

First Harvest Ministry Feast Assistance Fund

“So that all may appear before Yahweh with joy.”

The First Harvest Ministry Feast Assistance Fund exists to help faithful members and families who sincerely desire to attend Yahweh’s appointed Feast Days but are experiencing financial hardship.

Our prayer is that financial limitations never become the reason someone is unable to fellowship, worship, and rejoice before Yahweh during His appointed times. Through the generosity of the Body and careful stewardship of these funds, we seek to assist those with demonstrated need.

Applications are reviewed prayerfully and confidentially by the **First Harvest Ministry Feast Assistance Committee** using established ministry guidelines. Assistance is based on available funds, demonstrated financial need, and the applicant’s participation and commitment within the ministry.

Assistance May Include:

- Feast registration assistance
- Lodging and food assistance
- Travel assistance
- Other approved Feast-related expenses

Please keep in mind that while we sincerely desire to help as many as possible, submitting an application does not guarantee assistance. Each request is thoughtfully and prayerfully considered, and support is provided as funds allow.

We encourage you to complete the application as thoroughly as possible so the committee can best understand your situation and serve you with care. The link to the online Feast Assistance Application is at the bottom of this letter. *The deadline to submit an application is July 28, 2026.*

If you have questions regarding the application process, please contact the **First Harvest Ministry Feast Assistance Committee via email.**

Once your application has been received, you will receive an email confirming its receipt. The committee will prayerfully review each application and notify applicants of the committee's decision by email prior to the requested appointed Feast, allowing sufficient time to make travel and lodging arrangements.

We appreciate your patience as each application is reviewed carefully, confidentially, and with prayer.

"Every man shall give as he is able, according to the blessing of Yahweh your Elohim which He has given you."

— **Deuteronomy 16:17**

We look forward to helping faithful families gather together to celebrate Yahweh's appointed Feast Days.
