Northern Synod

TASK TEAM PENTECOST 1&2&3&4

Report

1. Assignment

To prepare material for Pentecost for use by all congregations who want to do so.

2. Task Team

The task team leader: Bernice Serfontein

Task team: Fanie Cronjé, Luné Dorflingh, Carli Fourie, Anandie Greyling, James Kirkpatrick, Kobus Myburgh, Freddie Prozesky, Dewald Roux, Annette Slasluz, Danie Ueckerman, Danie Ueckerman, Ernst van Wyk.

3. Execution of the assignment

Ultimately, there were four different task teams for Pentecost:

- The feedback, after the first round in **2023** when the theme was *The Lord's Prayer*, was so positive that a task team was again appointed for **2024**. However, before the task team could really get going, it was decided that congregations should in 2024 get the opportunity to do their own thing.
- For **2025** a third task team was appointed to prepare the theme: *Hold on to One Another.*
- Eventually there was a fourth task team led by Dewald Roux. This team focused on material for children and went to much trouble to provide visual material.

Some congregations went ahead with their own series but then used the task team's material for a sermon series later in the year.

4. Closing word

The SSC could consider providing material for Pentecost in the next term, given the positive feedback received in the present one.
