Northern Synod

TASK TEAM FAMILY DISCUSSIONS

Report

1. Assignment

During the term to conduct family discussions where required.

2. Task Team

Task Team Leader: Director

Task Team Members: Moderamen

3. Execution of the assignment

In the run-up to the General Synod's session in 2023 there were two discussions in which delegates discussed the agenda.

- The full moderamen visited the Presbytery of Louis Trichardt for two days to discuss several concerns.
- At the request of the Dalunie Congregation the full moderamen had an evening discussion at the congregation about doleance [the protest of conscience].
- The full moderamen had a number of meetings with congregations, rings, as well as other denominational bodies such as the CSC and SCMMC.

4. Closing word

The discussion process was very valuable and can be continued, without reservations, in the new term.
