the Synod want to play a supporting role
by being a relationship-centred organisation,
dependant on God the Trinity
and, in the creative power of the Holy Spirit,

- *To help to build congregations*
  that seek the Kingdom of God,
  every congregation in its own context,

and

- *To reach out to the surrounding community*
  by means of joint work,

which cannot be done
separately
by presbyteries or congregations."
