SALE DATE & TIME
Wednesday, December 9, 2026 • 1:00 p.m. MT

SALE LOCATION
Gill Red Angus sale facility • On the ranch
Timber Lake, South Dakota

DIRECTIONS TO SALE
Gill Red Angus Ranch is located 120 miles south of Bismarck, ND, 34 miles west of Mobridge, SD and 6 miles east of Timber Lake, SD.

If traveling east from Timber Lake: Go 6 miles on Highway 20 to ranch turnoff. Turn left, go north 1.5 miles. Turn left, go west ½ mile.

If traveling west from Mobridge or Bismarck: From Highway 63 and Highway 20 Junction, go 8.5 miles west to ranch turnoff. Turn right, go north 1.5 miles. Turn left, go west ½ mile.

ACCOMODATIONS
Timber Lake, South Dakota
The Limit Lodge – 1-605-865-3526
Mobridge, South Dakota
Wrangler Motor Inn • 605-845-3641
Grand River Casino • 800-475-3321

LUNCH
Steaks are provided by Dacotah Bank of Aberdeen. Crop 1 Insurance will be grilling the steaks.

VIDEO
A video of each lot will be on both www.dvauction.com and www.gillredangus.com. The sale will be a video sale. The bulls & heifers will not be run through a sale ring, but instead of a sale ring, several big screen TV's will be displayed throughout the sale barn and a video of each bull will be displayed when each lot is being sold.

SALE ORDER
Cattle will sell in catalog order, but are subject to change on sale day.

INSPECTION OF BULLS
You can view the bulls, heifers, and cows any time before sale day.

LOT TAGS
Ear tag numbers on the sale cattle will correspond to the sale catalog.

RETAINED SEMEN INTEREST
We are retaining ¼ semen interest in every bull selling unless otherwise specified. Buyer gets ¾ interest, full possession and full salvage value. This reserves us the right to collect semen on any bull in the sale at the buyer's convenience.

HEALTH, VACCINATIONS, & REQUIRED TRICH TESTING
At Gill Red Angus we maintain a consistent mineral and vaccination program. From birth to weaning, our calves receive their necessary vaccinations and remain on vitamins and minerals to aid in maintaining health as they grow. These bulls have also been poured prior to pasture and receive an oral dewormer when coming home as well as being poured again for lice.

NO LOAD OUT AFTER DARK ON SALE DAY

SALE TERMS & CONDITIONS
Any terms and conditions not covered by the catalog will refer to the Standard Terms & Condtions set forth by the Red Angus Association of America.

GILL RED ANGUS GUARANTEE
All bulls that are in good breeding condition at the beginning of the first breeding season are guaranteed breeders. This does not include any injury. Any bull that settles one third or more of the healthy cows he services or passes a fertility test made by a competent veterinarian during the first six months after the sale date is considered a good breeder. All claims for adjustment or refund must be made within six months of sale date. All bulls returned must be in good and healthy condition. Any bulls given a fertility test within the first six months after the sale date will be at the buyer's expense. All bulls are guaranteed to be breeders, however, no guarantee is given that the semen collected from a bull will freeze.

INSURANCE
An injury and mortality insurance is available on all bulls. Insurance is available through Ray Trudeau of Martin-Trudeau Insurance - 605-770-5170.

This sale will be broadcast live online at

DVAuction
Broadcasting Real-Time Auctions
Real time bidding & proxy bidding available.

The Gill Red Angus Customer Marketing Program

"You Buy Our Bulls, We Will Bid on Your Calves"

Something that sets us apart from most of our competition is our Customer Service Program. Our slogan is "You buy our bulls and we will bid on your calves." This has really helped our customers on selling day. We have run replacement heifers up as much as $15 per hundred weight! Add that up on a load of 525 lbs replacement heifers and that is an extra $7,500 in your pocket. Compare that to what is offered by other seed stock producers, how can you go wrong?

Here is how it works:

- ✓ **First you must be a Gill Red Angus customer. At marketing time, contact Gill Red Angus with the marketing option you wish to pursue:**
  - **Complete Retained Ownership**
  - **Partial-Partnership Retained Ownership**
  - **Livestock Auction or Off-the-Farm Marketing - Sell your calves off-the-farm or at the stockyards and a Gill staff member will be there to place a bid on them for you.**
  - **Discounted semen available to all customers who want to AI.**
- ✓ **When possible, we will work with our customers to help form co-mingled loads of calves. Upon harvest, if possible, Gill Red Angus will prepare a report, complete with feed yard and harvest data, for your use.**
- ✓ **We are also available for consultations regarding breeding, replacement heifer procurement, and all marketing options. We will help you in any way we can to make your bottom dollar grow.**

"You Buy Our Bulls, We Will Bid on Your Calves"

Welcome to the Gill Red Angus Bull & Commercial Female Sale!

We would like to personally invite you to the annual "You Buy Our Bulls, We Will Bid On Your Calves" Gill Red Angus Bull & Commercial Bred Heifer & Cow Sale! We are excited to welcome both longtime customers and new faces as we offer another set of Red Angus genetics that we are proud to stand behind.

Brent and Bryan

At Gill Red Angus, our goal has always been to raise practical, hardworking performance cattle that will go out and work for their new owners, while having one of the best customer service programs the industry has to offer. We focus on producing bulls with sound structure, natural thickness, good dispositions, and the ability to add pounds and value to your calf crop.

We understand that every operation is different, and we appreciate the trust our customers place in our program. Whether you are looking for your next herd bull or some really good bred females, we hope you will take the time to study this offering as we believe it will help move your operation forward.

This group of bulls has really met expectations starting at weaning heavy, growing well over the winter and packing the pounds on over the summer on grass. We develop them to stay sound and grow on their own, instead of being pushed. By doing this, we think the bulls will last longer for you.

Larry and Janet

The Commercial bred heifers were again purchased last winter from some of our better end long time customers. Brent and Emily will also have a group of both Red Angus and Buckskin bred heifers in the offering. Also, this year we will have a nice group of commercial bred cows. We feel these heifers and cows are some of the best the country has to offer. What a great time to invest into your businesses future.

Most importantly, we want to thank our past customers for your continued support. The relationships we have built through the cattle business mean a great deal to us, and we never take that support for granted. By working together, we can all be successful.

We encourage you to come early, look through the cattle, enjoy some good conversation, and join us on sale day. If you can't make it, videos of each lot will be on DV Auction two weeks before the sale where you can view and bid online. Every year we help customers who can't make it to the sale, and want us to buy their bulls for them. Please know this is an option as well. We look forward to visiting with you and helping you find the right genetics for your program.

Thank you for your interest in Gill Red Angus. We look forward to seeing you at the sale!

Sincerely,

The Gill Family

Gill Red Angus

Visit Our Website www.gillredangus.com

A video of each bull is available on the website

Gill Red Angus Delivery

We will start delivering bulls directly after the sale. All of the heifers and cows will be shipped right after the sale. The trucking for the females will be at the buyer's expense.

We will continue to deliver bulls for free if you are from ND, SD, NE, and parts of MN, WY, and MT. (See map for details) We will deliver with both a semi and a stock trailer. If possible, we will deliver to your ranch, but it's not always possible, especially if we use our semi. So in those times, we ask that we meet you at "central points", like a sale barn.

For all other states, here are our delivery charges. We will charge $150 per head for the first 450 miles, and for every hundred miles after that, it's an additional $100 per head. Depending on the situation, we may ask you to meet us along the way. Also, if we have a trailer load of bulls going to the same area, the delivery charges will be adjusted less.

350 Commercial Bred Heifers

Gill Red Angus Owned Heifers

For the past several years, we have been proud to purchase the best replacement heifers from our customers, breed them, and offer them back to you as another outstanding product from Gill Red Angus. We truly believe this is one of the absolute best sets of heifers that we have ever offered. These females are deep-bodied, long-sided, feminine, and built with the kind of quality that will improve any cow herd. Over the years, we have sold heifers through this sale to cattlemen across the country, and they have gone on to perform exceptionally well in a wide variety of environments. We are confident this group will be no different. This year's offering was hand-selected from Raile Ranch of Eureka, SD; Dahner Ranch of Almont, ND; Mark Leibel from Glencross, SD; and Keith Suchy of Mandan, ND. Calving Ultrasound dates and a full count will be available before the sale and after the final preg check.

There will be approximately:
2 semi loads of AI bred for March 1 to 10 • 2 semi loads of bull bred March 11 to March 31
1 semi load of April 1 to April 21 • 15 head April 22 to May 22.

Brent and Emily Gill Owned Heifers

Brent and Emily purchased a few group of heifers from Gill Red Angus customers last fall and winter. The Red heifers came from Daryl Metzinger of Pierre, SD. They were AI bred and ran with all of the Gill Red Angus heifers over the summer and used the same calving ease bulls. The buck skin heifers were purchased from JR Marshall of Timber Lake, SD and Allen Walth of Glenham, SD. They were AI bred and ran with Gill Red Angus clean up bulls at Emily's family farm at Glenham, SD.
Calving Dates will start March 1 and they will be sorted accordingly and full count will be available before the sale and after final preg check.

Commercial Bred Red Angus Cows

We purchased the 2 and 3 year old cows from good customers the Neugebauer's, near Hot Springs, SD last spring. They sold all of this age of cows due to drought. We also have some young cows from our registered program that were registered incorrectly due to DNA requirements. Both of these sets will make great additions to your cow herd. They were either AI or naturally bred to start calving April 15 for 60 days. We do not have a count at the time of catalog print as we have not yet preg checked anything.
There will possibly be at least 2 pot loads of cows.

Here is a bull that we truly believe is one of the best Outright sons to date! We named him Outlaw because we think he will pioneer a new path for the Red Angus breed. He is a 6-frame bull with plenty of depth and length, while ranking 4th in the adjusted yearling weight at 1103 lbs! He just puts everything together in one package. Power, productivity, and the maternal aspects as well. Not to mention his mother has a 107 MPPA on four calves so far. Pretty special opportunity if you ask us!

Introducing LMG Gills Origin 5471. Here is maybe the best bull in the offering, he does everything right. His AWW is 821lbs then his AYW 1138lbs. Which ranks him 14th and 1st in his group. That is impressive in his own doing. And his mother is doing it again with one of the top heifer calves from this season out of the HRP Jumpstart 4110M bull. Pretty impressive if you ask me.

This guy is an Outright by Verdale, and you will be seeing a lot more of the Verdale blood line in coming years. They are a very functional, big bodied, easy keeping cow line that we are excited about. We decided to implement a strong embryo program last year and one of our top Donors that we unexpectedly lost was a Verdale cow. So, get this guy before everyone wants one!

He's out of the MTX cow line and that is a cow line you will see across the nation. Nordlund Stock Farms bought an MTX heifer many many years ago and that line has been a staple in their herd along with many others. And he's got a solid set of growth numbers with a maternal background that has some miles on it, this is a bull that should fit right into a working cow herd.

Our Commitment

We know in order for us to be successful, our customers need to be successful as well. That's why we have committed ourselves to add value to your calf crop with feeder calf and heifer marketing. Ask about how we can help promote your Gill Red Angus sired calves to potential customers.

Our Dedication

We are dedicated to raising the highest quality bulls possible for both our customers and the feeders who purchase our customer's calves every year. In order for us to supply you with the best bulls possible, we will only use the absolute best bulls out of the very best cows. We also take the bottom 20% of our cowherd and sell them every December. We raise the bulls with the goal of developing them to their max potential, while keeping them sound and fertile. Our cows must be easy fleshing, sound made, fertile, and have real good udders on them. No exceptions! In order for our customers to continue getting a premium for their heifer calves, the bulls you use need to come from the best genetics possible.

This may be the best bull in the entire offering. If his DNA was right at the time that we made sale order, he would easily be in the front pen, probably as Lot 1. He is a son of Outright, while being double bred Roxie on his dam's side. We are currently flushing a Roxie, and have flushed 3 other Roxie's over the years. It is possibly the best cow line that we have. This guy is powerful, correct, strong-made, and the kind of bull that will really take your program forward. He is extremely complete. You will like him!

Here's a bull that is very maternally strong. His maternal grandmother is LMG MS VERDALE 7282. And she is a cow that we think a lot of. She was one of if not the top cow in our donor pen and we unexpectedly lost her last winter. She has done and will continue do great things for our program as we are using a son and have embryo calves both on the ground and in cow out of her. Here is a chance to get her genetics to take your herd to the next level. Along with that, he is a powerhouse that we could have led off the sale with. Don't miss him!

He offers a balanced set of numbers for cattlemen looking to add calving ease and maternal value while keeping carcass quality in the picture. A bull with practical numbers and cow-family influence to build on.

See You at the Ranch on December 9!

The next 4 lots are all bulls that are not papered. They are deep and sound made that will make top females and powerful steers. Don't be bothered that they don't have papers, the cows won't care.

GILL RED ANGUS

You buy our bulls,
we bid on your calves!

DVAuction
Broadcasting Real-Time Auctions

View the Auction Live! Bid Online... you're ringside right at your desk!

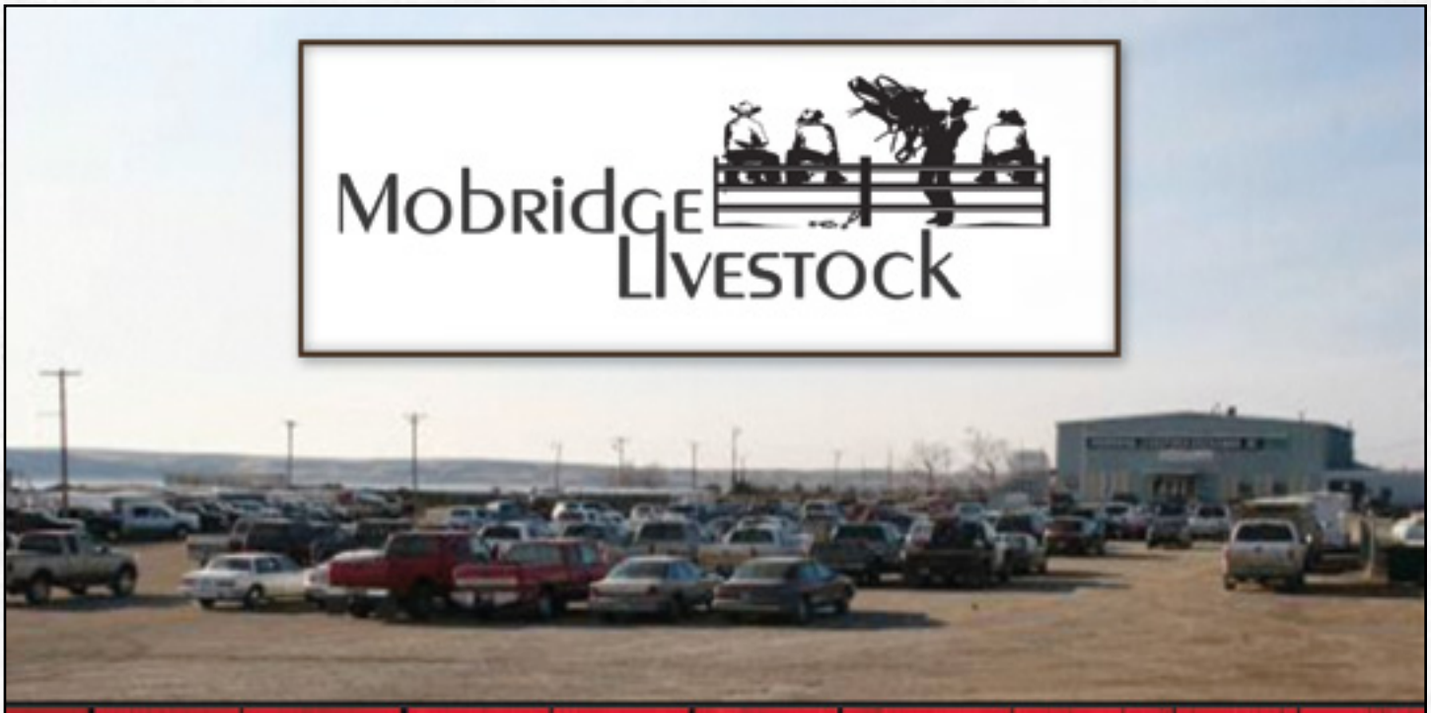

Buying online is as easy as 1, 2, 3...

1. Create an account at www.DVAuction.com under the "Register" tab
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction – a DV representative will notify you once you have been approved.
3. Tune in for the sale to make your purchases!

High Speed internet is required for successful bidding-be sure to check the log-time monitor in the top left corner to ensure real-time broadcasts.
Proxy-bidding – if you can't make time to watch the sale, register a proxy bid and let our system represent your bid while you're away. Look for the "proxy bid" tab on the auction listing, and fill in your maximum bids. We'll handle the rest!

For General Questions Please contact Our Office: 402-316-5460 or support@dvauction.com

Mobridge Livestock is dedicated to the Red Angus breed. We are the only auction barn in the country to offer a solely Red Angus calf sale. In addition, we market more Red Angus and Red Angus cross calves than any other auction barn in the United States.

Sale Barn:
1-800-658-3598 or (605) 845-3622
PO Box 190 • Mobridge, SD 57601
