LONGEVIS 13
SOURCE OF LIFE

Smart Electronic FAUCET

easy-to-use dual-dispensing

THE INDUSTRY LEADER IN ALKALINE WATER IONIZER TECHNOLOGY.

union life

Smart Electronic **FAUCET**

Premium smart touch button and full-color LED panel with a wide viewing angle.

union life

Smart Electronic **FAUCET**

Full-color display showing pH levels and the self-diagnosis system, along with the remaining lifespan (in liters) of each filter.

Our smart touch panel simplifies operation—designed for intuitive use—and helps extend the lifespan of your water ionizer by making it easy to produce the desired type of water.

Technical Specifications

Type of product	Smart electronic faucet
Name of the product	Smart electronic faucet Longevis 13
Size	25,5 cm x 30 cm x 45 cm
Weight	2 Kg
Maximum water supply pressure	70 PSI
Applicable water temperature	5 / 30 C°
Display	Full Color LED
Filter life indicator	LED bar graph

Smart Electronic **FAUCET**
Technical Specifications

Spout length (long one)	14 cm
Spout length (short one)	11 cm
Faucet height	25,5 cm
Flow regulation	Automatic
Alkaline setting	1-2-3-4
Acidic setting	1-2-3
Purified Neutral setting	1
Ionized water production rate	3 liters per minute
