(Executive Committee of the SSC)

1. Members

Hannes Bezuidenhout (Actuary)
Cronjé, Fanie (Assessor)
Grobler, Paul (Director)
Rheeder, Rehan (Executive Officer)
Schoeman, Lizl-Louise (Moderator)
Serfontein, Bernice (Additional member)
Snyman, Fritz (Additional member)

Initially, Dewyk Ungerer was the moderator. However, at the end of 2023 he accepted a full-time post at the General Synod and therefore had to resign as chairperson. Lizl-Louise, who at the session of the synod was elected as assessor, was elected as moderator at the first SSC meeting of 2024.

At the same meeting, Fanie Cronjé, who had initially been an additional member, was elected as assessor. Fritz Snyman was consequently chosen on the same day as an additional member.

2. Activities

The moderamen acts as executive committee of the SSC and has, exclusively, a leader's role. This means that the moderamen takes the strategic lead. The executive committee also manages tasks assigned to it by the SSC, as well as day-to-day management tasks.

To this end, thirty-three meetings were held since the previous session of the synod in October 2022. Three of these meetings took place after the last SSC meeting of the term.

3. Session of the Synod

The SSC instructed to moderamen to be the team to design the session of the synod from 18-22 October 2026.

The moderamen reported on its activities at every SSC meeting.

4. Recommendations

4.1 The synod decides, in light of the high premium on continuity, seriously to request members who will not be available for a full term of four years not to make themselves available to be elected as members of the SSC or moderamen.
